Flour Trades Unusually Dull
Slow Movement Causes Big Millers to Stop All Purchases of Grain.
Flour trade is unusually dull, and this has resulted in a complete cessation of buying by the water concerns.

Kansas Wheat Damaged.
Kansas City, Mo., Feb. 8.—Kansas grain dealers in session here today say wheat looks to be seriously damaged, anywhere from 10 to 50 per cent, owing to the ground heaving the roots which are exposed.

New York Stock Market Opens Lower, Makes Early Gain but Drops Within Few Minutes of End.
New York, Feb. 8.—Wall street recovered its nerve after the closing of the stock market, patted itself on the back and advanced prices, then became frightened at the last few minutes of the trading and panic stricken rushed to unload whatever securities it could.

Joseph Supple received today a contract for the building of a transfer barge to be used by the Oregon Trunk railroad at Celilo. It is to be completed April 15 ready for service.

LANE COUNTY MEN OPPOSE LAFEAN BILL
(Special Dispatch to The Journal.) Eugene, Or., Feb. 8.—The Lane county fruit growers at a meeting to be held in Eugene next Saturday will pass a resolution condemning the Lafean apple bill now under consideration by congress.

Portland Highest Primary Market for Eggs in the United States.
Portland is today the highest primary market for eggs in the United States. In California values are lower than here for the same grade of stock, while in the east values are materially lower.
