FOR SALE AT OUR ACCOMMODATION DESK

"What shall I give for Christmas?" This very pertinent question is answered—suggestively, exhaustively, thoroughly, comprehensively—at this store. We mention gifts for every member of the household, for friends and relatives. And with the selection as varied and attractive as it is this year at this store, Christmas shopping and gift selecting is more of a pleasure than a task. You come in this store and see so many things that are suitable gifts for loved ones in mind that you are happily perplexed in not knowing which one of the hundreds to purchase. We offer you the result of years of experience in selecting Christmas goods. While we are always desirous of selling just as low as we possibly can, yet quality is first considered by us. Rest assured that any article bought here for a present will give satisfaction and pleasure to the recipient every time he or she has occasion to use it. The days between now and Christmas are not many. The time will slip by very quickly and before you realize it you will have to make your selections when everywhere you'll find crowds of shoppers and stocks depleted—"eleventh hour" buying—which at best is most unsatisfactory. Now is the time. Stocks are large and varieties broad. Goods fresh and unhandled. Study these lists. If what's wanted isn't included, you will surely find it here—if you come now.
