When I have accepted your case for treatment you may look forward to a complete and permanent and with the first treatment the curing will begin. This is pretty definite talk upon what is commonly regarded as an uncertain and speculative matter. But I am in a position to speak definitely and positively. With me the cure of men's diseases is not uncertain or speculative at

I have treated so many cases that I know what I can do and what I cannot do, and I never promise or attempt too much. I accept no case in which I have doubts as to my ability to cure, and results are always equal to the claims I make. Following are some of the diseases I cure, and reasons why my cures are certain.
