White Temple Services—At the White Temple Sunday morning, 43 of the prominent laymen of the church will have charge of the services in the interest of the Laymen's Missionary movement. Addresses will be made by A. L. Veasa, W. R. Litsberg, H. W. Stone and others.

Women of Woodcraft—The Women of Woodcraft, Astra Circle, 152, held a big initiation in their hall last Thursday night. The circles from the Vancouver, Milwaukee were present. Twelve candidates were initiated.

Designs to Marry—The school board yesterday afternoon accepted the resignation of Miss Mabel Sherman, teacher of the second grade in Irvington school. The resignation becomes effective at the end of the present month. Miss Sherman is to be married. The board granted a leave of absence to Miss Wuest, superintendent of the art department of the public schools, in order that she may attend the public school art institute to be held at Minneapolis from May 4 to May 27.

Communion Services—The communion of the Mt. Tabor Presbyterian church, Belmont and East Fifty-fifth streets, will be held Sunday, April 17, at 3 p. m. Rev. W. S. Holt, D. D., and Rev. Thomas Holmes Walker will deliver the addresses. Dr. W. H. Boukies, Henry Marquette and other pastors of the city will participate in the exercises.

Auto Stolen—Arthur Carlson, employed by the City Messenger company, was struck by an automobile yesterday afternoon at Second and Columbia streets. R. F. Prall, of Prall, Hegley & Co., was driving the machine. The driver stopped and arranged to pay for all damages and injuries to the lad and his bicycle.

Violated Ordinance—O. Ruedy, automobile license 131 Sixth street, was fined \$50 in the municipal court this morning for violating the traffic ordinance. He was accused of running upon a team belonging to the Electric Carpet Cleaning company, and knocking down one of the horses.

Robbed of \$75.—Benjamin Henshaw, a laborer, reported to the police last night that he was set upon by two men and robbed of \$75. He had been drinking with the men in the Boss saloon, Front and Everett streets, earlier in the night. They could not be found.

For Harbor Service.—Patrolman A. G. Small, member of the first night police relief, has been assigned to duty on the harbor service. He takes up the new work tonight. The place was formerly taken by John Maloney, who has been transferred to the detective bureau, as secretary to Captain Moore.

Burglars Steal Whiskey.—Entrance to the Seven Corners saloon, East Twenty-first and Division streets, was forced last night by burglars. Three boxes of cigars and six bottles of whiskey were stolen. The burglars searched the place for money, but none had been left in the saloon.

Both Legs Broken.—While holding a heavy load, a derrick formerly afternoon at Oak Point, Wash., N. C. Lowe had both legs broken. The wire rope to the hoist broke and struck the man on the legs. He was brought to the Good Samaritan hospital.

Missionary Rally.—There will be a missionary rally at the Swedish M. E. church, Beech and Northwick streets, tomorrow (Sunday) at 3 o'clock p. m. Missionaries will speak, Chinese will sing and the orchestra will play. Everybody invited to attend.

"Acquiring Momentum" will be Dr. Cudlip's subject at Grace Methodist church Sunday evening. Dr. Hollagehead preaches in the morning. Quartet morning and evening. Large male chorus in evening. Pastor, Pastor Wilder, organist and choirmaster.

Thrown From Car.—While alighting from a moving car last night at East Forty-first street and Hawthorne avenue, Rupert Lee, 55 years old, was pitched headlong to the street. His injuries were slight.

Dr. Benjamin Young will preach morning and evening at Taylor street Methodist church, corner Third and Taylor. Morning subject, "Faith as a Factor in Life." Evening topic, "Scare-crows." Welcome to all.

Palmer Wants Divorce.—Suit for divorce on the ground of desertion has been begun in the circuit court by W. E. Palmer against Sarah C. Palmer. They were married in Jerseyville, Ill., in August, 1888.

Mrs. Brown, Kansas Telephone—"Mrs. Brown," who wrote to The Journal concerning information in her possession, is requested to communicate with the city editor by telephone.

LABOR COUNCIL IS AFTER MAYOR

Central Labor Council Indorses Recent Action of East Side Improvement Ass'n.

The Central Labor council, at its meeting last night, fell in behind the East Side Improvement association and voted unanimously to work with the association in a possible recall of the mayor and councilmen who favor the vacation of east side streets for the use and benefit of the O. R. & N.

The East Side Improvement association some time ago held a meeting at which it took a decided stand against the action of the mayor and council in favoring the vacation of east side streets for the use of the O. R. & N. It threatened to start the machinery in motion for a recall of the mayor and those councilmen who voted for the vacation of these streets on the ground that they would be taken for working for the interests of the O. R. & N. and not for the interests of the people and taxpayers of the city who elected them.

