THE OREGON DAILY JOURNAL, PORTLAND. THURSDAY EVENING, FEBRUARY 10, 1910.

Clearing House Association Try to Reach Agreement-**Receiver Devlin III.**

"Mum is the word" with every onnected with the affairs of the Ger-nan-American and old Oregon, Trust & savings banks, when it comes to shedding any light on the proposition of now the uppaid depositors in the Oregon Trust are to get their money next Monlay, the date upon which the agreement expires to make a final settlement of the failed bank's affairs.

"The matter is entirely in the hands of Mr. Reed, president of the German-American bank," says P. L. Willis, the controlling factor in the bank. "We ave ample collateral to guarantee a and Burke and Molby were arrested and loan and are trying hard to raise the held over night in the police station. money," says President Reed. More The next morning they were released. than this they will not say, and it is extremely improbable if the redoubtable oss-examiner, Francis J. Heney, with all his art in wringing facts from an unwilling witness, could get either Mr. Reed or Mr. Willis to add one syllable o their statements.

Conditions Were Not Prescribed.

It developed today that the clearing se banks did not impose the condition that the German-American bank hould go out of business in case a sufficient sum of money were advanced to pay off the claims against the Oregon Trust & Savings bank. "On the con said a member of the clearing trary," house this morning, "at the time appli-cation was made for the loan the officors of the German-American volun-tarily agreed to liquidate the bank's affairs in case the clearing house adanced sufficient funds to pay off the Oregon Trust's depositors. Later on, however, and before the Clearing House ciation had finally passed upon the application President Barnes was notl-Tied that the German-American withdrew its agreement to liquidate, but still wanted the money. The association then decided that it would make the only on the conditions originally named in the application."

Devlin III in California.

The reported serious illness in California of Thomas C. Devlin, receiver of vestigate and discovered Cobb had kept the Oregon Trust & Savings bank, has the money taken in. Mrs. Phillips had a new phase on the tangle between the place closed and secured \$260. the German-American bank and the unpaid depositors of the Oregon Trust & tween Cobb and Mrs. Phillips was Savings bank. Jack Burke Is Much Sought by, Police Officials After Mad Carouse.

TO SETTLE BILLS

After a "joy ride" of 48 hours, a ma chine owned by the Oregon Taxicab company was upset and badly demolished on the Base Line road. Jack Burke, representing himself to be the son of Judge Burke of the superior court of Seattle, was the man who hfred

the machine, and for whom the con-stable's department is looking. He is wanted for the taxicab hire and for passing a bogus check for \$25 on Fred Merrill of the Twelve-Mile house. Burke hired the machine Tuesday oon, and had as driver Frank Molby. Burke and a woman visited all the grill rooms of the city, and late in the evening were driven to the Twelve-Mile house. At an early hour Wednesday morning the "joy riders" started to

The next morning they were released. Fred Merrill made a complaint yesterday to Constable Wagner about the check, and for a small account unpaid by Burke. The taxicab company also complained of his unpaid bill to them. The hire of the machine will amount to \$50, and the repairs are also charged against the absent Burke.

BORROWS MONEY AND PAYS BACK IN LOV

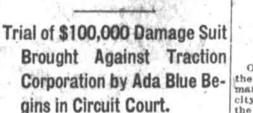

at Second and Madison streets, now

held in the city jail on a charge of vagrancy, has proven to be a Beau Brummel with a propensity for widows who have money. Two women charge in municipal court that he secured money from them after making love in Bohemian style.

Mrs. Anna Phillips, living near Second and Madison, alleges that she gave Cobb fluenced in favor of the street railway, \$650 to invest in the grill. He also told her he had reformed and was looking for a wife. After several weeks had passed, and no proceeds from the

business came, the woman began to in-About this time the friendship he Phillips

the city council tomorrow morning. The plumbing inspector asks for a raise from \$150 to \$175 a month. Mrs. Sarah A. Evans, city market inspector, receives \$85 a month. The or-

dinance raises her salary to \$100. 1t against that corporation, went to trial has the approval of Mayor Simon and the city health board.

Another ordinance to be introduced tomorrow authorizes the employment of a deputy in the plumbing inspection department, at a salary of \$125 a month. Besides these measures, there is an-

other to come before the council. 31 authorizes the employment of two more draughtsmen in the city/engineer's office at salaries of \$110 & month and an additional computer at \$100 a month.

General Manager - Madison Corey Weds Miss Mabel Wilbur at Spokane.

