

MUTT CAN'T OVERCOME THE CURIOSITY OF HIS RACE--By "Bud" Fisher

SEATON LEADS WAY IN SAGS' DOWNFALL

Ivor Olson's Long Hit Scores Three Men in the Ninth Inning.

(Special Dispatch to the Journal.) Sacramento, April 15.—McCredie's brigade hurried themselves into second place in the race yesterday by trimming the Solons for the third straight game with Tom Seaton on the firing line, 5 to 1. Seaton was touched for six safe hits, but they did not come when they could be converted into runs. Briggs' home run over right field fence saved the locals from a whitewash.

Seaton made the first score in the second when he beat a punt, took third on Ort's single to right and came home on La Longa's bad throw to third to catch him napping. McCredie walked in the third and scored on Ryan's two-bagger. Nettel, Ort and Seaton were scored on Olson's long bingle.

COLUMBIA MEET TO BE BEST IN HISTORY

Oregon and O. A. C. in Keen Rivalry Over Events—Both Are Strong.

At 2:30 o'clock tomorrow afternoon in the Columbia university coliseum will begin one of the largest indoor athletic meets ever pulled off in the Pacific northwest. The two principals of the meet are the University of Oregon and O. A. C. teams. The rivalry between these two teams is stronger than ever and the Portland track fans will be given an opportunity to witness the most spirited track meet ever held in the city of Portland.

With the weather conditions favorable a record crowd is expected. Both colleges have a large number of entries and it is quite certain that things will be kept on the move when they meet tomorrow afternoon. Clean competition is also expected in the academic events. Eugene high school has entered a strong team which will no doubt give a good account of itself in these events.

LANGFORD STARTS FOR PHILADELPHIA

Expects to Clean Up Ketchel and Al Kubiak and Then Return to Coast.

(United Press Leased Wire.) Los Angeles, April 15.—Having cleaned Philadelphia to prepare for his six round battle with Stanley Ketchel, scheduled for two aping mitt artists in Los Angeles, Sam Langford will leave for to take place in the Quaker City.

Langford last evening received a telegraphic offer of a match with Al Kubiak of Pittsburgh on May 4. He stated that he probably will accept. The Boston demon showed hardly a scratch after his battle yesterday with Barry; he was Flynn, is being accorded his due of praise for the game struggle he put up. At no time did he appear to have a chance with the black terror, but he fought on manfully, despite rapidly closing eyes, and falling from the first round, but so well did he succeed in keeping the fight "closed" that Langford had little opportunity to land the finishing touch until the 16th round.

CELEBRATE JEFF'S 35TH BIRTHDAY

Big Boilermaker Blue; Wife to Be Operated on at Oakland Today.

Rowardman Training Camp, Ben Lomond, Cal., April 15.—Tall doin' a scheduled to happen among the redwoods today. It is Jim Jeffries' thirty-fifth birthday. At least that is the official figures which Sam Berger, his manager, gave out. Although it is not probable that big Jim will take an active part in the celebration of his natal day, Berger, Armstrong, Farmer Burns and the remainder of his training camp have prepared for a festive time.

The dinner table tonight will be graced by the presence of a great birthday cake, topped off with 35 candles. The fact that a birthday party has been arranged did not interfere with his work today, however. Shortly after the "bright and fair" day dawned the boiler smasher was doing 10 miles over the road at a dog trot. He went at a faster clip today than heretofore. He covered his usual territory to Boulder Creek and return. He was accompanied by Armstrong, Burns and Berger, whose greatest task was to keep Jeffries' mind off his wife, who is to be operated upon at the Merritt hospital Saturday.

SIXTY-EIGHT CARS IN TUESDAY PARADE

Opening Day of Coast League to Eclipse Anything in History.

Sixty-eight automobiles and probably more will take part in the opening day exercises of the Pacific Coast league for Portland next Tuesday, when Portland and Oakland line up for the first week's series of the 1910 championship race at home. Riding in the autos will be many personages prominent in official, business and professional life of Portland.

Arrangements are in the hands of George S. Shepard, vice president and secretary of the club, who will act as president in the absence of Judge McCredie at Washington. Shepard is not ready to give out the scope and route of the parade, but says it will eclipse anything ever pulled off west of the Alleghenies. Judge Graham, president of the league, will be on hand for the opening ceremonies. Brown's band will lead the big parade and will play at the park during the afternoon.

JACK JOHNSON CUTS AUTOING

Stung by Rebukes of Fans on Training Subject and Gets Down to Real Work.

Chicago, April 15.—Jack Johnson showed the first evidence of real training today for his scheduled fight with Jeffries at Emeryville. Stung by the rebukes and the jokes of fight fans on the subject of his "training," the champion suddenly decided to abandon his automobile and to walk occasionally. He rose early today and took a 10 mile run through the South Side parks. Most of the distance he covered at a dog trot. He came in from his hike perspiring and panting.

After breakfast, which, by the way, included two big helpings of pork chops, Johnson boxed with Marty Cutler and George Cotton for more than an hour. He took on Cotton first and the two went at it hammer and tongs. Hardly stopping to take a breath, the big negro started a fast and furious setto with Cutler, who has chased around the ring for 25 minutes.

TRI-CITY OPENING PARADE TOMORROW

Automobiles Will Figure in the Opening Ceremonies of Semi-Pros.

With sunshine remaining over Saturday the Tri-City league will have its belated opening exercises previous to the game between the Dilworth Berbers and the West Side team. A big automobile parade will start the ceremonies. The parade will form on Fourth street, north of Washington and at 12:30 will proceed south on Fourth to Yamhill, whence it will go through the principal streets of the city as outlined in these columns before.

The game will start at 2:30 o'clock, when Councilman Kubli, Concannon, Driscoll and Dunning, assisted by Chief of Police Cox, will start the ball rolling. The line up of the Dilworth Berbers is as follows: Bauer and McDuffy, catchers; Akin, Braake and Van, pitchers; Robinson, short; Irwin, captain and first base; McConeil, second base; McGee or Shafer, third base; Hughes or Townsend, left field; Welch, center; Hargrave, right.

CHIMME'S COLUMN

Another game added to the Beavers' string of "wins." With Stern on the mound this afternoon, we will grab the series. Nothing to it. Tom Seaton had the Senators' "goal" yesterday and won hands down. Tom never pitched better ball in his life.

It was nearly a shutout. Rapps, the candy kid at first base, accepted 15 chances without the semblance of an error. They can't beat that record in any league. Mac has a gem in this chap. The poor Seals are on the downward path. Put on the brakes, Mohler; you're sliding.

Netel didn't fare so well at the third sack. He is chalked with two errors out of two chances. That happens to the best of them. "Silvera" Nelson let the Los Angeles crowd down with a big goose egg, 8-0. The human "tack" has everything this year. Pearl Casey never takes a shower after a game. Why? Because he believes in "dry cleaning." Not steam.