At its meeting last night the Central Labor council by a unanimous vote ratified the action of the East Side Improvement association and pledged itself to work with the association on the recall of the mayor and councilmen who voted to vacate the streets desired by the O. R. & N. The resolutions as passed were as follows:

"Whereas, Said meeting was adjourned to meet at the call of the chairman, said meeting to be after the mayor and city council had taken action on said question of vacating said streets, said meeting to be for the purpose of bringing the recall on the mayor and each member of the city council that uses his office for the benefit of the O. R. & N. company, therefore be it

Resolved, By the Central Labor council of Portland and vicinity that we heartily indorse the action of the East Side Improvement association and tender them our hearty support, and be it further

Resolved, That a copy of these resolutions be sent to the mayor and each member of the city council."

SUSPECT THIRD MAN IN JAPANESE CRIME

That S. Murakami, the Japanese killed Wednesday evening at 271 Everett street, came to his death by a gunshot wound inflicted by persons unknown, was the opinion of the coroner at his inquest yesterday afternoon. K. Shuramu, who was also wounded in the fight, is reported improving at the Good Samaritan hospital, and it is now thought he will live.

Three Japanese who have been arrested as witnesses, have been released on bail of \$500 each. Shuramu has stated that two of the men were in the room when the pistol fight took place, and he believes Carpenter and Price are still working on the case and expect to find that a third man was in the shooting.

In Full Bloom! In eastern Multnomah county is situated the cherry orchard of the Webb Sisters, which in many respects is the finest orchard of the kind in the world and just now, when it is in full bloom, it is a sight worth seeing. Every visitor from the east should be shown this remarkable orchard, and as you show it, make this statement: "There are produced as fine cherries as ever grew in the world, and there is the most profitable fruit orchard in the northwest." Then you might go a little farther and show that the cherry bell very limited, compared with the people, pear, peach and plum trees, and the Webb Sisters' orchard is in the very heart of this district. Just beyond the Webb orchard will be found Banner Acres. The same soil, same general conditions, just as good for cherries as the Webb land, and one acre from one acre of the Webb orchard will yield in and year after year for more than five acres of Banner Acres, including clearing, fencing and setting. Only price \$15 to \$125 per acre, makes Banner Acres the cheapest fruit land now offered in the northwest.

THE STRANGER WITHIN OUR GATES

Frank A. Lawrence, Weed, Cal.—It certainly seems good to get away from the almost perpetual winter in the Sielklyous. It seems to me that the snow lays longer down there every year. I think I shall dispose of my lumber interests at Weed and come to the Willamette valley, where the sun shines and the roses bloom in winter time.

D. O. Baker, Fort Collins, Colo.—The sugar beet raisers of northern Colorado have been offered much better prices for their crops for 1910 than ever before and doubtless many hundred more acres will be planted. The people generally are not particularly enthusiastic because nine-tenths of the growers are Russians and they have the faculty of sending their money away and spending as little in this country as possible.

S. A. D. Riggs, Davenport, Iowa.—I made about \$30,000 on less than \$20. My system is simple and it is not copy-righted. I rented a farm, worked it, accumulated a few hundred dollars and bought a farm, paying a little down and giving a mortgage. Soon I was able to sell at a good figure in advance of the purchase price. Then I bought another farm and sold it at a profit and so on. All you have to do is lay aside all sentiment about the "old home place" and let it go when a good price is offered.

SAYS PUBLIC SERVICE COMMISSION NEEDED

An enthusiastic meeting of the Woodstock Improvement club was held last evening in the local hall. Rev. Father Gregory of Brooklyn, a member of the public service commission, addressed the club at length on the purpose of the public service commission. He said that such a commission was absolutely necessary to curb the arrogance and greed of the public service corporations, and compel them to give the proper service to the public. He said that the public service commission, which is now preparing initiative petitions, was under great expense, and that from \$500 to \$800 would have to be raised among public spirited citizens to fight the campaign to a victorious conclusion.

A letter from the public service commission was read, asking for a contribution. On motion of G. A. Johnson, on behalf of the club, the Woodstock Improvement club donated \$10 toward the defraying of the expense of the committee. The only way to successfully treat catarh is by employing a medicine which is absorbed and carried by the blood to all parts of the system, so that the mucous membrane or internal lining of the body is toned up and made capable of resisting the infection of consumption and other diseases. We have a remedy prepared from the prescription of a physician who for thirty years studied and made catarh a specialty, and whose record was a patient restored to health in every case where his treatment was followed as prescribed. That remedy is Rexall Mucuo-Tone. We are so positive that it will completely overcome catarh in all its various forms, whether acute or chronic, that we promise to return every penny paid us for the medicine in every case where it fails or for any reason does not satisfy the user.