(United Press Leased Wire.) Spokane, Wash., Feb. 10.-Surprising even most intimate friends, the "Merry Widow" became a bride last evening. when Miss Mabel Wilbur, who has the title role in "The Merry Widow" comwas married to Madison Corey, general manager of all the Henry W

Savage theatrical enterprises. Three weeks ago Corey was at Vienna, Austria. Two weeks ago he was at London. Then the couple, separated by thousands of miles of land and sea, decided by cable to terminate their en-

pany,

gagement by immediate marriage, and Savage's right hand man rushed to Spokane, the meeting place decided upon, by steamship and train. Miss Wilbur arrived from the coast

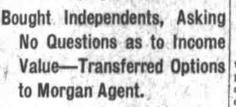

and Corey from the east yesterday. At 6 o'clock in the evening the wedding

occurred at All Saints cathedral. One of the wedding gifts was a diaond pendant from Henry W. Savage. Following the ceremony the bride let her company at the first performance in this city, and after the show a wed-

ding supper was given, at which the 76 members of the "Merry Widow" company were present Miss Wilbur has been in the leading role for two years. Corey has been

producing manager of the Savage productions for 12 years.

MORGAN MERGER

(United Press Leased Wire.) New York, Feb. 10.-Testimony show-ing that independent telephone compa-

BROKER REVEALS

nies in Ohio were bought up and held at the option of the American Telephone & Telegraph company through J. P. Morgan & Co., was given here today by W. H. Remick, a broker,

Remick testified at the hearing of the suit brought by Ohio citizens who claim that the American Telephone & Telegraph company has been buying up the ndependents in order to suppress competition. He said he paid \$7,000,000 for stock in independent companies without making any investigation regarding their

the properties. Remick said Vice President Hall of the American Telephone & Telegraph com-pany summoned him and informed him The postcards for distribution on that that the company desired to buy the Obio independent companies but doubted ing, and will be off in plenty of time whether this could be accomplished legally. Hall, according to Remick, asked to several thousand people in the east, the broker to buy in the independents and can be had upon application at the and hold the stocks and in the meanwhile to give the American Telephone &

Telegraph company an option on their purchase. Remick says he agreed to this proposal upon being assured that he would be surguarded.

The witness declared that H. P. Darison, a partner in the Morgan firm, and 'a director of the American Telephone & Telegraph company, later of-

fered to buy the independent stocks from him. He said he then asked the company's officials if they intended to take over the stocks, and they released him from the option. Thereupon he sold the stock to Davison.

Remick stated that all the independent stock he had purchased was turned over to the Morgan company except that in

a Huntington, W. Va., company. sold the Huntington stock," he "T sald. "to a New Jersey senator whose

Orchardists' Committee Meets at Medford to Draw Up Incorporation Papers for New Association.

FRUIT GROWERS

OF ROGUE RIVER

LINK INTERESTS

(Special Dispatch to The Journal.) Medford, Or., Feb. 10.-For the purose of drawing up incorporation papers

for what is to be the most comprehen sive fruit growers' association in the United States with the exception of the ern California, a committee of 15 orchardists, representing every section of the Rogue river valley from Merlin to losephine county on the north, to the California state line on the south, is in session in this city. Already tentative papers have been drawn and these

are now under discussion. The com mittee will be in session three days and will then call a mass meeting of growers to ratify its action.

The movement has been under discus sion for many months and it is well understood and sanctioned by growers about the entire valley. Recently at a meeting of the Rogue River Hortleul tural society, the committee was named and instructed to prepare the papers C. E. Whisler was named as the committee's head.

The organization has for its purpos the securing of a uniform pick, pack and distribution of the fruit and farm pro ducts of the Rogue river valley. will also own and maintain cooling plants, packing houses and the like and will buy and sell fruit either direct or on commission. It will do away with many of the cut throat methods

in vogue today. The districts of the Rogue river valiey represented are Merlin, Grants Pass, Woodville, Gold Hill, Central Pass, Point, Eagle Point, Jacksonville, Phoenix, Ashland and Medford.

MADRIZ OPENS BANK ACCOUNTS IN AMERICA

New Orleans, Feb. 10 .- A personal acount in the name of Jose Madriz, presdent of Nicaragua, was opened in a local bank today. It was said on good authority that the deposit was \$15,000. This move is taken here to mean that Madriz believes his position in Managua to be insecure, and is preparing to flee if the rebels capture the city.
