

MUTT IS REAL ANGRY BECAUSE HE WAS LEFT OUT OF THE PAPER YESTERDAY—By "Bud" Fisher

FIRST GAME DOWN SOUTH TO FRISCO

Beavers Hit Hard but Bingles Do Not Come at Right Time.

(Special Dispatch to The Journal.) San Francisco, July 27.—Although the Beavers outbatted and outplayed the Seals yesterday, there was no score in sight for the northerners, and they wandered back to their hotel the shortender of a 3 to 0 score. Gregg was wild as the Borneo wonder, but only gave the locals five bingles. Rapps was the terror with the club, copping three hits, including a brace of doubles, during his trips to the plate.

JUDGE GRAHAM IS HOME FROM JUNKET

Coast League President Says He Does Not Favor Double Umpiring.

San Francisco, July 27.—Judge Thomas F. Graham, president of the Pacific Coast league, returned today from his tour of the north, visiting the Portland club and Sacramento while away. Judge Graham intended making a trip over the northwestern league circuit, but as a matter of diplomacy decided not to do so, on the recommendation of Judge W. W. McCredie, the Portland magnate. Judge McCredie thought the northern league magnates should make the first move and call on Judge Graham at Portland. Spokane tried to raise him over the long distance telephone while in Portland but the wire was working badly and the judge was unable to hear what they desired.

CLEVELAND SALE LOOKS CLINGIER

Somers, Friendly to Jones, Purchases Whole Interest in Naps.

Late last summer it was told in these columns that Fielder Jones would like to purchase an interest in the Cleveland American league club, among a number of other clubs that had stock on the market, provided it was made inviting enough. Yesterday Charley Somers purchased all interests of President J. E. Kilfoyle, and as it is known Somers is an ardent admirer of Jones, a dicker between the two seems imminent.

CHIMMIE'S COLUMN

Glide, glide, keep on a gliding slide, slide, keep on a sliding. Oh, you Beavers! Simply can't stay in that first place, somebody must have taken all the sand off the Beavers' tracks, because the brakes won't hold. Billy Rapps was the real battling kid and annexed two "awsockers." Any time this demon starts in, it is hard telling how he is going to finish.

NORTHWEST FIELD DOGS TO RUN HERE

Harrisburg Scene of Big Meeting of Sportsmen First Week in October.

Oregon's splendid sport dog running areas have appealed to the Pacific Northwest Field Trial club, which is composed largely of Seattle, Tacoma, Vancouver and Victoria sportsmen, and their annual field trials will be held in conjunction with that of the Oregon club at Harrisburg, beginning Monday October 3. The northwestern club is coming to Oregon on account of the superiority of the grounds over those of Washington.

held immediately following the runnings of the Northwestern, the first start being made October 8. Most of the dogs will compete in both trials. Mongolian pheasants, English partridges or quail will be used on the dogs. The Derby stakes for all setters and pointers born on or after January 1, 1908, will close August 15.
