Youth in Trouble—Clinton Brown, who is only 15 years old, will probably find himself on the way back to Nampa, Ida., to stand trial for an offense he is said to have committed there because he kept a letter from a Nampa friend warning him that the police there were searching for him. Young Brown was arrested last evening by Sergeant Keller and Patrolmen Thurston and Hennessy in a raid on a box car at East First street and East Burnside street. Five others were also found sleeping in the car and arrested on vagrancy charges. The latter was found on Brown when he was searched at the police station and he will be held while the Nampa police are informed of his arrest.

Caledonian Club Celebrates.—Last Saturday evening there was a great gathering of Scotch folks in the Drew hall. The 28th anniversary of the organization of the Portland Caledonian club was celebrated by a concert and dance. A splendid program was rendered by pipers, fiddlers, vocalists and dancers. Everybody was delighted to hear the old Scotch songs, and the martial music of the Highland pipes. To many of the old folks it brought sweet memories of the hills and the heather of Auld Caledonia. Clansman Alexander MacKenzie sang a Gaelic song with feeling and expression which tickled the fancy of Celtic members.

Prisoner Allowed Time. — Frank Wayne, who recently finished a term at McNeil's island penitentiary, for the Sellwood postoffice robbery and is being held for blowing the safe of the First State bank at Gresham in January, 1907, was allowed until July 5 to plead by Judge Morrow in the circuit court yesterday. I. N. Smith, who has taken the place of John F. Logan as Wayne's attorney, asked for more time to plead, but said Wayne would like to be tried at the present term of court. Judge Morrow said this would be impossible because of the state of the docket and the trial will not be reached until September.

Missionary Meeting.—The third quarterly meeting of the Columbia river branch, Woman's Foreign Missionary church will be held in the parlors of Grace church, corner Twelfth and Taylor streets tomorrow (Wednesday) afternoon, beginning at 1:30 o'clock. This meeting will be held under the direction of the young people of the church. An attractive program has been prepared which includes an address by Miss Carrie Holbrook, special music and exercises by the Mt. Tabor Standard Bearers. A cordial invitation is extended to all.

Another Victim—Another man who was eager to get goods worth $8.50 for $1.50 and only received a valueless receipt, has made public his troubles. H. Carroll, a tailor, at 91 Fourth street, reported to the police yesterday that a sauve stranger, naming himself as J. C. Moore, had induced him to give up $1.50 in exchange for the promise of the Saturday Evening Post and the Ladies' Home Journal for a year and a dictionary. Carroll has not received anything in exchange for his money. The police believe others have been defrauded and expect more reports.

Comes to Explain—E. C. McTimmonds, trustee in bankruptcy in the estate of F. L. Price, came all the way from his Polk county home yesterday to appear in the United States court and show why he had failed to render a report of actions as trustee in bankruptcy. The neglect cost Mr. McTimmonds about $25 in court costs and railway fare. He promised to make immediate amends for his negligence and was let off by Judge Wolverton upon payment of the costs accrued in issuing and serving the court order.

Under Advisement.—Judge Bean of the United States district court, has taken under advisement the argument on the demurrer in the case of the Ohio bondholders against the Deschutes Irrigation & Power comptny. The arguments of the attorneys were concluded last night and Judge Bean announced that a decision would not be forthcoming for several days. In case the demurrer is decided adversely to the eastern bondholders, it is believed that an effort will be made to foreclose the mortgage.

Improvement Association.—The East Twenty-fourth street Improvement association will meet tonight in the gymnasium of the Boys' and Girls' Aid society, East Twenty-ninth and East Irving streets, to consider principally the question of widening and extending East Glisan street, making it an 80 foot street through to East Twenty-fourth street. If this is done there will be an uninterrupted boulevard from Grand avenue to Troutdale.

Look for Runaway—The local police are searching for Lloyd Schmaltzer, 20 years old, an inmate of the institution for feeble minded at Salem, who escaped from the place yesterday. Officers of the institution informed the Portland police that he would probably be found here.

Keeps Vicious Dog—Chief Cox ordered a warrant issued for the arrest of Robert Bullock, 1275 Hawthorne avenue, when Patrolman Field reported that Bullock was harboring a vicious dog despite protests from neighbors and a warning from the officer. Field yesterday reported that the latest victim of the dog was Charles Kelley of 1253 East Madison street, who has been confined for several days from an attack. Recently the 11-year-old son of Harry Harrison of East Forty-sixth and East Harrison streets was bitten and several others have been attacked, according to Field's report.

No Fenders for Awhile—The streetcar fender proposition before the city council must wait 30 days for a solution. The question has been referred to the special committee on complaints against the car service, and the chairman, Councilman Lombard, is on his vacation. He expects to be gone 30 days. In the meantime, the cars will be operated without fenders. The question of forcing the Portland Railway, Light & Power company to provide suitable fenders has been discussed for several months, but the council has been unable to get to work on the matter.

Wants Default Set Aside.—Declaring and advantage was taken of him and his client by Frank Motter, attorney for Anthony Moore, George S. Shepherd, who represents Zoda Moore in a suit brought by the husband for divorce, has asked the circuit court to set aside the default of his client. He says he was taken by surprise while he was negotiating to settle the differences of the litigants out of court.

Dispose of Estate.—By the will of Charles Lindegger, filed in the county court today, an estate worth $536 is disposed of. Adolph Lindegger, a brother, receives $1, Mrs. Emma Steiner, a sister, a like sum, Mildred Lindegger, another sister, $5 and all the rest goes to Mrs. Anna Eyman also a sister, who cared for the deceased through a long illness.

