THESE TWO LONG FOR SINGLE LIFE

Man Says Wife Too Gabby; Woman Avers Demon Rum Causes Trouble.

Louie Sherman did not like his wife to tell him of other admirers and prate of the diamonds the other fellows could buy for her if she said the word. Therefore he comes into the circuit court with a divorce complaint, alleging she harassed him and disturbed his peace of mind by her airy talk. Now and then, he says, her language was far from choice. He wants the court to sever the knot with which he was made captive at St. Paul, Minn., in August, 1906. Elizabeth Schilger complains of John Schilger because, as she alleges, he averages three apnea a week, and has kept up this pace for more than two years. Not only does he spend all his money for booze, she asserts, but he has often spent some of her savings, accumulated by hard work. He is also accused of calling her unkind names and of leaving her without provocation and without means of support on February 2. Mrs. Schilger asks for \$15 per month alimony. She was married in Chehalis, Wash., in June, 1904.

Certificate of Title Talks TO REAL ESTATE SALESMEN No. 8 Briefly What a Certificate of Title Is A CERTIFICATE OF TITLE is the guaranteed opinion of a corps of experienced land lawyers. It is the simplest known form of stating the exact condition of a title, and the best safeguard to be had against loss because of defective title. Its accuracy is guaranteed to the full amount of the value of the property it covers, and that guarantee is secured and protected by all the assets of the company, amounting to more than \$250,000, including a special deposit of \$50,000 in the hands of the State Treasurer. The research upon which it is based, together with the guarantee it contains, are amply sufficient to render title unquestioned. TITLE AND TRUST CO. N. E. Corner Fourth and Oak Sts., Lewis Bldg.
