What the Greater Meier & Frank Store Has Planned for the Remaining Six Days of Great Anniversary and Wonder Sales

Further Details and Bargains in Yesterday's Papers—Page and Half Page

Six Days of Busy Selling---Then Comes July 4

Our department buyers—sixteen of them—will start for the eastern markets soon after July 4, and we shall bend every effort to a tremendous reduction of stocks in the six days that remain before Independence Day, and these six days are the closing week of the Anniversary and Wonder Sales. Determined that this sale will be ushered out with bargains that will make it the talk of all Portland for many a month to come, we reduce prices in unheard of fashion. Now is the economist's opportunity. Every one will want new things for the glorious Fourth, and vacation follows right after. Summer needs can be had for a small fraction of their worth in some cases, and all lines show generous reductions. There'll be plenty of clerks to wait upon you this week, and there will be bargains in abundance. Take advantage of this great opportunity and the low prices prevailing.

TEETH

TEETH

A perfect fitting and natural looking set of artificial TEETH must be assembled by an expert in scientific mechanism; this is why THE BOSTON DENTISTS are able to make a set of artificial TEETH that restores the natural facial contour and expression as well as to masticate food with.

TEETH

The proper filling of a tooth requires a knowledge of the minute anatomy of the TEETH, jaws and head as well as the adaptability of filling materials to be used, and antiseptic precautions of further decay after filling. This is why THE BOSTON DENTISTS are able to guarantee their fillings to stay in.

TEETH

Gold and porcelain crowns when properly made restore broken down and badly decayed teeth to their former usefulness and beauty and last a life time. This high class dental work is not experimental but a lasting success when made by a master of the dental science. This is why THE BOSTON DENTISTS advise this class of work where it is required.

TEETH

Gold and porcelain crowns and bridge work made strong and well adapted replaces missing teeth and for cleanliness and utility is the most beneficial and satisfactory work when made by experienced dentists who use the high grade gold and best material. This is why THE BOSTON DENTISTS are able to point with pride to thousands of patrons who are wearing this crown and bridge work with comfort and satisfaction.

TEETH

Should be cared for by reliable dentists who charge for actual work done. This is why THE BOSTON DENTISTS are able to do high class dental work for the low price.
