TONIGHT'S AMUSEMENTS

Baker. "My Wife" at the Baker. "The Japanese Beggar Boy" at the Baker. "The Japanese Beggar Boy" at the Baker.

Seeks \$5000 Damages.—Falling backward over an embankment last November while working with a construction gang on the Forest Grove division of the Oregon Electric beyond Beaverton, Fred Pappal is now seeking by a case in the circuit court to recover \$5000 damages and \$175 spent for medicine and hospital fees. He fell while helping to put in some heavy timbers. He alleges serious injury of the sciatic nerve, John H. Reverson, Esquire, for Pappal, the company's attorney being Ralph W. Wilbur.

Alumni Association.—The Alumni association of the Christian Brothers Business college will hold a reunion and banquet at the college this evening at 8 o'clock. The election of officers for the ensuing year will take place and members of this year's graduating class will be received in the association. At the commencement exercises Friday evening a gold medal awarded by the Alumni association will be presented to the student holding the highest average in the business department.

Wants \$5000 Damages.—Eight thousand dollars for injury to his arm is demanded by George C. Ewen in a suit filed in the circuit court against the Astoria & Columbia River railroad. Ewen was broken down on a freight train bound for Portland on January 11, and his arm was twisted in the brake wheel when stopping the train at Linnton to pick up a car on a siding. He alleges the wheel was defective and he was permanently injured because of its condition.

Find Lost Boy Again.—A 15-year-old boy by the name of Dean Weller, whose parents live at Buxton, Or., and who has been stopping at 431 Second street, was found last night for the third time in company with a disreputable negro by the name of B. Harris in the north end. The boy has been warned to return home and stay out of the north end.

Lay Double Tracks.—The Portland Railway, Light & Power company will lay double tracks on Thurman street north to Sherlock. Upon the completion of this project the single track on Nineteenth to Sherlock and along Sherlock will be torn up. The change in the routing of the cars will be made to avoid crossing the North Bank railroad tracks.

Horse Breaks Away.—A horse with a saddle was found wandering by Patrolman Nelson at 1 o'clock this morning near East Thirteenth street and Spokane avenue. The officer caught the horse and tied it to a post while he went into a building to telephone to police headquarters. In the meantime the horse broke away and was not recaptured.

Swedish Evangelist Coming.—The noted Swedish evangelist, Rev. Carl P. Ecklund, and his singer, Mr. Eagle, will stop over in Portland on their way to California and hold service at the Swedish Methodist church, corner Bech and Northwile streets, tomorrow evening at 8 o'clock. All are most cordially invited to attend.

Commencement exercises. Christian Brothers Business college, Alumni hall, Friday evening, June 24.—Business class will present the merry musical comedy, "The Doctor's Triumph." Chorus of 50 voices. Vocal and instrumental solos. Gymnastics, class drills. Address by the Most Rev. Archbishop Christie.

Man Is Sent to Jail.—George McKnight, who was arrested for fighting with a woman by the name of Emma Bushnell yesterday evening at West Park and Morrison streets, was given

For An Ideal Homesite

There are no finer homesites adjacent to Portland than in our Banner Acre Tracts. The view from there is one of the finest in the west; there is a good school in the center of the tract; it is reached by the best good roads in the state; it is the best of good soil; has the best of water—in every respect it stands unequaled, superb. And yet the price, on easy terms, is less than most of the inferior acreage, only \$100 to \$150 per acre. Any man with a family wanting to build a home where wife and children can live of the city and yet not in it; where the garden truck can be made to play the living expenses, and in the meantime have a cherry orchard coming on—any such person will find Banner Acres the ideal place. And in 10 years such a home and such a tract will sell for enough to make the settler independent.

Irwin said he took the watch because he feared Linn would lose it otherwise. A wallet that was supposed to have been missing was found in Linn's room in a lodging house in the city where he had been staying for a few days. Irwin was discharged from custody and Linn was fined for contempt of court, having failed to show up at the hour set for trial and was ordered to pay \$5 costs.

