

# VALIANT FIGHT WAGED AGAINST WHITE PLAGUE

### Anti-Tuberculosis Associations Contributed Million Dollars Last Year and Treated Over 60,000 Patients.

New York, Feb. 2.—Interest in the anti-tuberculosis campaign now being waged throughout the United States is evidenced by the fact that in the year 1909, 163 new anti-tuberculosis associations were formed, 123 tuberculosis sanatoria and hospitals were established, and 31 tuberculosis dispensaries were opened. Compared with previous years, this is the best record thus far made in the fight against consumption in this country.

During the year 1909, 43 more associations for the prevention of tuberculosis were formed than during the previous 12 months, and 52 more hospitals and sanatoria were established. On January 7, 1910, there were in the United States 994 anti-tuberculosis associations, 236 hospitals and tuberculosis sanatoria and 263 special tuberculosis dispensaries.

During the year that has passed, the sanatoria and hospitals of this country treated nearly 5,200,000 hospital days' treatment. Of the 31,000 patients treated, about one-half were discharged as improved to a greater or less extent, and a large percentage of the inpatient cases were discharged as cured. Altogether there are nearly 20,000 hospital beds provided in the entire United States for tuberculosis patients, or about one bed for every 30 patients. The 286 associations have 10,000 members and are contributing close to \$1,000,000 every year for the fight against tuberculosis.

The 285 dispensaries treated during the year over 40,000 patients, who made over 500,000 visits.

Results Attained.

Year	Sanatoria and Hospitals	Associa-tions	Dispensar-ies
Before 1885	215	24	5
During 1885	38	13	5
During 1886	37	25	11
During 1887	33	42	21
During 1888	31	120	85
During 1889	123	163	91

Total, Jan. 1, 1910: 236 354 263

If the year that has passed has been a record breaker in point of numbers, it has also broken many records in point of interest which it has aroused. Never before have so many different groups been working for one common end. At the present time, schools, women's clubs, labor unions, churches, children's organizations, state legislatures, municipal bodies, insurance companies, fraternal organizations, bill posters, laymen and doctors of every creed and color are all banded together in one effort to rid this country of consumption.

## BOY WORTH \$300,000 KIDNAPED BY KIN

(Calder Press Special Wire.)  
El Paso, Texas, Feb. 3.—Detective C. H. Taylor of San Francisco is on his way home today with L. B. Adams, Adams' 8-year-old son John, and the boy's nurse, Nora McLaughlin. The nurse and Adams' private secretary, Nat Murphy, are alleged to have kidnaped the boy from his mother and to have brought him to this city.

John Adams is said to be heir to about \$300,000, left him by a relative of his mother. The custody of the boy was granted his mother when she applied for a divorce from Adams. The final decree has not been issued.

On January 26, while on his way to school, John disappeared. Detective Taylor was detailed to find him, which he did after following Private Secretary Murphy to this city.

The three were taken to the police station, where they went into consultation with an attorney they had called. Taylor was in possession of a bench warrant for them and they decided to return to San Francisco without making a fight on extradition.

## BULLET TAKEN FROM HEAD OF THOMPSON

Manley Thompson will recover his hearing, which is partially lost as a result of being shot by highwaymen at the Seven Mile house last Friday night. When Dr. E. H. Anthony this morning removed the bullet that had lodged in Thompson's head he found that in some unexplainable way the missile had split, part of it lodging in the auditory canal of the ear, the remainder penetrating to the base of the brain.

Thompson was reported as doing well following the operation this morning. The bullet wound in his chest is nearly healed. Nearly a week's work on the part of Sheriff Stevens and his deputies in trying to find the highwaymen has as yet had no result. Beyond the information that the two robbers were seen in Troutdale Saturday morning after they had held up the Twelve Mile and Seven Mile houses Friday night, no trace of the fugitives has been found. The sheriff is convinced that it was either by unusually skillful work or an unusual luck that the robbers succeeded in getting away without leaving any traces of their flight.