Woman Only Legatee.—Laura W. M'Bride, wife of George W. M'Bride, is the only legatee under the will of Charles A. Walter, to $8000 worth of property, as shown by the petition for probate filed in the county court today. The will was made in April, 1907, and gave a life estate of Katherine V. Walter, wife of the deceased, but she died in less than three months afterward.

Want Street Widened.—The widening of East Twenty-sixth street, between Division and Powell streets, will be the chief topic for discussion at a meeting of the Waverly-Richmond Improvement association tonight in Waverly hall, Clinton and East Twenty-sixth streets. This street is considered the most important one in the entire district.

Goldstein Is Plaintiff.—Aaron Goldstein is the plaintiff in a suit for divorce from Sarah Goldstein in the circuit court, he alleging that she has been leading a dissolute life in California cities for the last six months. By a transposition of names in The Journal yesterday it appeared that she was the plaintiff.

W. C. T. U. Meeting.—The W. C. T. U. will hold its usual weekly meeting in room 202, Goodnough building, this afternoon at 2:30. The meeting will be of a social nature.

AT THE THEATRES

Last of the Baker.

Baker theatre, after many years of history making in this city, is at last about to answer to the final curtain. This week the popular stock company is appearing in Rachel Crother's well known play, "The Three of Us," as a farewell attraction.

Clever Pair at Orpheum.

Forbes and Bowman are at the Orpheum this week. To those that have seen the George Cohan shows that is sufficient comment. The act is Cohanesque right through.

Act Beautiful at Pantages.

In poses marked for their superb beauty and magnificence, Brengk's Parisian models are scoring a tremendous hit at Pantages this week. Never before on a vaudeville stage has such an act been presented. The company carries over two tons excess weight.

Grand's Good Program.

This week at the Grand there is a program which is especially attractive to vaudeville patrons. The bill is liberally supplied with singing numbers, the list ranging from grand opera selections to ragtime, with comedy and novelties in between.

"The Two Twins."

The Edwin Armstrong Musical Comedy company is presenting at the Lyric this week a very laughable comedy in "The Two Twins." Dillon and King as the twins are a scream. There are two performances in the evening and a matinee daily.

Moving Pictures.

At the Arcade theatre "The Long Trail," one of the most interesting pictures ever produced, is being exhibited. At the Star "The Marked Time Table" heads the list. At the Odeon is "Forest Rangers," a western picture. At the Oh Joy "The Faith of a Child," and many other splendid pictures are to be seen.

The Oaks.

Liberati and his great concert troupe keep up the excellence of their entertainment at the afternoon and evening performances at the Oaks. Yesterday added another string to their laurels. This is the last week except one of this favorite band.

After more than a year of experimenting mechanical experts of the government bureau of engraving and printing have perfected two paper money printing machines, which are expected to replace 70 now in use in the treasury department.

TALKS on TEETH
BY THE REX DENTAL CO., DENTISTS

WHY NOT GOOD TEETH

If you are going through life with poor teeth or with a makeshift for good teeth in the shape of a partial plate or torturesome bridgework, it's high time for you to reform.

Why do you spoil your looks and health with poor teeth or no teeth? What's the sense of wasting any more time on the "artificial" when we can give you a full set of sound, strong, beautiful, useful teeth, that will be as satisfactory as nature's teeth, and without asking you to fill up your mouth with a big piece of rubber or metal in the shape of a plate? Why will you put up with unsatisfactory dental work, when in everything else you demand the best?

This is straight-from-the-shoulder talk, and we want answers to the questions if you will favor us. We have a right to ask the questions we do, for we have helped thousands of people who were suffering from old fashioned dentistry and are proud of our success, and want to help tens of thousands more.

One can't be healthy who can't chew his food the way nature intended he should.

The Alveolar method of supplying missing teeth without the use of plates or bridgework is not a new method, for we have been doing this work for six years and are the largest concern in the world engaged in the dental business. All that we require is two or more teeth in either jaw, either tight or loose, and with these to start from we can build up a full set of teeth that will defy anyone to tell from your own natural teeth.

Old fashioned partial plates and "Cantilever bridges" between teeth are obsolete. They belong with the tallow candles and the stage coaches of the last century. What you want is REAL teeth and we are ready to supply them—without pain or surgery or any other discomfort.

In many cases where it is impossible to replace missing teeth with bridgework, it can be done perfectly with beautiful lifelike, serviceable Alveolar teeth.

The question narrows itself down to whether or not you are satisfied to get along with partial plates or "bridges," or want to begin to enjoy eating.

If the latter—then will you come and let us tell you what we can do for you?

You don't need to follow our suggestions; neither will you be under any obligations to us of any kind.

We simply can't advise you without SEEING your mouth.

If you can't COME then send for our free book, "Alveolar Dentistry" and read it. We will hear from you after you read that book, because it is worth its weight in gold to anyone who has lost or is about to lose teeth.

Why not send now while its on your mind?

In addition to our specialty of Alveolor Dentistry (Restoring Lost Teeth) and curing Pyorrhea (loose teeth) we are experts in every branch of dental work, viz.: inlays, porcelain, gold and silver fillings, Crown, Plate Work, correcting irregularities, etc., etc. Specialists in each branch of dentistry at your service. There is no disputing the fact that the best in Dentistry is the cheapest. You are caressing danger when you buy cheap dental work. Don't do it.

New Departure
The cost of interments have been greatly reduced by the Holman Undertaking company.

Heretofore it has been the custom of funeral directors to make charges for all incidentals connected with a funeral. The Edward Holman Undertaking company, the leading funeral directors of Portland, have departed from that custom. When casket is furnished by us we make no extra charges for embalming, hearse to cemetery, outside box or any services that may be required of us, except clothing, cemetery and carriages, thus effecting a saving of $35 to $75 on each funeral.
