HOMESTEADS

Crook and Lake County Homesteads.

Oregon offers the last opportunity to get free government land.

The best land in Oregon is located in this section. Read the annual reports on the production of Crook and Lake counties. Wheat grows in abundance. Ideal for raising livestock. Plenty of water available. No place in the states today does another opportunity exist for the man of small means to secure free government lands. The two rival railroads now building into central Oregon will increase the value of these homesteads thousands of dollars.
