

CANADIANS PLAN BIG APPLE SHOW

Vancouver Would Give First
National Exposition in
November.

Vancouver, B. C., Feb. 12.—The proposal to hold in Vancouver in Novem-

ber the first Canadian National Apple Show was warmly endorsed at a meeting held in the office of the Tourist association. A provisional committee of representative citizens was appointed, which will request the mayor to call a public meeting with the object of forming a permanent association. The success attending apple shows in the United States, particularly that held in Spokane, has also the interest manifested by various public bodies in British Columbia in the proposal to establish a like exhibition in Vancouver, was pointed out by Maxwell Smith, Not only had the newspapers of the province endorsed it, but favorable resolutions had been adopted by all the agricultural bodies interested in fruit culture at their annual meetings. Mr. Smith added that he had personal assurances of support from all the mem-

bers of the legislature whom he had interviewed. The following provisional committee was appointed: The mayor, Sir J. H. Tupper, K. C. and Messrs. H. A. Stone, president of the board of trade, F. J. Procter, president of the Tourist association; J. J. Miller, president of the Exhibition association; E. A. Buchan, acting president of the Canadian club; E. W. Thompson, president of the Trades and Labor council; Campbell Sweeney, chairman of the Clearing House association; W. M. McKay, president of the Conservative association; J. H. Senkler, K. C., president of the Liberal association; R. H. H. Alexander, C. S. Douglas, R. F. Dickens, J. N. Ellis, Maxwell Smith and Elliott S. Rowe. Journal want ads bring results.

ASPARAGUS KING TO BUILD CANNERY

Springfield, Or., Feb. 12.—George A. Dorris, who supplies fancy asparagus grown exclusively on his irrigated farm near here, will this spring build a cannery to prepare the plant for eastern markets. WOODVILLIANS HAVE IMPORTANT SUBJECT ON WHICH TO DEBATE

Woodville, Or., Feb. 12.—A mending cow tore a circus poster from an old building here today, and went off down the street munching until the last vestige of the gay picture had disappeared. Whether she became tired of the fixed smile of the trapeze lady, or whether she was just naturally hungry in a situation that is being vigorously debated here.
