LOCAL BOYS WILL HAVE FOLLOWING

All Boxers Ready for Gong at Expo Rink Tomorrow Night.

But one more day remains until the long expected Oregon Athletic club smelter, which takes place tomorrow night in the Exposition rink, with 34 rounds of fast milling.

Unusual local interest is attached to the bout owing to the fact that there are two local boys scheduled to cover a 10-round route.

They meet at catch weights, so that both will be at their strongest for the fray. This means that their poundage is close to 140 pounds, for both have a hard time to make the lightweight limit.

Ted Whitman and Spike Hennessey are bound to give a rattling good exhibition, as both are in grand shape.

The principals, Frankie Edwards and Louie Long, are eager to get at each other. Inasmuch as they have never seen each other and several statements that have been going around, there will be nothing of the brother act in their turn.

The advance sale is going nicely and the record crowd of the season will be in attendance.

CRUCIAL GAME WILL BE PLAYED TONIGHT

Excitement prevails among the players and fans of the local indoor baseball league over the deciding game tonight between the Dilworth Derbies and the Honeyman Hardwara company.

If the Dilworths win, a tie between the three leading teams will result, which will then be played off.

The Multnomah club has offered its large gymnasium at Nineteenth and Morrison streets for the game, and arrangements are being made by the club officials to handle the crowd.

DARK HORSE OPPONENT FOR PORTLAND EXPERT

A dark horse will be Henry Solomon's opponent in the three cushion billiard tournament at Bolly's billiard parlors tonight, Edwin J. Tyler of Chicago being the player.

He is whirlwind by those who have seen him in practice games. The game will take place at 8:30 o'clock.

TENNIS PLAYERS SAY FAVORITISM

McLoughlin and Long Surprised at Rating on Return From Australia.

San Francisco, Jan. 19.—Added fuel was heaped upon the fire of smoldering indignation here because of the positions given Maurice McLoughlin and Melville Long in the ratings compiled by the eastern tennis experts, following the return from Australia of the team that represented the United States in the Dwight Davis international cup matches there.

McLoughlin and Long arrived from the antipodes on the liner Alameda late yesterday. Both were warm in their praises of the treatment they received at the hands of the Australians, and of the ability displayed by the island players.

In these ratings McLoughlin was given sixth place in the American singles lists, while Long was given seventh.

McLoughlin continued, turning to a more pleasant subject, "and the Australian people treated us very well. Brooks and Wilding defeated us fairly and squarely. I believe there is but one man in the United States who could defeat Brooks, and that is Larned. Larned is the best man in the game today."

STOVEY GREATEST STEALER IN GAME

Hamilton and Lange of Old Days Only Ones Above Hundred Mark.

Boston, Jan. 18.—Harry Stovey, who played in the outfield for the Philadelphia Athletics in the '80's, retired from the diamond with a record for stolen bases, which will probably stand as long as the game of baseball is played.

In only three seasons since Stovey affixed his record have players reached or passed the 100 mark.

Several days ago the association lost the services of Hartman, who injured his foot, and then the team was further weakened by the absence of Lang, the former Yale university player, who was compelled to leave town on business.

However, Mr. Lee, the Y. M. C. A. coach, says he is organizing another first team and will whip it into shape to play the club on the next scheduled date, February 9.

CALIFORNIA ASKS OREGON TO ENTER

Track Team Invited to Annual Conference in South—Athletic Gossip.

University of Oregon, Eugene, Jan. 18.—There is a probability that the varsity track team may make the trip to California next spring.

Oliver Huston, Oregon's premier sprinter, will not be eligible to enter meets in the northwest conference, but would be able to run in California.

In the meeting of track men held yesterday, besides speaking of the California trip, Trainer Hayward also spoke of dual meets that will probably be held in Eugene with Washington State college and Whitman.

BASKETBALL WILL START THIS MONTH

Oregon Agricultural College Opens Season Against Missionary Basket Tossers.

Corvallis, Jan. 18.—In two weeks conference basketball will start.

With the adoption of the collegiate rules by the conference colleges, a remarkable interest has been stimulated in basketball.

Many of the games played under the A. A. U. code seem to be more of a personal exhibition on the part of the referee than a real game in which two teams of vigorous men are competing.

This does not necessarily imply that collegiate basketball is an unnecessary rough game.

Many of the high and preparatory schools in the east have adopted the collegiate rules, and it is quite possible that before very long the preparatory schools and high schools of the northwest will be playing the game of basketball in accordance with the rules arranged by the collegiate committee.
