OAKLANDERS GRAB 12-INNING AFFAIR

Bill Hogan Again Slams Out Birgler That Scores the Winning Tally.

San Francisco, May 21.—Oakland moved up a notch in the percentage column yesterday by winning a 12 inning victory from Portland by grace of Bill Hogan's two bagger in the last canto.

Here was the way it happened in that last frame: Krapp, who had succeeded Seaton in the ninth, when Spears batted for Tom, was nipped for a single by McCredie. Then Krapp was guilty of a wild pitch. With nobody out, Hogan whanged the ball just back of shortstop, and Wares scored from second by a bit of speedy baserunning.

Seaton held the Oaks helpless until the third inning, when they made four runs on three bingles and a brace of errors by Olson.

U. OF O. WINS OVER O. A. C.

Aggies Outclassed, but Good Meet Is Held—College Records Broken.

(Special Dispatch to The Journal.) University of Oregon, Eugene, May 21.—The varsity track team, by a score of 34 to 33, overwhelmed the O. A. C. yesterday in the dual meet. Oregon took the lead at the start and after a few events it was evident that the Aggies were outclassed. Bergman, the mainstay of the Aggies, was not in form and after winning the hundred in 0:10 1-5 did not come up to expectation. In the high hurdles Hawkins, with Latourette at his heels, made 0:15 2-5, thereby tying the coast record. Riddell ran the mile in 4:35 flat, which is a new college time. Johns broke a college record in the 440 by clipping it off in 0:51 1-5.

After winning the pole vault at 10-5, Captain Williams of Oregon went 15 feet 2-18 inch and established a new college record. Oregon did poorly in the high jump, letting O. A. C. win all three places at 5 feet 6 inches. As O. A. C. objected, the javelin and two mile events were taken off the card.

The events were: 100 yard dash—Bergman (O. A. C.); time, 0:16 1-5. 220 hurdles—Hawkins (O.), Latourette (O.); time, 0:15 2-5. Mile run—Riddell (O.), McClure (O.); time, 4:35. 440 dash—Johns (O.), Elliott (O.), Thompson (O. A. C.); time, 0:51 1-5. 220 hurdles—Latourette (O.), Bergman (O. A. C.), Hawkins (O.); time, 0:20 1-5. 880 run—Shaddock (O. A. C.), McClure (O.), Stricklin (O. A. C.); time, 2:05 4-5. 220 dash—Kay (O.), McDaniel (O.), Bergman (O. A. C.); time, 0:32. Shot put—Kelllogg (O.), Henderson (O.), Enberg (O. A. C.); distance, 39 feet. Pole vault—Williams (O.), Sweeney (O.), Burdick (O. A. C.); height, 12 feet 2-18 inches. High jump—Hawley (O. A. C.), Shattuck (O. A. C.), Nickerson (O. A. C.); height, 5 feet 6 inches. Hammer throw—Kelllogg (O.), Bailey (O.), Enberg (O. A. C.); distance, 123 feet 8-1/2 inches. Broad jump—Bristow (O.), Startzoff (O.), Hawkins (O.); distance, 22 feet 2 inches. Discus—Keck (O. A. C.), Kelllogg (O.), Nell (O.); distance, 121 feet 4 inches.

In the relay, Kay started for Oregon and secured a good lead. This was increased by Johns, Elliott and McClure. The final score was: Oregon 34, O. A. C. 33.

Columbia university baseball team that was defeated 4 to 0 by Jefferson High school. By this victory the pennant goes to Washington High, which has not been defeated.

SPORTS OF ALL SORTS

The most remarkable power boat race ever attempted will start from Philadelphia on May 21, when six or more small racing yachts ranging in length from 50 to 75 feet and driven by powerful gasoline burning engines, are to be sent off on a 1200 mile run to Havana, Cuba.

