Recognize Assailant—Nearly two months after an attempt had been made to rob him of \$200 in the terminal yards, Ortor Siefert, a laborer, recognized in Seave Uelac the man whom he believes made the attempt and pointed him out to Patrolman Phil Johnson at Second and Burnside streets last night. Uelac was arrested on a vagrancy charge, but this morning Siefert swore out a warrant charging him with highway robbery. At the time Siefert was held up a small amount of money was taken, but before the highwayman found the \$200 Siefert's cries were heard by Harbor Patrolman Lillis and the thief fled as Lillis ran toward the spot.

Debate Tonight—Tonight, at the tabernacle in Hawthorne park, the debate between Colonel E. Hofer of Salem, who will defend the home rule bill, and Dr. Clarence True Wilson, who has just returned from Chicago, and is now field secretary of the Methodist Church Temperance society and advocates prohibition, will be held. Colonel Hofer is a strong advocate of the greater Oregon home rule bill. Dr. Wilson says he will prove it is a copy of the infamous Reddy bill and is in the interest of rum rule. A Most Extraordinary Opportunity A Maker's Delay=A Telegram and a Sale of \$45 Suits for \$24.75

Wednesday morning we received three hundred and twenty-seven suits from one of Fifth Avenue's best makers. These suits were ordered expressly for our opening and should have reached us August 15 for that purpose. Owing to the strike in New York, we purchased them elsewhere, and when these particular suits arrived here last Wednesday we immediately telegraphed our refusal to accept them. Yesterday afternoon they telegraphed us: "Sell the Suits. Make whatever concessions you deem advisable and charge us with the loss."

We have just time to write this announcement before the papers go to press and give you a brief description of the greatest bargains ever offered in this city. In the first place, these are the finest Man-Tailored Suits of the very highest character, made by a maker whose models are world famous for their exquisite lines and distinct character.

They are made of imported mannish mixtures, the world-famous Gilbert worsteds, rich tweeds in coarse weaves now so popular, black and blue serges and broadcloths, in all colors. They are man-tailored throughout. Twenty-seven distinct models. The coats are exquisitely lined with Skinner's guaranteed satin and the finest Peau de Cygne. The skirts are made in both plaited and gored effects, also in the modified hobble or conservative styles. We consider that at \$45 these suits would prove most exceptional values. On sale tomorrow at \$24.75. The maker's loss in this instance will be your gain. The suits go on sale tomorrow morning at 9 o'clock. See Big Window Display.

GRIFFIN'S CURE The Drink and the Drug Habit Permanently Cured. In from 48 to 72 hours—the actual time of giving the remedy subcutaneously (under the skin). In no other way can you reach, antidote and eliminate the accumulated poison in the blood and nerve fluid, which cause and keep up habit or disease. In this way, the remedy goes unchanged (not spoiled by the stomach juices) directly into the blood and to all parts of the system. Giving medicine by the stomach is always very uncertain in any case and especially so in drink and drug disease, where the stomach is so abnormal and perverted. It cannot digest or assimilate food, much less medicine. The proof is the result (The permanent cure). You may talk face to face, by phone or post to many whom I have cured on this matter. Write through the news media, get business notices, advertising. This is to note change of address.
