(Continued From Page One.) of the federal incorporation bill, the senators were frightened by a shadow. "If such a very officialdom who look the bill to passage at this session. It is doubtful if he could prod congress into passing it even if he was determined to do so. The measure was introduced in order that the committee might thresh out its faults and virtues and whip it into shape as far as possible."

STOCK MARKETS RESPOND TO TRICK OF MANIPULATORS

(United Press Leased Wire.) New York, Feb. 8.—That the "interests" are giving the Taft administration and the supreme court of the United States a "lesson" by pronounced manipulations of the stock markets is the assertion of experts. Direct charges are made that fluctuations in the stock markets are for the purpose of influencing the government in its dealings with trusts.

BILL RELATING TO PHOSPHATE LANDS IS INTRODUCED

Opportunity to Develop Prospect for Oil, Gas, Asphaltum or Phosphate Lands on Easy Terms Is Given Prospector.

(Washington Bureau of The Journal.) Washington, Feb. 8.—Among the bills prepared by Secretary Ballinger and introduced in the senate by Senator Nelson, chairman of the public lands committee, is one to prescribe the manner of disposing of oil, gas, asphaltum and phosphate lands. This is a subject of particular importance to southeastern Oregon, for considerable prospecting for oil is now in progress in that section of the state with great promise of success.

MENTAL IN ADVANCE

There must be paid in advance a rental of 50 cents per acre in the case of oil, or asphaltum for the first year, and \$1 per acre per year thereafter. In the case of phosphate lands, the rental is 10 cents per acre for the first year, 25 cents per acre the second year, 50 cents per acre the third year, 75 cents per acre the fourth year, and \$1 per year thereafter. The rental, however, is to be deducted from the amount of royalties due.