Cool Weather Helps Apples.
(Special Dispatch to The Journal.)
Hood River, Or., June 22.—The cool weather in the Hood River valley is aiding the apple crop. Orchardists are propping the trees preparing for the heavy burden of fruit. Apples have never been so large. The box factories are running full crews making boxes to meet the demands. A large number of the growers are increasing their orders for boxes as the season advances. Hood River is expected to market 400,000 boxes of apples this year.

AT THE THEATRES

"My Wife" at the Baker.

All Star Bill at Orpheum.
It is a splendid bill at the Orpheum this week. It offers no end of first class amusement. "Minnie," trained elephant, is one of the most marvelous creatures ever on public exhibition. With a wonderful spirited horse and pony the beast offers a great act. Matinee every day.

Libertati's Band.
Libertati, at the Oaks, had a special audience yesterday afternoon. For several years it has been the custom of the St. Stephen's Sunday school to hold its annual picnic at this popular resort. In accordance with that custom the school was taken by car of the O. W. P. to the park.

People's Amusement Co. Programs.
"Never Again" and "May and December" head the program at the Star today. The Arcade offers, commencing tomorrow, "Our New Minister," "Trip to Brazil" and others. At the Oh Joy

today, "The Japanese Beggar Boy," heads the list. At the Odeon are many excellent pictures.

Girls Galore.

Charles Nichols and Marie Croix.
In one of the most amusing sketches in vaudeville, "An Interrupted Rehearsal," Charles Nichols and Marie Croix are scoring a tremendous hit at Pantages. The sketch is absolutely unique and brims over with merry lines.

Suburban Home Acres

Adjoining the city, close to O. W. P. car line, with water piped to each acre, is a fine investment as well as a beautiful place for a HOME.

We believe in PORTLAND, and we believe that in a short time you will be able to cut this property up into lots and get as much for a lot as we are now asking for acres.

In the meantime you will have your home, where you can have a few chickens and produce your living from the soil, and your salary can be deposited in the bank for a rainy day.

Our automobiles at your disposal any time to look at property.

I believe the happiest man these days is the man with a farm.—THEODORE ROOSEVELT.
A few acres of Central British Columbia farm land properly worked, will make a man independent for life.
\$3.00 PER ACRE
CASH, BALANCE FIVE YEARS.
In British Columbia's greatest farming region, at the junction of four coming railroads, and 1000 miles of navigable waterways—three to eight miles from the coming inland Metropolis.

FORT GEORGE
Opportunity never comes to you, you must take it. Every one has the ability, if they have the push.
The question is, Do you want to be independent? If so, here is your chance.
Irrigation unknown, short winters, warm summers, void of late frosts. Soil consists of brown loam to silts, with a clay subsoil and gravel base; will produce anything that can be grown in the temperate zone. No alkali; well watered, with an average rainfall of 25 to 30 inches annually.
This land is easily prepared for the plow, being covered with a scattering growth of spruce, poplar and willow. Park-like land, wild vetch, peas and bean vines grow in profusion, with wild hay in the meadows.
The railroad reaches Fort George this fall from Edmonton. Call and see photographs of the country and samples of grain grown there.
This is not a speculation, but an opportunity for the man who desires a home in a coming country that will grow beyond all expectations.

DON'T SPEND MONEY FOR DRY CLEANING.
Dry cleaning and vacuum cleaning have been so expensive or complicated as to be beyond reach for practical purposes. They mean the expenditure of dollars, while the daily dust, problem should be reduced to cents.
Dust means daily warfare. The best equipment you or any housewife can have for her daily battle with the germs is a handful of DUSTLESS WAXINE.
DUSTLESS WAXINE will not injure the most delicate carpet or hanging. Contact with it is fatal to disease germs and all insect life. In homes where it is used the return from a vacation trip is not to be dreaded—moths are not to be feared in carpets swept with DUSTLESS WAXINE.
It is being used in more than 50,000 homes, 5000 public institutions and business houses, and for sale in more than 1000 retail stores in the Pacific Northwest.
Insist on DUSTLESS WAXINE and the results will prove its worth. Grocers, Druggists, Hardware Dealers.
