Afflicted Men Cured by Scientific Treatment

The Best Treatment in the World, the Most Modern Methods, and No Guesswork or Experimenting. No Weak, Diseased, Skeptical or Hopeless Man, it Makes No Difference How Long He Has Treated, Can Doubt My Curing Him If He Will Take Time to Investigate for Himself How I Am Curing Afflicted Men After Other Specialists Fail, and After Some of These Men Had Given Up Hope of Ever Being Cured. I Prove to Every Man That I Can Cure Him and How I Do It Before Asking Him to Take Treatment or Pay Me a Penny.

Why I Cure Afflicted Men After Others Fail

I am not surprised that the majority of men who come to me had not been cured, because they had not received the careful examination given by a skilled specialist who is an expert. Men tell me they never received a scientific examination until they came to my office, and their doctors seemed to be more anxious to get their money than anything else.

You will see when you come to me how different you will be examined. I don't treat men until I learn all about their condition, it makes no difference how long it takes me to find it out. This is why I cure after others fail. When you take treatment from me you get the benefit of my best skill, time and attention necessary to cure you. I don't make a bit of difference on account of your pocketbook. I treat men to cure them and give them treatment that cannot fail. I want every afflicted man to call or write to me at once. This is all I ask them to do to convince them beyond a doubt that I can cure them, make them strong, vigorous, whole, happy, hearty, even if they think they are wrecks. Men who take treatment from me improve from the start and know I can cure them.

Afflicted men, why wait, be skeptical, diseased or weak, or continue to take treatment that is doing you no good, when you can get treatment from me that is certain, that does you good at once and soon effects a cure? Many men have to come to me sooner or later if they are ever cured. Why not let me cure you before losing your money, health and strength in treating with unskilled specialists?

YOU CAN PAY AS ABLE, WHEN BENEFITED, OR WHEN CURED, MY PRICES WITHIN THE REACH OF EVERY MAN

If you suffer from Blood Disease, Urethral Obstruction, Enotted Veins, Swollen Glands, Bores, Vicers, Skin Diseases, Eidney, Bladder or Any Urinary Froubles, Mervous Debility, or Any Men's Disease or Weakness due to excess or any other cause. I can surely ours you—cure you honestly—cure you quickly. Not one cent does it cost you if I don't, Don't delay a single day. Don't west until your life is emirely ruised. Don't worry about payment. Come and talk to me privately about your trouble. I will convince you. I will cure you—or no cost to you.