## AT THE THEATRES

### Be Sure and See Hogan.

One of the funniest things on earth today is "Hogan in Society," presented at the Orpheum this week by Bert Leslie and his company of mirth producers. Think of the funniest thing you ever heard or saw and then if possible imagine something twice as funny as that, and you will have some idea of what "Hogan in Society" is. Matinee every day.

### "Deadwood Dick's Last Shot."

The doors of the Portland theatre will be thrown open next Sunday afternoon as a popular-priced family playhouse with one of the strongest melodramatic stock companies in the west as the attraction. The opening play will be "Deadwood Dick's Last Shot," a vivid and interesting story of mining camp life.

### Pike and Calame at Pantages.

Clever clog dancing is always attractive to the amusement seeker, and the very best in vaudeville is offered by Pike and Calame at Pantages this week. The duo come direct from a tour of the largest theatres in the east, where they scored a tremendous hit. They easily duplicate the triumphs scored on the Atlantic coast.

### "Brewster's Millions" at Baker.

Anyone doubting the immense popularity of the comedy "Brewster's Millions" should take a stroll down by Baker theatre just before curtain time this week and see the crowds struggling to get seats. It is a record breaker for

all standpoints, and there are only a few more opportunities left to see it.

### Cute Girls on Wheels.

Something positively new in bicycle acts is seen at the Grand this week where the Beasts Valdate troupe is headlining the bill. There are six pony riders in the act and they give an exhibition of novel riding on wheels which takes the house by storm.

### Louis James Sale Tomorrow.

The favorite and famous American actor, Louis James, assisted by Aphio James and a splendid company, will present Shakespeare's play, "Henry VIII," at the Banglow theatre, next Sunday and Tuesday nights, February 6-8; "The Merchant of Venice" Monday and Wednesday nights, February 7-9.

## SHEPARD WILL GIVE LECTURE ON APPLES

E. H. Shepard of Hood River, who was to have spoken at the meeting of the Portland Applegrowers' association two weeks ago, but was unable to be present, will deliver the address next Saturday night in the auditorium of the Young Men's Christian Association. Mr. Shepard's subject will be "The Apple From Packerhouse to Market." It is believed that this will be one of the most interesting and valuable lectures that has been given before the Applegrowers' association, as Mr. Shepard has spent many years in the study of fruit culture. He is editor of "Better Fruit" and is secretary of the Fruit-growers' union of Hood River. He has also taken a prominent part in other orchardists' organizations in this state. After Mr. Shepard's lecture, slides, showing scenes in the orchard of I. A.

Mason of Hood River, will be thrown on a screen. Mr. Mason gave a very interesting discourse before the Apple-growers' association last Saturday night.

## D. H. STROWBRIDGE BUYS BUSINESS HOUSE SITE

D. H. Strowbridge, of the Strowbridge Hardware company, closed a deal yesterday with Mall & Von Borstel for the purchase of a business house site, with a frontage of 50 feet on Grand avenue and 50 feet on East Washington street. The property is in the

shape of an "L" and flanks the south side and the rear of the East side bank building.

A. W. Ochock was the former owner of the property, and the Taylor Furniture company occupies the premises on a short time lease. The consideration involved in the deal was \$25,000. Mr. Strowbridge announces that he will erect a modern, three story brick building on the property, beginning its construction in the early summer.

## MAYVILLE BUILDING DESTROYED BY FIRE

(Special Dispatch to The Journal.)  
Mayville, Or., Feb. 2.—Fire which broke out here at 7:30 Wednesday morning destroyed the building in which

were the Thomas Edelman blacking shop and W. E. Dodge's harness shop. Thomas Edelman's loss is estimated at \$10,000, and Dodge also lost his household goods, his loss being about \$10,000. There was \$400 insurance on the building.

## PLUMP FOLKS AND THIN FOLKS
