

ANTI-ASSEMBLY CLUB ORGANIZED IN JACKSON CO.

Democrats and Republicans Unite in Protest and in Pledge—Statement No. 1 to Be Upheld at Any Cost.

(Special Dispatch to The Journal.)
Gold Hill, Or., Aug. 12.—The first organized opposition to the assembly scheme in Oregon was developed here Wednesday night when the Gold Hill anti-assembly club was organized at a rousing meeting attended by adherents of several political faiths, Republicans and Democrats predominating. Its purpose is to combat the work of the recent Republican and Democratic assemblies, which its members regard as wolves in sheep's clothing, attempting to circumvent the direct primary and render Statement No. 1 inoperative by getting candidates of both tickets who have not pledged themselves, to abide by it.

The following are the officers of the club: President, Riley Hammersley, Republican; vice president, W. P. Chisholm, Democrat; secretary, Rex H. Lampman, Independent; treasurer, J. B. Hammersley, Republican; executive committee, the president with A. J. Smith and Lon Applegate, Republicans.

Statement of Purpose.
The following statement of purpose was drafted by the secretary and enthusiastically adopted by the club:
"We, qualified electors of the voting precinct of Gold Hill, irrespective of political affiliation, believe in the efficacy of the direct primary and Statement No. 1 for giving the people what they want. We recognize in the recent assemblies, both Republican and Democratic, attempts to circumvent the direct primary and knock out Statement No. 1.

"As such, we condemn all assemblies and urge a repudiation of their work by a defeat of their tickets from top to bottom at the polls of September 5. We will support no assembly candidate of whatever political party, believing that the people of Oregon are competent to select candidates for any and all offices within their gift."
For the Man, Regardless.
President Hammersley in his speech of acceptance, said that while he was a firm believer in the principles of Republicanism, he would not hesitate to vote for a Democrat or a Socialist if he was convinced that he would make a better public servant than his Republican opponent. The assembly he regarded as a vicious attempt to restore the rotten convention system and make the primary merely a ratification of the work of the assembly.

"Get the People Rule."
"Anything to beat Bourne," appears to be the war cry of the assemblyites," declared the speaker, "and they hope to do it by getting men in the legislature who are not pledged to Statement No. 1. It should be part of the purpose of our organization to see that all legislative candidates, of whatever party, are pledged to Statement No. 1, so that, whatever the political complexion of the legislature, the people will get what they want in the matter of election of United States senators. If men can be gotten into the legislature at the next session who are not Statement No. 1 supporters, they will do their best to make good records so that they can be re-elected without the statement pledge and accomplish Bourne's defeat when he comes up for reelection. The people should have whomsoever they want for United States senator, whether Bourne or not, and the only way that they can enforce their wishes is to refuse to vote for all legislative candidates who refuse to subscribe to Statement No. 1."

Clatsop Needs Rain.
Astoria, Aug. 12.—Clatsop county is now experiencing the most dry season ever known, no rain having fallen for nearly six weeks. The grazing land, as well as late crops, is showing the effects of the drought. Unless rain comes soon the dairy industries will certainly suffer. At or near Warrenton, the dykes are being opened for the purpose of irrigation, and extraordinary efforts are being put forth to save the pasture lands.

PHYSICIAN ENTIRELY CURED OF ECZEMA

By the Use of Cuticura Remedies. Prescribes Them and Says They have Cured when Other Formulas Failed. They Always Bring Results.

"My face was afflicted with eczema in the year 1897. I used the Cuticura Remedies and was entirely cured. I am a practicing physician and very often prescribe Cuticura Remedies and Cuticura Soap in cases of eczema, and they have cured where other formulas have failed.
"I am not in the habit of endorsing patent medicines, but when I find remedies possessing true merit, such as the Cuticura Remedies do, I am broad-minded enough to proclaim their virtues to the world. I have been practicing medicine for twenty years, and must say I find your Remedies A No. 1. I still find the Cuticura Remedies as good as ever. They always bring results. G. M. Fisher, M.D., Big Pool, Md., Dec. 4, 1909."

DOCTOR RECOMMENDED THE CUTICURA REMEDIES.

"When I was ten or twelve years old I had a scalp disease, something like scald-head, though I wasn't that. I suffered for several months and most of my hair came out. Finally they had a doctor to see me and he recommended the Cuticura Remedies. They cured me in a few weeks. I have used the Cuticura Remedies, also, for a breaking out on my hands and was benefited a great deal. I haven't had any more trouble with the scalp disease. Miss Jessie F. Buchanan, R. F. D. 3, Hamilton, Ga., Jan. 7, 1909."

Bloodhounds from the penitentiary followed the trail for several miles through the underbrush, but were called back. The timber is thick in the St. Maries district, making an ideal scene for an ambush.

WRITES NOTE TO LOVER; DRINKS CARBOLIC ACID

After Richard Gamble, a teamster, had turned down her pleas to marry her, Mrs. Jeannette Fitzgerald, a chambermaid at the Dawson hotel, 210 1/2 First street, drank carbolic acid about 1 o'clock this morning, but was saved by City Physician Ziegler.
Gamble left the woman about 11 o'clock last night after a quarrel, and she then went to a drug store and bought the carbolic acid. Returning to the hotel, she wrote a note to Gamble, saying: "Dick, goodbye. In a few minutes I will be a corpse, and you are the cause of my death. God help my dear children. I will go to my room now and take my medicine."
Another note addressed to "Whom It May Concern" read: "If you find my body please bury me alongside of my brother, as I loved the dearest boy by the name of Gamble and he threw me down. I have nothing more to live for, and so goodbye forever."

The note written to Gamble was thrown into his room in the hotel by Mrs. Fitzgerald. Gamble heard the door open and close and got up and read the note. He ran to the woman's room and found her unconscious on the bed. Dr. Ziegler was called, and after administering antidotes sent the woman to St. Vincent's hospital in Holman's ambulance, where she is recovering.
Mrs. Fitzgerald was divorced by her husband more than a year ago, and her children were taken from her custody by the court.

FREE ROADS ACROSS UMATILLA RESERVATION

(Special Dispatch to The Journal.)
Pendleton, Or., Aug. 12.—After several years' fight, the stockmen of Umatilla county, assisted by the county court and the business men of this community, have secured free roads across the Umatilla Indian reservation, according to an order just received by Major Swartzlander, the local agent, from the department of Indian affairs at Washington. The order specifies that the roads shall be taken over by the county court, maintained as county roads, and that stockmen shall give bonds not to consume more than a certain length of time in driving their stock across the reservation and to be responsible for any damage inflicted by their stock. As the county court and stockmen have already expressed a willingness to comply with these demands, the roads are assured.

FIRE DESTROYS HOME OF JUNCTION'S MAYOR

(Special Dispatch to The Journal.)

No one seems to know the origin of the fire. The loss is partly covered by insurance. The alarm of fire created almost a panic in the large tent where "Uncle Tom's Cabin" was being played.
