

MUTT MAKES A LITTLE TEST OF HUMAN NATURE--By "Bud" Fisher

HARD LUCK GAME IS LOST BY STEEN

Pitches Great Ball Against the Hooligans, but Two Hits Beat Him.

Los Angeles, April 9.—Although Bill Steen pitched one of the greatest ball games ever seen here, Vernon was victorious 2 to 1, on two hits. One of them was a home run in the first inning by Martinke, who eluded the sphere over the left field fence. During the game only 20 men made trips to the plate for Vernon, being but two over the regulation 24. This indicates the kind of a game Steen pitched and shows that he deserved to win. Hensling also pitched well but luck broke nicely for him.

ASTORIA MAN GETS FIRST FIGHT SEAT

Peter Grant Brings Ticket No. 4 for Pat Gallagher—Portland Cared For.

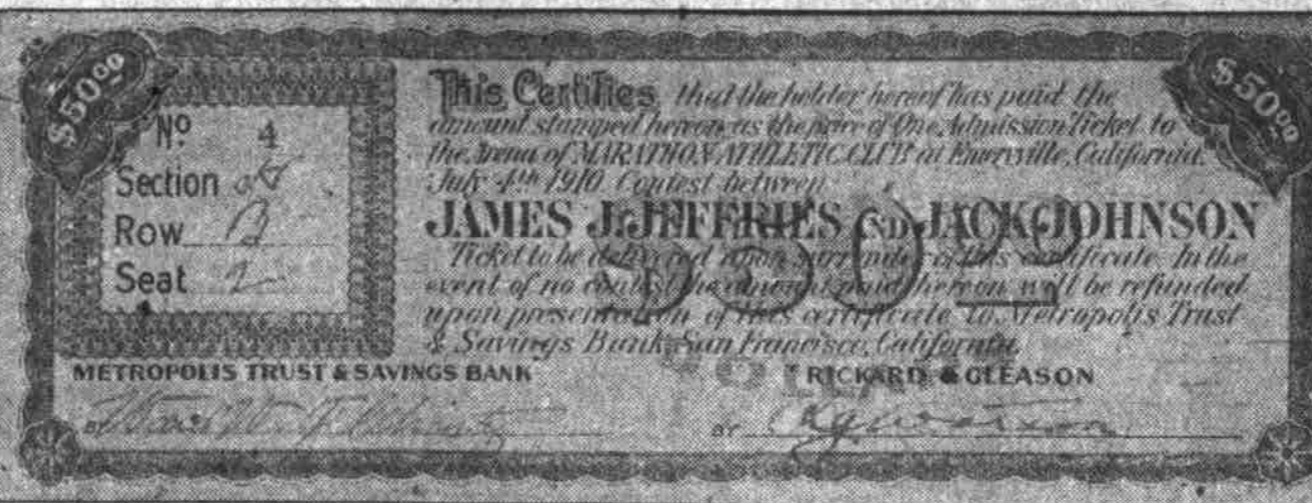

Peter Grant, looking hale and hearty, arrived in town yesterday afternoon from San Francisco, and brought with him the plans and tickets for the championship fight to be held at Emeryville, July 4. Grant carried with him the first ticket to be sold in the northwest, and it was purchased for Patrick Gallagher of Astoria. It was a \$50 ticket and is the fourth ticket sold for the big event. It was on display in Schiller's cigar store all of yesterday afternoon and this morning.

Grant was jubilant over the prospect of witnessing the Jeffries-Johnson battle with the Portland delegation, and said: "I have brought with me to Portland the first seats and plans of the arena that have been sent to the northwest. Mr. Rickard has selected section H for the delegations from the northwest and you can see by the plans that we will be right at the ringside. The first three rows will be reserved for the press and our seats are directly behind the press section. Of the entire north-west, there are only two places where the fans may secure their tickets in advance. These two places are Seattle and Portland.

