Horticultural Board President
Returns From Trip With
Encouraging News.

W. K. Newell, of Gaston, Or., president of the state board of horticulture, returning yesterday from a week's trip over eastern Oregon, predicted a year of great prosperity for Oregon fruit-growers, with prices ranging good, steady demand and sufficient supply. Mr. Newell said that in all parts of eastern Oregon that he visited, he found promise of a better crop of fruits than ever before in the history of the state. He reported prospects excellent and said the growers everywhere are exceptionally well satisfied with conditions. "We are now marketing," he declared, "the finest strawberry crop in the state's history. Not only is the crop better and larger, but the grade of the fruit is noticeably improved, and the prices are higher. All berry crops will be in excess of those of past years, and prices probably will be higher. "We expect some shortage in the cherry crop, but it will not be so great as to be serious and affect the market perceptibly. Pears, too, will not be as numerous as last year, but there will be no serious shortage. The cold weather of early spring caused them to slightly injure the cherries and pears. "Without question, the apple crop will be the largest in the history of the state, and the products will be much better in quality. I have not yet visited the western and far southern districts, but there is no doubt that the crop will exceed any other crop of former years. Prices will be good, too, I believe. "The prune crop in western Oregon will not be as large as that of last year, but the eastern Oregon crop will be much better. Prices which will be secured for prunes will be excellent, for the reason that the California crop will be extremely small. Oregon probably will be the only state to produce a normal prune crop. "Apple prices will be better than last year. This late storm in the Mississippi valley, and in the far eastern apple growing districts, injured the crops so badly that I doubt if there will be enough of the fruit to supply the demand, although the Oregon crop will be unusually large. Oregon may surprise the world this year with its crop of grapes. So far the vines have done splendidly, and there is now little danger but that Oregon will harvest a surprisingly large quantity of grapes. Many More Orchards. "Amusing to me is the additional acreage devoted to grapes this year. Many growers are enlarging their fields. Most noticeable to me on my trip into eastern Oregon was the rapidity with which the country is being developed. Everywhere new land is being cleared and orchardized, and the farming, if not the growing, is becoming intensified. Modern methods are being everywhere adopted by the fruit-growers, and this is one reason I give for the excellent quality of produce. Pests are scarce and I do not believe it will be necessary to condemn but little fruit this summer and fall. Mr. Newell visited Milton, Or., Friday, during the strawberry festival in that town. He said more than 5000 visitors participated in the celebration, and many excellent addresses were made. Mr. Newell will go to every region of the state, studying the fruit situation and instructing inspectors.

CHILDREN'S DAY TO
BE CELEBRATED TODAY

Children's day will be celebrated today in many Portland churches. The east side churches that have been cooperating in the Hart and Magson revival at Hawthorne park will join in a union service in the tent tabernacle. The primary department of the Highland Congregational church, B. S. Bollinger, pastor, will render a special program. The Hassalo Congregational church, Rev. George Egan Paddock, pastor, will render the cantata, "Hearts of God's Centenary and Sunnyside M. E. churches will combine their Children's day programs with the Hart and Magson revival. The Universalist Church of Good Tidings, Rev. James Dimond Corby, pastor, and the United Evangelical (Packer Green) church, Rev. J. Bowser, pastor, will each give attractive programs. June in Oregon, among the churches, belongs peculiarly to the children. With wreathed roses and ornamental text that decorate the walls of the auditoriums. Each church chooses its own Sunday for observing the children's day, but in nearly every case the observance is held some time during June. A collection is usually taken by the children to aid in carrying the gospel to foreign lands.

MANY FRIENDS ATTEND
FUNERAL OF MRS. AKIN

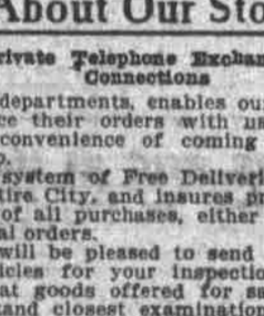

The funeral of Mrs. Frank S. Akin was conducted from her late residence yesterday at 2 o'clock. The many friends of Mr. and Mrs. Akin came in such numbers that every conceivable space in the beautiful new home was occupied and a hundred friends were compelled to remain outside. The service was conducted by Dr. John Henry Cuddeback, pastor of the Grace church, of which Mr. Akin has been 25 years a trustee and Mrs. Akin a charter member. Dr. W. B. Hollingshead, district superintendent of the Methodist church of Portland, offered the invocation and Dr. Benjamin Young of Taylor Street church closed the service with prayer. Mr. and Mrs. L. S. Hamilton sang most effectively, "Saved By Grace," "Jesus, Lover of My Soul," and as a final number, "Asleep in Jesus." Such a profusion of flowers has scarcely been seen in Portland. Mrs. Akin was a pioneer, coming to Oregon in 1852. She had a host of friends in church circles and among the old residents. Fifty floral offerings showed some of the esteem in which she was held. The service at Lone Fir was private, only the family being present, and Dr. Cuddeback's wife, Wilcox of elementary school, was a non-day of Mrs. Akin. Mrs. Akin, concluded the service with the ritual of her church.

Twenty-five years ago the state of Oregon assumed control of the Corvallis college, a denominational school, and rechristened it the Oregon Agricultural college. In the year of the jubilee is the centennial anniversary of the purchase of the college by the state. Thousands of persons will attend the jubilee. Preparations are being made to entertain more than 10,000.
