See the Curtiss Aeroplane at the Pure Food Show—Fourth Floor

Beginning tomorrow morning, in connection with the Food Show, we will exhibit the Curtiss Aeroplane, recently purchased by Mr. Wempe of this city—the same one that made the successful flight in Los Angeles at the Aviation meet. This exhibition is under the direction of Mr. Wempe, and is made to aid in the construction of the Mount Hood road. A small admission fee of 10c will be charged and all that is taken in will go to the Mount Hood road fund. We invite all our friends to view this machine and all that is realized from the exhibition will go to help an enterprise in which Portlanders take the keenest interest—the road to Mount Hood.
