Send in Your Linen.— Unfavorable weather is retarding the work of the linen shower for the benefit of the new annex of the St. Vincent's hospital, and those most interested are anxious that people should realise the necessity of shower has been in progregs since February 13 and up to date less than \$1800 has come in. This is not very encouraging when consideration is given to the fact that over \$2000 is required for the sheets alone. The time limit is March 20, and donations should be sent at once to St. Vincent's hospital, mark-"Linen Shower" and bearing the donor's name. Those who prefer to give money may send it direct to the president Mrs. P. J. Cronin, the Norton. or to the treasurer, Miss Anna Cremen. 408 Twelfth street.

Campaign.—Members the general committee that has charge preparations for the laymen's movement campaign in Portland, March 29, 30 and 31, will meet tomorrow night in the auditorium of the Young Men's Christian Association. At that time, important sub-committees will be appointed by G. F. Johnson, a prominent business man, who was yes terday selected as president of the movement in this city. Mr. Johnson will be assisted in the executive work William A. Lovett, who has been chosen secretary. On March 8 a larger committee, representing all individual churches of Portland, will mest at the M. C. Woodstook Grocery Burns .- The establishment of the Woodstock Mercantile Grocery company at Woodstock avenue and East Forty-fourth street, was completely destroyed by fire this morning at 7 o'clock. The loss will aggregate \$10,000, and the insurance will cover half that amount. R. T. Rein was manager of the grocery. When he opened the store this morning the place was found in flames. Owing to the fact that the closest fire hydrant is entirely too far for the hose used at the Woodstock engine house, nothing could be done. The cause of the blaze is not known. J. R. Gildstrap owns the building, which is a two-story structure, and burned like tinder.

Mr. Johnson has spent an evening or two cept Sunday. Deaves Washington street about north end saloons in an effort to gather information first hand. The meeting will be held at the tabernacle, near the postoffice, St. Johns.

Debate on Liquor Selling-A large number of St. Johns people attended the debate last evening between Mr. Gritch-ley of Portland and George Perine on question of liquor selling in the town. The meeting was extensively advertised as a discussion of the business end of prohibition, but it assumed much of a socialistic debate before its close. The St. Johns Protective association planned the meeting and will hold others as weeks pass.

The United States grand jury which is to investigate the acquisition of more than 100,000 acres of timber land in Baker county by the Oregon Lumber company, and Sumpter Valley Railway company, was sworn in today.

From a panel of about 50 men, the following persons were excused: E. W. Perrish, T. F. Smith, C. W. Mullinger, F. C. Burns, A. J. Deming, William Barr, W. H. Chapin, H. C. Colton, John Gardner, Peter Lund, Donald McKay, E.

Richards and George Gaitherlin. The grand fury began the investiga-tion immediately after it was sworn in. be ready for next winter's visitors. A More than a score of witnesses were in attendance. - All of them were from Baker county, the majority being from Baker City.

In the event that the jury finds the charges strong enough to be carried into court, true bills may be returned against David Eccles, of Ogden, Utah, the best sugar king and multimillionairs lumberman, and other officers of the companies. Mr. Eccles is president and general manager of the Oregon Lumber company.

John Wilson, of the firm of Travis & Wilson, architects, for city building inspector, to succeed Guy E. Dobson. The present salary of the building inspector. \$175 a month, to be raised to \$250.

This is the program said to be under contemplation by Mayor Simon, who has the authority to appoint a man to take the place left vacant by the resignation of Mr. Dobson, who would like to leave the service of the city today if his successor can be selected.

Attention was called to the vacancy in the building inspector's office yesterboard when the resignation of Mr. Dobson was discussed. It was suggested lulu harbor. that the mayor ascertain, by asking a number of architects, for a recommenda-

Although Carder got money from Souther and spent it on joy rides with the Hamburger aunt and niece, I will say for him that he was supposed to be working for Souther. In reality, Souther was working for him, expecting that inheritance to come."

Woman's Attorney Explains. F. E. Melvin, 233 Worcester building, attorney for Mrs. Carder, followed up her statement with a more general one

of explanation. He said: "Carder came here from Chicago about three or four weeks ago. Ho and Souther were acquaintances in Chicago and met here. Souther was in the real estate business in the Henry building. He knew Carder and his folks and knew that they were wealthy, so he proceeded to induce him to put \$10,000 into his real estate business. Incidentally, he discovered from Carder that Carder was expecting money from his aunt's estate in Michigan. He advanced Carder money from time to time, inducing him to stay in Portland until
