## LIVE CHICKENS AT 20 CENTS A POUND ON STREET

Reached in Wholesale Market today-Eggs Are Holding Steady.

Price of chickens reached as high a 20c a pound for live birds on Fron street today; smashing to splinters al

previous American records.
Receipts of chickens along the street are very small and for selected chops of hens the price today stands at 200 a pound while mixed coops are a fraction

Every portion of the Pacific north-Every portion of the Pacific north-west is at present being scoured for live chickens and the competition for stock is forcing receivers to ask more than ever before for their arrivals. Eastern dressed chickens are very scarce and this is very helpful to the live chicken market here. Chickens are high everywhere and-present prices here are no higher than the normal advance over other markets.

Egg Market Is Stendy. Steady values are reported in the egg market by local receivers although recelpts continue very liberal and are in-creasing. Demand for eggs everywhere on the coast is keeping values steady with practically no change in prices dur-

the the past few days.

Local consumption is increasing and storage operations are rather light but all interests are preparing to put away some supplies in anticipation of a shortage after the flush of the season has

ln the opinion of Front street men the present price of eggs is at the bottom or within a fraction or two of it. New egg cases are being secured for the formal opening of the season.

#### ONE DRESSED HOG IS SOLD AT HIGH RECORD

One sale of a dressed hog was made One sale of a dressed hog was made on Front street during the past 24 hours at 14r a pound; the highest price ever reached for swine.

## **GET 3 CENT RAISE**

High Cost of Living Justifies Wage Increase.

(United Freez Loused Wire.) Chicago, March 23 .- All members of the Switchmen's Union of America, employed on eight roads with terminals in this city, will be given a wage increase of 3 cents per hour, according to a decision reached by an arbitration board, under the terms of the Erdman act. Towerman and switch tenders in intermediate yards will receive an increase of \$5 per month.

In granting the increase the board held that the cost of living had increased 25 per cent since 1905, and the demands of the switchmen were justiflable. The increase of wages will be computed from February 10, when the demand for arbitration was filed by the unionists.
