Demand Makes Opportunity

The steadily increasing demand for all food products makes it necessary for new countries to be opened up. The demand for every product of the farm was never greater than new the present supply being wholly inadequate.

THE NORTH COAST LAND (O. LTD., OF B. C. OWNS THOUSANDS OF ACRES OF THE BEST FRUIT FARM AND STOCK RAISING LAND IN THE PROVINCE OF BRITISH COLUMBIA.

THE FORT GEORGE DISTRICT at the present time is commanding the attention of the entire world. Thousands of American people are migrating to this great undeveloped country, with its vast areas of untouched resources and its 1600 miles of navigable waterway. There are 12 carloads of farming implements on the way to this country. The open meadows make it possible for the settler to make an excellent profit from its first young crop while his leisure time may be spent in enlarging his fields and clearing away underbrush. The soil, a rich black vegetable doposit is of the finest quality and fertility, being exceptionally rich in natural plant foods and entirely free from sand, gravel, atone and alkali.

Our prices are right and terms easy. All we ask is \$2 per acre cash and balance in five annual payments. Call and see our pictures of the upper country and samples of grain grown within i miles of Fort George.

Opportunity knocks but once, Don't fall to investigate this.