According to F. J. Wagner, official timer of the American Automobile association, F. E. Musacovic and Jack Prince, who built the Los Angeles motordrome, will duplicate the speedway at Portland, Or. The plan also includes the construction of motordromes at San Francisco and Seattle and to establish a racing circuit to include those four cities.

Some idea of the magnitude of the automobile business can be gained from the following given by a prominent official of one of the rubber companies: "Our company uses each year 1,200,000 yards of fabric. This is 3,000,000 feet. Each yard of fabric is cut into five strips for the manufacture of tires and were this continuous strip nine inches in width, laid in a straight line, it would reach across the continent from Boston to San Francisco, and then down almost to Los Angeles. The total mileage is 3409."

IS THIS REAL STUFF OR PURELY THE BUNK? Boston, May 21.—Stanley Ketchel and his new manager, Wilson Misner, have wagered \$3000 against \$10,000 that Ketchel will knock out Jack "Twin" Sullivan in 12 rounds, and arrangements for the match are being made today. It is believed the fight will take place in Boston early in June. Charley White, of New York, will referee. A Boston banker is said to be backing Sullivan.

MULTNOMAH CLUB AND CATHOLIC TEAMS MIX The Multnomah club baseball team is scheduled to clash with the baseball team of the Catholic Young Men's club this afternoon on the Multnomah field, at 3:30 o'clock. This is the first time these two teams have ever met on the diamond and as rivalry is keen some sport should result from the game. Ed Morris will likely oppose Clark Hodrick on the firing line. Rooting will no doubt be a feature of this game as both teams have a following.

CHIMMIE'S COLUMN. Wow! Wow again! A couple of more wows! When are we going to win a game? It seems like an everyday occurrence to be on the short end of the score.

Speas has been taken out of the game and replaced by Jimmy Smith who failed to do anything with the willow, although he traveled the circuit yesterday and registered a tally for the Beavers. If Smith is anything like himself he will make a big help to the Beavers, but he? He is a southpaw by trade, having pitched for Pinol and some of the other teams around Frisco before playing the field. His bat work made him a valuable man and he was kept in the field.

Vernon (as usual) copped a game. You can't stop "Happy" this year and that looks like the team to beat for the pennant. The White Sox lost another to the Boston Americans yesterday when the latter batted "young Cy" Young all over the lot. Philadelphia won another game yesterday, which makes up for their game the day before. Losing one game out of 15 played isn't the worst record in the world.

District Attorney Charles M. Ficker has replied to the church federation committee regarding his stand on the fight question and states that he will not interfere with the bout, as the articles of agreement comply with the letter of the law. Sam Fitzpatrick gained judgment against Jack Johnson yesterday for \$118. Sam claims the "Smoke" owed him this money for services rendered. Jeffries was quite rude yesterday and

Oakland made four of its runs in the third inning when Olson went up in the air and played the juggling game. Ole usually is steady but that—"nut" sed.

Washington Wins School's Pennant. Jefferson Trims Columbia and Gets Chance for Second Place Trophy. Make way for Washington high school, two times pennant winners of the Portland Intercollegiate League. Washington won no game yesterday. She just sat by and saw Jefferson trounce her most dangerous competitor for the bunting, Columbia university. The youngest school trimmed one of the oldest and the score was 4 to 0. Those slender legged chaps from the Albina section played Flins around the salivars from down the river. Confidence was written all over the faces of the Jeffersonians. They played the ball that wins all the way through.

Jefferson put over three runs in the third inning. McAllen poked out a two-bagger that scored Brady and Arthur and McAllen scooted home on the throw in, a steal and a passed ball. McAllen figured in the last run. He walked, stole second and took third on an infield hit by Murphy. With Morgan at bat, the pair worked the squeeze to perfection and McAllen scored. Three times during the game Columbia had a player on third but couldn't contrive to get him across. Kirk, Columbia's pitcher, fanned eleven men and but four hits were made off him, but they came in the third inning. By winning Jefferson has a chance for second place cup.
