**Fight for Mended Cars.**—The action of President Will G. Steele, of the Peninsula Development league, in carrying the fight of the people tributary to the St. Johns carline, to the state railroad commission in hopes of securing heat in the cars during the winter, was unanimously endorsed by the members of the University Park Board of Trade at its meeting at University Park Monday evening. The club also voted to ask the park board to improve Columbia park and appointed W. J. Peddicord, R. H. Baird and H. G. Sibray as a committee to wait upon the board. The meeting was largely attended.

**Wants Rent for Dock.**—Clementine F. Lewis has begun suit for \$3619 against the Northwestern Warehouse company for a balance alleged to be due on rental for Columbia dock No. 2 for a year ending July 1, 1909. It is stated that the dock was leased on a tonnage charge basis in 1907 for one year and the defendant continued to use the dock for another year after the contract expired. The owner now elects to treat the defendant as a tenant on the same scale of charges as for the first year. The charge for the second year is placed at \$3619 and it is stated that only \$589 has been paid.

**Test Cases Continued.**—The two test labor cases brought in the municipal court by C. P. Hoff, state labor commissioner, have been continued until next week. The cases are against S. Silverfield, furrier at Fourth and Madison streets, and F. C. Statler, box manufacturer at Tenth and Gileson streets. Both are accused of working women over 60 hours in one week. Statler contends that he has not violated the law, inasmuch as the women are not employed except on piece work, and they work as long as they choose.

**Organization for Boys.**—The organization of a Sunnyside Boys' and Girls' association will be one of the subjects to come up for consideration at the meeting of the Sunnyside Push club next Wednesday evening. Under the direction of J. P. Newell and J. T. Wilson, the club has been doing a great deal of preliminary work and now has the plans fairly well in hand. They call for the expenditure of \$5000 to be raised by the selling of shares at \$10 apiece.

**Blanchet Caused Death.**—The coroner's jury investigating the death of Caesar Bourgeois, who was shot by Louis Blanchet, Saturday night at 42 North Fourth street, found that the saloon manager caused the death. Only one witness was before the jury. Albert Coon saw the shooting and said the two men were quarreling at the bar, when Blanchet drew a revolver and shot. Blanchet will be given a preliminary hearing Friday in municipal court. The charge is murder.

**To Discuss Pavement.**—Pavement best suited to Killingsworth avenue will be discussed at the meeting this evening of the Killingsworth Avenue Improvement association. A number of bids have been sent in for the laying of hard surface pavement on the street and it is planned to decide which kind is best suited at this evening's meeting. The association is to meet in the hall at the corner of East Sixteenth and Killingsworth.

**Will Authorize Flume.**—Mayor Simon announced yesterday that he would approve the ordinance passed by the city council at its last session, granting to the Lewis-Wiley syndicate a permit to build a flume from Willamette Heights down to Guild's lake. The mayor's announcement came after he had made a trip of inspection to the heights to investigate conditions there, in response to a request of property owners of the neighborhood.

**Regimental Dance.**—Given by W. O. W. regiment Saturday evening, January 8, 1910. W. O. W. hall, East Sixth and Alder. Admission, gent's 50c; ladies 25c. Weinberg's orchestra, union music.

**Delicate Operation Successful.**—Lawrence, 3-year-old son of John Johnson, 516 East Seventy-third street, underwent an operation yesterday to have a penny removed from his throat. It lodged there a month ago. The operation was performed at the Good Samaritan hospital. The coin was lodged at a point in the esophagus close to the Adam's apple. The throat was cut open.

## Grand's Stellar Bill.

An all-star bill has been sent by Sullivan & Considine to the Grand this week. The Romany Opera company has never had its equal in vaudeville as a singing act. Seven vocalists are heard in selections from the cream of operas. The Balthus cabarets, from London Hippodrome, present a series of feats which have not been done by others.

## Irish Play at the Baker.

Not often does vaudeville offer such a dramatic treat as does Pantages this week. Miss May Tully is appearing there with sensational success in "Stop-Look-Listen." Miss Tully is one of the most charming comedienne on the stage today, and her support is exactly the same that appeared with her during the New York run.

## "The Man From Home."

Every line of the new play, "The Man From Home," which is to be seen at the Portland theatre during the week of January 9, was written on the beautiful terrace of the Hotel Regina Margherita at Sorrento, Italy. There Booth Tarkington and Harry Leon Wilson, the authors of the play, sat day by day and drew their local color and inspiration together while building the drama.

**Livingston-Benedict Wedding.**  
New York, Jan. 5.—The church of the Incarnation was the scene of the first of the large January weddings this afternoon, when Miss Juliette Benedict, daughter of James A. Benedict, became the bride of Philip Livingston. Bishop Greer performed the ceremony, assisted by the rector, the Rev. Dr. William Mercer Grosvenor. The bride was attended by her sister, Mrs. Robert Kelly Prentiss, as matron of honor, and Mr. Livingston had T. J. Oakley Rhinelander as his best man.