LONG FEARS HOODOO HANGS OVER THE SEALS

San Francisco, April 9.—"We must have a hoodoo hanging over us," croaned Danny Long this morning when he sued up his crumples. "The season is not two weeks old and I have enough of men hurt to stock up a hospital. In addition to Moller and McCredie being down and out I have nearly with a sore wing. Steward with a lame foot, Mundorf with a sore arm and Vitt with a dinky leg. Henley has also been complaining, but he is better. There is no other club which has been shut to pieces like ours.

CHIMMIE'S COLUMN

The Beavers dropped another game yesterday. Sand your track, Mac, you're sliding. That boy Steen pitched his usual steady game, and allowed the Hooligans only two measly hits. Jim Jeffries did 10 miles on the road yesterday and didn't even turn a hair. He also caught a few trout.

Another week gone by and the Tri-City league opening is postponed. Old Sol ought to jerry and stick around for a few hours each day, so that the grounds will dry up. Frisco received their yesterday. Oakland beat them, 6-2. Ping Bodie souped one over the right field fence. Los Angeles shut out Sacramento, 2-0. Henry Berry bought a new lid on the strength of it.

At told in The Journal a few weeks ago, Peter Maher was about to reenter the roped arena once more. Jack Smith put the crusher on Peter in three rounds. How the mighty has fallen. "Rube Waddell has a fast ball, a good drop and a brite this year. That's more than the big fellow has had for many a day. The report that Jeff had fallen off the water wagon was a joke. What he might have done was to have merely slipped off and fractured his "thrust."

JEFFRIES PUTS IN STRENUOUS HOURS

Rowardennan Training Camp, Ben Lomond, Cal., April 9.—Jim Jeffries began the last day of his first week in training quarters by a program as strenuous as that of some presidents we have known. After an early rise, plunge and breakfast, the challenger hiked to Boulder creek, a mere trifle of nine miles or more, and on the return jaunt finished the last mile at a 5 minute clip. Jeffries' companions, "Farmer" Burns and "Bob" Armstrong, stayed with him, sore as they were from the work for lack of wind, while Jeff was hardly blowing.

EVANS AND O'BRIEN BOX TEN ROUND DRAW

Oregon City, April 9.—Before a crowd of Oregon City fistic fans, a number of classy Portland youngsters pulled off a card of fast boxing bouts in the Armory here last night. The main bout of the program was a 10 round go-between Bobby Evans and Danny O'Brien, both of them handied themselves in a manner that bespeaks a promising ring career for them. Both have a wicked punch, and while O'Brien had a shade the better of his opponent when it came to footwork, Evans clearly showed his facility of skin punishment without flinching or slipping over some jelling punches himself that jagged Danny.

JACK ATKIN WILL BE IN TROUBLE WINNING

There is much talk about the splendid form of Jack Atkin but Atkin will have to face some tough rivals in the sprint races in the east this summer. Among the dangerous contenders is Sir John Johnson, owned by Frank Nolan. Nolan believes that Sir John will be one of the frequent winners in the east. He is built so that he can carry top weight and during the winter has been rested up. Sir John is now in his fourth year. All winter he has been living on little life in a big, roomy stall at Gravesend with plenty of feed. The Nolan colt took the measure of Jack Atkin twice but was once disqualified.

CONLEY AND WEBSTER WILL FIGHT APRIL 30

Los Angeles, Cal., April 9.—Frankie Conley and Danny Webster will settle their differences and incidentally their claims to the bantamweight championship at McCarey's Vernon arena on the afternoon of April 30, according to an announcement by McCarey today. McCarey's diamond belt, won by Conley in his match with Monte Acell, will go to the winner of the mill. Joe Conley, manager of Frankie, stated today that his brother is ready to begin his training at any time. He will come to Los Angeles within the next 10 days and pitch his camp at Doyle's Vernon place. McCarey is waiting for Webster's agreement to the date.