We want you to try Rexall Mucuo-Tone on our recommendation and guarantee. We are right here where you live, and you do not contract any obligation or risk when you try Rexall Mucuo-Tone on our guarantee. We have Rexall Mucuo-Tone in two sizes, 50 cents and \$1.00. Very often the taking of one 50-cent bottle is sufficient to make a marked impression upon the case. Of course in chronic cases a longer treatment is necessary. The average in such instances is three \$1.00 bottles. Remember you can obtain Rexall Remedies in Portland only at our store—The Rexall Store, The Owl Drug Co., Inc., cor. 7th and Washington sts.

Sleeping Cars to Tacoma and Seattle. The sleeping car service between Portland and Tacoma and Seattle is one of the specialties of the Oregon Washington railroad. Summer Excursions Low rates to eastern points will be in effect by the Canadian Pacific during the summer season. May 21 will be the first sale date.

FARMERS INDORSE ROADS MOVEMENT

Dr. Smith Gets Strong Support From Institute at Gresham; Discusses Advantages.

Good roads came in for hearty endorsement by the farmers' institute at Gresham yesterday afternoon. The closing number on the program was an address by Dr. A. C. Smith, president of the Oregon Good Roads association. Former Judge Webster had been expected to be the speaker of the day, but other engagements prevented his reaching Gresham in time for the meeting, and Dr. Smith filled the engagement.

Dr. Smith discussed at length the advantages of good highways and showed the many savings to stock and machinery that improved roads always bring. The cost of the improvements is heavy at first, he said, but the annual saving soon pays the entire outlay. The profit on increased values of land is left as a "welcome" dividend.

Horticulture was the subject of a lively discussion, led by I. A. Mason of Hood River. Mr. Mason spoke on the practical side of the problems in fruit growing about this malarial, which, when neglected, pays the way tentimes for consumption, at the cost of millions of lives every year. Yet catarh may be cured, if the right treatment is employed.

Catarh is caused by a general diseased state of the system, which leads commonly to annoying and perhaps serious local conditions, which may prove a fertile breeding ground for germs of consumption. External remedies give but temporary ease.

Millions of Lives Lost An Awful Toll Collected by Consumption. Many Unnecessary Deaths from This Disease.

If people could only understand that systematic catarh is an internal disease that external applications cannot cure, they would not need to be warned so often about this malarial, which, when neglected, pays the way tentimes for consumption, at the cost of millions of lives every year. Yet catarh may be cured, if the right treatment is employed.

a study of horticulture while developing orchards on their farms. Miss Harriet A. Woods, a librarian, came from Chicago to address the Institute this morning. Miss Woods tells in a convincing manner of the needs among farmers for deeper and more thorough reading. She shows clearly how dollars may be gained by using the information gained. Miss Woods is to remain in Oregon for sometime, working among the granges in the interest of permanent library work. This afternoon Prof. E. D. Renner, of the agricultural college, speaks on "Agriculture in the Public Schools." Prof. E. A. Ackerman speaks on "Trends of Educational Thought in Oregon." Prof. R. F. Robinson will lead a discussion relating to the public school work.

This evening the institute will close with a lecture by Dr. James Wythe-combe of the agricultural college on "Some Problems in Agriculture." The lecture will be illustrated by a number of stereopticon views.

DR. N. J. FULTON THE NATUROPATH 434 CLAY STREET EXPLAINS NATUROPATHY For the benefit of those who do not understand the wonderful cures being made in your city, this explanation is given:

In a few words—Naturopathy is the practical application of fundamental nature forces—which are as old as time itself. It comprises the use of the simplest every day principles of nature science. There is nothing new about it; except the Naturopath's discovery of the means to combine these forces and apply them for the benefit of suffering humanity. It is the modern miracle of Naturopathy. If you are interested, Dr. Fulton will gladly explain in detail and will welcome all those who are suffering and have been seeking relief in vain. Dr. Fulton has lived and practiced in Portland for a great many years and his name is a household word in our city. Those who have made weak, wonderful cures that her files are full of thankful testimonials from your own friends and neighbors.

This space does not permit a satisfactory explanation of details, but if you are in need of help, have given up in despair and have done yourself worse with so-called medicine, come and find out what Nature has provided for you. One more word: Do you know that man is the only animal that has neglected the wonderful cures Nature has provided? Only man has so utterly lost those natural instincts that were put in the breasts of every living creature. The Naturopath simply shows him the way!
