Soon as Money Appropriated and Additional Men Employed Fire Laddies Will Enjoy 24 Hours Off Duty.

Fire Chief Campbell said this morning that he had completed arrangements whereby the new schedule giving firemen 24 hours off duty every eight days can be put into effect just as soon as the council passes the necessary appropriation ordinance authorizing the employment of additional men and the executive board empowers the chief to act.

The ordinance, as recommended by the ways and means committee will go before the council tomorrow. Following its passage it will be referred to the executive board, and by the board to the fire committee. The committee will then issue instructions to the fire chief, and he will on receipt of the same, begin the waiting list of the civil service commission.

As soon thereafter as the men can be sworn in and beds procured for them they will be assigned to their new duties, and the schedule already prepared will become effective. In order to provide for the 24 additional men recommended by the council committee it will be necessary to transfer \$12,568 from the general fund.

## 25 PAY-AS-YOU-ENTER CARS NOW RUNNING

Twenty-five new cars of the pay-as-you-enter type have now been placed in service by the Portland Railway, Light & Power company and four more will be added before the end of the week, so President B. S. Josselyn announced this morning.

Eleven more cars of this modern type are now on the way to Portland and as soon as they arrive they will be placed in commission, a number of them being booked to go on the Mount Tabor line.

The Mount Tabor line is one of the heaviest patronized in the city, explained Mr. Josselyn. "And pay-as-you-enter cars will be placed on the line as soon as the 11 cars still on the way from the east arrive. This will give us these large and commodious cars on the lines carrying the heaviest traffic, such as Sixteenth, Twenty-third, Morrison and North and South Portland."

## NOTORIOUS BORDER OUTLAW KILLED

(United Press Leased Wire.) Vancouver, B. C., Jan. 11.—A special from Moose Jaw, Sask., says the notorious cattle thief, "Dutch Henry," who has been the scourge of the international border country for eight years, was killed at Big Muddy river, 60 miles south of here, by a mounted policeman, who shot him in the back of the head in which the policeman's horse was shot out from him. The latter came upon the outlaw unexpectedly and he instantly fired, killing the horse and throwing the policeman to the ground. The officer then fired twice, killing "Dutch Henry."

Police on both sides of the line have been after this notorious horse rustler several years but he had evaded them by continually shifting across the line.

(Special Dispatch to The Journal.) Spokane, Wash., Jan. 11.—The most bitter fight in history of the Washington State Federation of Labor is expected to result from the instructions which have been given to the convention in session today at Hoquiam, not to admit delegates of the Ried faction of electrical workers. The action of the American Federation of Labor in sending these instructions will result in the local of the electrical workers throughout the state being compelled to withdraw from their central labor bodies.

## FIREMEN TESTIMONY FAILS TO CONVINCE

City's Case Against East Side Saloonkeeper Explodes on Going to Trial.

Charges against F. T. Boyesen, proprietor of the Steel Bridge Exchange saloon, Crosby street, were dismissed in municipal court today. Boyesen was charged with selling liquor without a license. Police Sergeant Smith made the complaint.

Sergeant Smith stated he had warned Boyesen not to sell any liquor in the cafe adjoining the saloon unless he served meals with it. Several days ago the sergeant entered the place and found two women and two men in the cafe. Before each was a drink. Boyesen declared the people had ordered meals. He further claimed there was no liquor on the table at which the quartet was sitting, but four empty glasses which he had collected from other tables. Patrolman Frank Patton, testifying for the city, said the glasses were on a tray. Sergeant Smith said they were sitting before each of the persons at the table.

Judge Bennett held that, inasmuch as the testimony of the two officers was at variance, and that no liquor or glasses were produced in evidence, the charge was not sufficient to warrant a conviction.

## DID ANGRY HUSBAND SHOOT HARVEY CRUMP?

(Special Dispatch to The Journal.) Grants Pass, Or., Jan. 11.—The mystery deepens in the shooting Sunday night of Harvey Crump. Crump holds to his first statement that he has no idea who shot him. Efforts to obtain a complete statement from him have met with the same firm denial.

That Crump knows far more than he can be inferred from the general belief. It is rumored that an irate husband sent the bullet into the young man's head and that robbery was not the motive for the deed.

Crump's condition remains unchanged and he still retains consciousness. The bullet has not been removed, but the physicians think he may recover.

## AGRETTE IN WINDOW CAUSES HIS ARREST

"I do not sell them; if I make a sale I drop them in," protested A. Reiner when arrested this afternoon for exhibiting the plumage of prohibited birds in the show windows of his store on Fifth street near Alder. Reiner, whose business is that of a furrier and seller of hats, had exposed an egrette worth about \$35 in his show window. He was seen and complained of by W. L. Finley, president of the Audubon society, and the arrest was made by W. E. Kiernan, deputy constable. Reiner was taken before Justice Olson.

