

VALE DRUGGIST IS CHARGED WITH A SERIOUS OFFENSE

With Bank Clerk Who Is Under Cloud, He Is Charged With Contributing to Delinquency of Minor.

(Special Dispatch to The Journal.)
Vale, Or., July 15.—B. R. Frick, a prominent druggist of this city, was placed in the county jail yesterday after waiving examination on a charge of contributing to the delinquency of a minor. His bond was set at \$2500, but he was unable to secure the money and he will await the September term of the grand jury.

Frick skipped town yesterday, going to Ontario, so strong was the feeling here that he is supposed to have attempted a getaway. Sheriff Odell, however, located him at Welner, Idaho, and brought him back to Vale.

As soon as it was rumored that Frick had left town the United States National bank made an attachment on his store for the sum of \$2825.83. Frick's store was a big money maker, but he had been spending much money and had recently returned from the Jeffries-Johnson fight at Reno.

With him in this escapade was Harold N. Boehmer, who is now in jail and who will be given a hearing too. Boehmer is a bank clerk who was recently found with a shortage of \$200 in his books at the United States National bank of this city. A special bank examiner had him arrested and he was placed under \$5000 bonds until the federal grand jury convenes at Portland in September. Yesterday after this later trouble one of his bondsmen released him and Boehmer was placed in jail. One of the girls is 13 years old and was raised in this city. The other is a newcomer, said to have been married.

HOMEOPATHISTS SELECT NARRAGANSETT PIER, 1911

(United Press Leased Wire.)
Escondido, Cal., July 15.—Narragansett Pier, R. I., will be the scene of the next annual convention of the American Institute of Homeopathy, June 18-25, 1911. It was selected today, over Atlantic City, by the delegates to the 66th annual convention, in session here. An invitation to send representatives to the International Homeopathic conference in London in July, 1911, was read and accepted. The representative will be named at the Narragansett Pier meeting.

Resolutions were adopted calling the attention of the government to the fact that homeopathy is barred in Japan. The resolutions urged the government to approve the institute's efforts to secure the removal of the restriction and to permit the establishment of a homeopathic college in Japan.

RUSTED STOVEPIPE IS CAUSE OF SUIT

A story of a rusted stovepipe is told in a suit filed in the circuit court by the Safety Stove Pipe & Sheet Metal company against Joe H. Dietz and Edward W. Mueller, the latter the proprietors of the Minnesota hotel at Fifth and Flinders streets. The plaintiff company has a store underneath the hotel at 230 Flinders street and alleges the loss of 14,000 pounds of stovepipe sheet metal because of a clogged drain pipe.

It is stated the water began to overflow the second story floors on March 15 and this condition was allowed to grow worse until the water poured through into the shop below and rusted the sheet metal, which was intended for stovepipe. Damages in the sum of \$585 are asked.

There are more than 400 wireless stations on the coasts of the maritime nations.

WOULD ORGANIZE MAYORS OF STATE

Coos Bay Municipal Heads Invite Oregon Mayors to Visit Them Week of Aug. 15.

Marahfield, Or., July 15.—To form a state organization of the mayors of the cities of Oregon is the purpose of Mayor E. E. Straw of Marahfield, who has sent out invitations to the head executives of all of the cities of the state to come to Coos Bay. The week of August 15, when a carnival will be held here, is chosen as the date and Mayor Straw asks the mayors of other cities to come to Coos Bay and be the guests of Marahfield and North Bend and attend the organization. It is believed by Mayor Straw that enough of the other mayors will attend to start the organization. Mayor Simpson of North Bend has joined in the movement. The mayor of Port Worth, Texas, Mr. Highsmith, who is president of the mayor's association of Texas, is in Oregon and has promised to come here and assist in the organization.

Mayor Straw calls attention to the fact that the municipal laws of the cities of Oregon are rather mixed and he believes that by having a state society all of the mayors would be greatly benefited by the exchange of their opinions and ideas on municipal matters.

SCHOOL REPORT SHOWS ADVANCE

Healthy Increases Are Shown for 1910 in Multnomah County Institutions.

(Salem Bureau of The Journal.)
Salem, Or., July 15.—The annual school report for the county of Multnomah received by State Superintendent Ackerman yesterday morning shows the enrollment in the public schools of that county to have been 37,815 this year, as against 36,425 last year. The increase in the number of children between the ages of 4 and 21 was 1166. The census shows there are 38,624 children of school age in Multnomah county this year, as against 38,468 a year ago.

In 1909 there were about 300 more girls of school age in Multnomah than boys, but the census this year shows there are 970 more boys than girls. Last year there were employed 776 teachers in Multnomah, as against 841 this year. There were 1482 children received eighth grade diplomas during the year.

The average monthly salary of the male teachers in Multnomah for the time actually employed is \$140, which is a decrease from last year, when the average was \$141.45. The average salary of female teachers was increased during the year from \$82.45 to \$86.45; 14 school-houses were built during the year.

The total receipts for school purposes in Multnomah last year equaled \$2,552,395.71, and the disbursements \$1,998,538.55.

The receipts for the previous year were \$2,232,767.25, and the disbursements \$1,698,763.81.

MOUNCE TRANSFERS RAILROAD FRANCHISE

(Special Dispatch to The Journal.)
Eugene, Or., July 15.—J. F. Mounce, who recently secured from the Eugene city council a franchise to build a steam railroad over certain streets of the city for a line which he has been promoting from Eugene to the mouth of the Stuslaw river, has transferred and assigned the franchise to Ole Halverson, a farmer residing west of Eugene. No reason is given for this action. Mounce has made a survey for a distance of 10 miles west from Eugene and has secured a part of the right of way for his road.

Dr. Lyon's PERFECT TOOTH POWDER

not only cleanses, preserves and beautifies the teeth without injury, but imparts purity and fragrance to the breath, removing instantly the odor of tobacco.

Hay's Hair Health

positively removes DANDRUFF
By destroying the germ and loosening the small particles from the scalp. Its regular use, followed by occasional shampooing will keep the scalp in a fine, healthy condition and free from all traces of dandruff.

I have used half dozen or more different hair preparations but I find Hay's Hair Health the very best preparation I have ever used for dandruff and faded hair.

Is not a dye.
