B. B. Beckman addressed a large audience last night on the subject, "Alexander Hamilton—The Father of the Constitution."

Dates Confirmed—M. J. Lazelle, secretary of the Canby, Or., district fair, is planning to issue a call to managements of the various district fairs throughout Oregon so as to prepare a schedule for next year and thereby avoid conflicting dates.

Daughter Seeking Father—W. H. Foss, 77 years old, left Cottonwood, Cal., for Portland the 7th day of last May. He has not been seen or heard of since. Mrs. R. Duncan of Tacoma, his daughter has come to Portland to continue her five months' unsuccessful quest for her father.

To Discuss Main—Need of immediate change in the method of supplying water to the people of Portland will be the chief theme of discussion at a meeting to be held tonight in the Commercial club to be attended by Mayor Simon, members of the water board and the civic council.

Rev. A. C. York tells what is the matter with the church. At the Christian and Missionary Alliance convention now being held in the gospel tabernacle, corner East Ninth and Clay streets, Mr. York said yesterday that there was only one great thing vitally the matter with the church, that there are too many converted members in it.

For Attorney General—A. W. Crawford, Republican district primary candidate for nomination for the office of attorney general, respectfully requests the voters to examine his record shown in voters' pamphlet for Second congressional district, page 23, and if they approve the same, evidence such approval by their support at the primary election.

To any of my friends who have no particular choice as to candidate for sheriff of Multnomah county, let me say that I am greatly interested in George W. McMillan (No. 93 on the ballot sheet). He is my friend and I will appreciate their votes. Thomas G. Farrell.

Parents' Meeting—The first meeting of the Parent-Teacher association of the Thompson school for the present school year will be held Thursday, September 22, promptly at 8 o'clock. All persons connected with that school or interested in the work are invited to be present.

Sues for Lease—Upon failure of M. U. Howell and Lloyd E. Rogers to turn over a lease on the Phillips hotel, F. W. Tubbs has filed suit against them in the circuit court for \$7500. He

says the two men agreed to give him the lease, and that considerable work of repairing the second and third stories was done by an architect employed by Tubbs. The hotel was to be turned over September 16, but after the repair work was done they refused to allow him to occupy it. The building is on Burnside street, between Fourth and Fifth streets.

"Hazing Day."—Yesterday was the "hazing day" of the medical department of the University of Oregon. The Sophomores captured the Freshmen, and putting above them a printed confession, "We are a bunch of roughneck Freshmen," led the bunch, variously costumed, through the streets to a lion's cage in one of the old Lewis & Clark fair buildings. Here the lion, which belongs to a show, was induced to roar, then the fearing Freshmen were compelled to enter a cage in which they were solemnly assured, the hungry lion awaited them. After various indignities such as painting of the legs and fly paper promenade, had been visited upon the bewildered sufferers, the Sophomores led them all to a banquet.

Stolen Horses Recovered.—Erwin Yeager, a rural mail carrier of Sherwood, Or., saw a team of horses on the street yesterday, which he recognized as a pair which had been stolen from E. G. Hagey of Sherwood. He traced them to the livery of Sullivan & Co., 23 Grand avenue, and then notified the police. Sullivan told Patrolman Pressley and Murphy that he had bought the horses Saturday, paying \$125 for them. Hagey is waiting an opportunity to come to Portland and start a court action to recover his horses.

Runaway Boys Homeless—Emery and Roy Mulvaney, two runaway boys from Hood River, were found at the East Side depot last night by Patrolman J. B. Stram, who was waiting an opportunity to catch a freight train which would take them back home. They confessed to a decided feeling of homesickness and a strong desire to return home, even if the birch rod and not the traditional calf awaited them. They were taken to the city jail and their mother notified. She said she would at once send funds to pay for their return trip.

Long Session of Court—The United States circuit court of appeals adjourned yesterday afternoon after a two days' session, the longest ever held by that tribunal in Portland. A minor damage case occupied the time of the court the latter half of the day. The three judges of the court are William W. Morrow of San Francisco, Erskine M. Ross of Los Angeles and William B. Gilbert of Portland. The first two named left for California last night, accompanied by Deputy Clerk Meredith Sawyer.

A Dividend of 10 per cent on claims filed and approved having been ordered by the United States circuit court of appeals for the district of Oregon, creditors are notified to present their claims, certificates of deposit or other evidence of indebtedness, for payment of the above dividend, at the office of the receiver, corner of Second and Washington streets, Portland, Oregon. R. Howard, Jr., receiver of the Title Guaranty & Trust Co. Portland, Or., September 19, 1910.

\$50 for Stolen Chickens.—A reward of \$50 is offered by R. T. Green, a fancy chicken breeder, of 276 East Eighth street, for the capture of thieves who stole five Rhode Island Red pullets from his coops early Sunday morning. Green made his offer in reporting the theft to the police. He said a neighbor saw two men and a boy with a horse and buggy in the vicinity of his residence at the time of the theft.

Foot Crushed—John Gorham, an attaché of "Buffalo Bill's" show, missed the special train which conveyed performers and equipment to Salem last night, and tried to board a freight train near the steel bridge to follow. He slipped and his left foot was badly mashed under the wheels. He was removed to St. Vincent's hospital, and relatives in Omaha, Neb., notified.

Escaped Prisoner Caught—Frank Booth, an escaped prisoner from The Dalles, was captured last night in a north end rooming house by Police Sergeant Joseph Kinnin. He is held at the city jail until the arrival of Sheriff Christmas of The Dalles. Booth and two other prisoners fought their way out of the county jail there four weeks ago.

There are today more people living in the city of Portland north of Sullivan, Guich and Gilliam street than there were in the entire city when the census was taken in 1900. We make that statement on the very best of authority and every observant individual knows it is true, and it proves that the greatest growth is being made towards and around our Irvington Park property, and where the greatest growth is there will be reaped the largest profits. There is no other place where you can today find a finer homestead than in Irvington Park at anywhere near our prices. Even a casual investigation will convince the most skeptical of this. Rev. Father Mulvihill, Pastor St. Johns Church, Des Moines, Iowa, In the Following Strong Public Letter

ST. JOHN'S CHURCH, Rev. D. F. Mulvihill, Rector, 1915 University Ave., Des Moines, Iowa.

Des Moines, Iowa, May 31st, 1910.

I am in a position to state that the Neal Institute does all that it claims for its patients. I am personally acquainted with three cases (two of whom I thought beyond treatment) that took the treatment and are today a different type of men. It is beyond doubt a saving grace for poor fellows that wish to get rid of the slavish habit, but have not the strength to do it themselves. I can safely recommend the Neal Institute and hope that all who have a desire to rid themselves of a vicious habit will give it a trial.

D. F. MULVIHILL.

The NEAL is an INTERNAL treatment that will CURE the worst case of the LIQUOR HABIT in THREE days, and a guarantee bond and contract is given that if a perfect cure is not effected the treatment will be absolutely FREE. The efficiency of the NEAL treatment is proven by hundreds of letters from the friends and relatives of those who have been cured. The responsibility of the Institute is established by strong bank references.

MANY CASES ARE CURED which cannot be reached by medicine, or other forms of treatment, and many which would otherwise go under the surgeon's knife. Particularly true in diseases of women.
