

TRIP ON FLOOR UPSET BY CHILD
 Lucille Weeks, of Trail, Two Years Old, Dies of Burns; Sister at Fault.

(United Press Landed Wire.)
 Medford, Or., March 31.—Through the carelessness of an older sister, Lucille, the 2-year-old daughter of Mr. and Mrs. George Weeks of Trail, near the summit of the Cascades, east of this city, was burned to death Sunday night, according to a report reaching here today.
 The parents of the two girls were absent from home when the tragedy occurred. Late in the afternoon the older sister lighted the lamp as she placed it upon the floor. Later, while she was absent, the little one toddled to it and accidentally upset it. Her clothing was a mass of flames before the older sister could render any aid.
 Mr. Weeks is a prominent timber man of southern Oregon.

CENTENARY OF REAR ADMIRAL JAMES ALDEN
 Washington, March 31.—Among naval officers and students of naval affairs and history there were probably few to recall the fact that today marked the centenary of the birth of Rear Admiral James Alden who achieved high distinction during his service of over 45 years in the United States navy. Born in Portland, Me., March 31, 1810, Admiral Alden entered the navy as a midshipman in 1828. Ten years later he was a member of the Wilkes expedition which made a tour of the world. He took part in the naval operations of the war with Mexico and was one of Farragut's most trusted officers at Vicksburg and Mobile. In his long service after the Civil war Admiral Alden served as commandant of the Mare Island navy yard as chief of the bureau of navigation and as commander of the European squadron. His death occurred in San Francisco, Feb. 6, 1877.

This was refused because the company had agreed to take the warrants and their own chances on their payment, as the city had funds.

 We have just taken the agency for two well known makes of pianos—Instruments that have been sold for many years through the central states, but they are not as well known in Portland as other pianos, which have been sold here for years.
 This is one of the reasons why the manufacturers are willing to allow a large amount to be used in advertising their product.
 We also want you to know that we have the exclusive agency for many makes, a few of them are the following: Kranke & Bach, Chickering Bros., Steger & Sons, Cambridge, Strober and many other well known uprights, grands and player pianos.
CONTESTANTS TO SHARE IN OVER \$2000 IN CHECKS PAYABLE TO THE GRAVES MUSIC CO. CHECKS TO APPLY ON NEW PIANOS, AND WILL BE MAILED DIRECT FROM SOME OF THE PIANO MANUFACTURERS WE REPRESENT. THE AMOUNT OF CHECKS TO BE \$125, \$100, \$85, \$75 AND \$50.
ALL PRIZES TO BE GIVEN ABSOLUTELY FREE FOR SOLVING THIS PUZZLE. CAN YOU SOLVE IT?

In this picture are five faces, can you find four of them? Outline each face on this, or a separate piece of paper, and number them 1, 2, 3 and 4. To the nearest correct answer we will give absolutely free the \$500 piano and a piano manufacturer's check for \$125; next nearest correct answer, one fine Morris chair and a piano manufacturer's check for \$125, and the other prizes will be awarded in order of merit.
 Be sure your answer is correct and your name and address plainly written. All contestants will be notified direct from the manufacturers of whom we purchase pianos.
