240 AGRES FIRST-CLASS FARM LAND \$10 AN ACRE---ITHIN 24 MILES

This is the finest of bench land, lies just right for fruit, grain or general farming purposes. It is a good, deep rich soil with less than 3 acres of gravel land on the whole 140 acres. It is watered with several fine trout streams, lies on a county road. Part of the land has been seeded to clover, affording the firest of pasture. This, with the unlimited outrange, would make it a dairying layout which should command your attention.

ing layout which should command your attention.

This is the only tract of rich, deep soil of which we know within 24 miles of Portland that can be used for \$10 an acre. If you buy now you will double your money several times over on this property within the next three years.

This place is not on top of a mountain or clear out of the country where no one can live, but is connected with a good valley. We have no hesitation in guaranteeing this place to be even better than described.

Only \$2400.