Reiner had a crusade undertaken by the Audubon society against violators of the law forbidding the sale of bird plumage resulted in the arrest of a number of dealers. "This arrest is in line with that crusade," said Mr. Finley today. "We do not intend to let up on our watchfulness for violators of the law for a moment."

Reiner stated finally that he had borrowed the egrette from neighboring "shop keepers."

## UNPAID TAXES FOR YEAR 1909, \$76,000

Unpaid taxes of 1909 on January 1 of this year amounted to \$76,546 in a total roll of \$4,609,053. Chief Deputy Martin of the tax department of the sheriff's office estimates that \$10,000 will come in during January, leaving about \$66,000 unpaid on February 1.

The new tax roll is being written by special deputies in the county clerk's office and will be ready for the payment of taxes of 1910 about February 1. During the next three weeks those who wish to pay taxes early can greatly assist the work of the office if they will send a description of the real property on which they desire to pay with a request for statement. As soon as the figures are available the statements will be sent out and taxpayers will be given the opportunity to pay the amount, less 3 per cent discount, allowed up to March 15.

## MORSE HORSE CASE IN UMATILLA COURT

Pendleton, Or., Jan. 11.—A case which is attracting considerable attention is now before the circuit court for the second time. The case is that known as the "Morse horse stealing case," and involves four defendants, Clarence Morse, his son Harry, John Panbrun, Harry's mother-in-law, and Roy Ellsworth, who makes his home with the elder Morse.

The men are prominent ranchers of McKay creek. Elder Morse is a son of former United States Marshal Sam L. Morse. It is alleged that the four stole four horses from a range and put them in the Morse pasture. The defense claims the animals were wild and could not be cut out of the Morse bunch. The jury hung in the first trial, last fall, but a verdict is expected this time.

## ELABORATE PLANS PASSE SHIVERS FOR GYPSY SMITH

However, Evangelist Will Not Come to Portland Until Big Building Is Erected.

Just what the spirit is that will make Gypsy Smith's campaign here a great success was shown yesterday when the ministers and a number of their most earnest laymen met at the Y. M. C. A. for luncheon to make final preparations for the evangelist's coming. Over 100 men were in attendance and the greatest enthusiasm was evinced throughout.

Dr. William Hiram Foulkes, chairman of the committee of seven originally appointed to investigate the possibility of securing Mr. Smith, gave his final report and action was taken. The report has been made in substance before at various meetings of the ministers and has been published. An additional recommendation was made concerning the manner in which the work will be undertaken. A committee of 100, consisting of 25 ministers and 75 laymen, in proportionate numerical strength, will make charge of all the arrangements.

## To Make Guarantee Fund.

The first work will be to raise the guarantee fund, which will be about \$3000. This is not a guarantee for Gypsy Smith or for his financial manager, but a guarantee for the local committee. The amount has to be handed for the committee to meet the expense of building the tabernacle and other incidental expenses. Mr. Smith receives nothing from the Portland committee. The regular arrangement is that he is always observed in the London committee hall of which he is taken in at the meetings. The other half goes to the local committee for expenses, and it has been the regular rule everywhere heretofore that the free will offerings more than repay the guarantee.

In Cincinnati, after the London share had been paid and all expenses had been met, the committee had \$500 left. The guarantee subscriptions are returned to the guarantors. Dr. Foulkes said that Gypsy Smith's campaigns are unique because they are not managed by the constant money shortage. Dr. Foulkes said that Gypsy Smith's campaigns are unique because they are not managed by the constant money shortage.

Will Select Committee. The large representative committee will be selected by the various denominations within the next two weeks and will notify Dr. Young, who will then call a meeting and the committee will be given the opportunity to make suggestions and bylaws. Following is the proportionate representation: Presbyterians, laymen 17; ministers 4; Christians, 6 and 2; Evangelicals, 2 and 1; Friends, 2 and 1; United Brethren, 2 and 1; Lutherans, 1 and 1; Chinese, 1 and 1; Protestant Episcopal, 2 and 2; African Methodist Episcopal, 1 and 1; Salvation Army and Volunteers of America, 1 each.

It is expected that Gypsy Smith will be here next fall for three weeks or a month. The committee will, however, ascertain for sure that he will be here before it begins active preparation for building the tabernacle. Smith does not promise a visit until a building of at least 5000 seating capacity is assured, and even then his time is engaged for months ahead, so that one must speak early to get him. Just where he will be located is not yet settled, but it will doubtless be on the west side and must be outside of the fire limits. It is the intention to make the tabernacle to accommodate more than 5000 and as much larger as the funds will permit. The site is being sought in the city, and the half dozen most suitable locations will be selected from among all those offered and then the trustees will get down to the business in hand of choosing a site for the institute.
