

**TRUE SONS OF ERIN
CELEBRATE DAY
WITH SONG, MUSIC**

(Continued from Page One.)

Miss Rose Friedle, Contralto Soloist at St. Patrick's Day Exercises Tonight.

The spirit of the day forced the enormity of the sales. The proceeds promise many comforts and much help for the orphans. Reports from the east side show residents of that region are responding splendidly. In the outlying districts tags are being sold rapidly. Religious and civic meetings mark the day. Social functions will be one of the features of the evening. Many Catholic and Hibernian societies will hold special entertainments.

It was with an entertainment last night at St. Lawrence church that the Hibernians opened the celebration. Burt C. Jones presided over the meeting and acted as master of ceremonies. James Hennessy Murphy was the principal speaker. He took as his subject, "The Impression of St. Patrick on Contemporary History."

Under Auspices of Club.
The program was held under the auspices of the St. Lawrence Catholic club. Hundreds of guests packed the hall.

Mr. Hennessy showed that the impression of a few years ago that St. Patrick was a myth had been dissipated, and that writers and educators now frankly accept the tales of the saint's acts and deeds for good as fact. He spoke for an hour. Thunderous ap-

plause approved his mastery address. Three masses were held at St. Patrick's church, Nineteenth and East Saver streets, this morning. The first was at 8:30 o'clock and the second at 8 o'clock. High solemn mass in memory of St. Patrick was held at 10 o'clock. All Hibernian societies of the city attended. Rev. Dr. Marr of Columbia university delivered a stirring sermon. He is regarded as being one of the greatest pulpit orators of the west.

At the Masonic temple, West Park and Yamhill streets, the principal exercises will be held tonight, under the auspices of the Ancient Order of Hibernians.

Thomas Minahan as Speaker.
Thomas B. Minahan of Seattle, Wash., former president of the American Federation of Catholic societies, will speak. He is a noted orator. The program, which follows, will begin at 8:15 o'clock. Selection of Irish airs, Weinberger's orchestra.

**ST. PATRICK'S DAY
OBSERVED IN GOTHAM**

New York, March 17.—Father Knickerbocker was treated today to the biggest St. Patrick's day parade that has ever been seen on this side of the Atlantic. For nearly four hours Fifth avenue was lined with spectators, while 50,000 men and women whose hearts beat warm with love for the Emerald Isle paraded in honor of the memory of Ireland's patron saint. Never before in the history of New York have the Irish patriotic societies turned out in such force. The demonstration, as in previous years, was under the direction of the Ancient Order of Hibernians. The Sixty-ninth regiment, 1000 strong, led the column. Following came the Hibernian Rifles, the Emmett guards, the Irish volunteers and numerous other uniformed organizations. More than 100 bands appeared in line. At Fifty-fifth street the column was reviewed by Mayor Gaynor, Archbishop Farley and other dignitaries.

**HIBERNIAN ANCESTRY
CLAIMED FOR TAFT
BY CHICAGO EXPERT**

(United Press Leased Wire.)
Chicago, March 17.—The opportunity St. Patrick's day announcement that President Taft is an Irishman was made today by Dr. B. J. Cigrand, member of the Chicago board of education and an expert on heraldry. The Taft family has been identified with all the wars of Ireland, England and America, he declared.
"It is often mentioned by Irish historians as Tafts. The English branch of the family achieved great honor under Queen Elizabeth, but the best known branch was that which hailed from the old sod," said Dr. Cigrand.

**SECOND OPERATION IS
BIG HELP TO SULLIVAN**

Los Angeles, Cal., March 17.—Billy Sullivan, veteran catcher of the Chicago White Sox, is recovering today from the effects of a second operation performed last night at the Elks' home. Sullivan stepped on a rusty nail during practice here last Saturday. Blood poisoning resulted, and the doctors for a time feared he might lose his leg. Although his improvement was satisfactory it was deemed that another operation was necessary.
It was stated today that the athlete probably would be able to join the Sox No. 1 during their stay in Los Angeles. He will be out of the game, however, for some time.

Ban Johnson at Home.

Chicago, March 17.—President Ban Johnson of the American league spent today telling his friends just how the American league players will have to go some to keep the Chicago club from grabbing the pennant this season. President Johnson arrived from the Pacific coast where he was a guest of the old Roman, Comiskey, who is with the White Sox in California.

Busy Days for the Rate Man.

(United Press Leased Wire.)
Olympia, Wash., March 17.—There are 1,861,260 possible rate combinations in the new Seattle-Tacoma interurban passenger tariff. It is up to C. O. Calderhead, the expert of the state railway

commission, to work out these million and a half combinations so that none can be combined or manipulated so as to make a rate between intermediate points out of harmony with the commission's rate order. Which shows that Mr. Calderhead has a large task on his hands. He has gathered up all the mathematical machines in Olympia and has summoned up all the knowledge he crammed into his head in his college days. Under present conditions it is possible to use two, three or four com-

binations to cheat the interurban company. This the company objects to and expects the commission to prevent. As soon as Mr. Calderhead finishes, the commission will order the new tariff into effect.

Other remedies did not even relieve me, but two fifty cent bottles of Foley's Kidney Remedy completely cured me and I have not had any symptoms of kidney trouble for over two years." Foley's Kidney Remedy is a safe and certain remedy for all kidney and bladder diseases, whether acute or chronic. It is a splendid tonic for middle aged and elderly people and a sure cure for all annoyances and irregularities of the kidneys and bladder.
