

BEST NEWS OF WORLD'S MARKETS

INTERESTS AGREE TO SELL AT 10 CENTS ADVANCE

Two Carloads of New Catch Columbia River Chinooks Sold at the Higher Figure—Represents Higher Cost.

It has been practically decided by salmon packers that no regular opening values will be named by them this year. This fully confirms the forecasts made by this paper recently. The catch of salmon, while greater by far than a year ago, is nevertheless smaller than the first days of the season gave promise.

Local Cabbage Is Coming.

Front street trade is saying a glad farewell to California cabbage this season because supplies are now coming from local points and will soon be in shape to take care of all the trade here. California cabbage seldom gives satisfaction in this market and therefore the trade is glad that the better quality will soon be offering freely.

Strawberries Are Firm.

Local strawberry trade was firm this morning and sales were made as high as \$2.25 a crate. The top notch Hood River stock too, but a few crates from Mosier went at \$2.00 because of the excellence of the quality. Willamette valley berries from nearby points are arriving in much better shape than the Hood River stock and just at this time the pack is better.

Heavy Demand for Bananas.

Several cars of bananas were received this morning from Central America via New Orleans. The stock was green, but in good condition. Trade in bananas is increasing here and supplies during recent months have been far under the demand.

Dressed Meats Hold Well.

Dressed meat market shows a very good feeling along front street for best quality, but poor or off grade stuff is hard to sell, even at shaded values.
