### "Koenig" Underwear for Men Pure Wool and Absolutely Sanitary

We are exclusive Portland agents for this wonderful Stuttgart-Koenig brand form-fitting all-wool Underwear for men. A pre-shrunk Underwear, which evidences the health-preserving, invigorating and tonic properties when worn next to the body. Men whose occupations are sedentary, as well as those who are exposed to sudden changes in temperature, should wear Koenig's Wool Underwear. The wearer is insured against colds and chills, from dampness and climatic extremes by the absorbent heat-generating and heat-retaining properties of pure wool. All this without annoying itching and prickling attendant on the wearing of ordinary woollens, Koenig's Underwear being made only of the softest, fleeciest pure lamb's wool. **EACH GARMENT** is cut, fitted, made and finished in a careful and workmanlike manner. The material is thoroughly pre-shrunk, and sagging is insured against by the fact that nothing but pure wool of the finest grade is used in the manufacture. The natural color fabric is used exclusively—no dyes nor chemical bleaches being employed, which fact alone gives longer life to the garment. It is full fashioned and all seams are felled. **KOENIG UNDERWEAR** is well within the reach of the man of moderate means. It is, in fact, the only underwear he CAN afford, i. e., **THE BEST.** Single and double-breasted shirts and ankle length drawers; prices from

**\$1.50 to \$3 Per Garment**

**Men's Union Suits from \$3 to \$6.50**
