

POOR OLD MUTT, HE'S STILL IN THE EGG BUSINESS--By "Bud" Fisher

R-R-E-VEGE IS KRAPP'S PORTION

Beaver Sluggers Handle Christian and Nelson Unmercifully for 10 Runs.

It took Gene Krapp a long time to be revenged on the villainous Wolverines but he was satisfied yesterday when the Beavers slaughtered the Oaks, 10 to 1, and Krapp allowed his old humblers but two hits, both of which were garnered by the newcomer, Pfyfl. Had Pfyfl not put the hydraulic to work in the fourth, the Oaks would have been held harmless. Krapp had the memory of nine defeats, every time he started against Oakland, staring him in the face, and opposing him at the start was Tyler Christian, who had won 10 of his last 11 games.

But every time the Beavers had a chance to hit safely they clustered their swats. Two each in the first and second and four each in the fifth and sixth, were the sum total.

Buddy Ryan forecasted the slugging bee in store for Christian and his successor, Mr. Nelson, the wandlike beauty of the transbay burg. Gus Hettling, who has been hitting like a fiend since he returned from Spokane, and who is a regular speed merchant on the bases, finished the clouting in the sixth after he cleared the bases with a three-bagger, in five times up. Pfyfl (pronounce it "feel"), was the only Oak slugger and he crushed it with a double and a four bagger.

As aforementioned, Ryan started the downfall of the Oak gunners. Just as on the previous day he opened with a shot to right. Wares erred on Olson's grounder by making a low throw to Pfyfl, and before the ball was brought back to the diamond, Ryan was on third and Olson at second. Then Krueger smashed one which Wares made an unsuccessful leap for and Ryan was on the rubber, while Olson hauled up at third.

Hettling Reached First. Then Hettling swung on one that went flyward. Pfyfl fielded the ball O. K., but touched Hettling with the wrong hand. The bags groaned. Then Sheehan smashed one at Wolverton, which the latter returned to the plate ahead of Olson. Then Rapps drove one to short, on which Wares made his second error, and Krueger scored. Ort stuffed one toward Pfyfl and Hettling was forced at the plate. Then Murray pitted his waiting ability against Christian's plate-finding accomplishment and the slagger came off second best. This forced the third run in and Krapp's last of the nine men at bat in the opener, closed it by going out. Wolverton to Pfyfl.

With two out in the second, Krueger tripled to center field only to be followed by the first of Hettling's brace of three baggers. Margart corralled Sheehan's skyer and Hettling expired on third.

Oakland's lone ace was played in the fourth, when Pfyfl, first up, hoisted the ball out of the lot via the right field fence.

Krueger Begins Again. Krueger opened the fifth with a single to left, but was forced at second by Hettling. Then Sheehan singled

PORTLAND MAY LOSE IN HETLING GAMES

Secretary Farrell Thinks Portland Has No Right to Use Infielder.

San Francisco, Sept. 30.—There is a very strong probability that three of the Portland Oakland games in which Infielder Hettling has participated—and he has played in all of the present series—will be forfeited to Oakland.

President Graham today received a telegram from Walter McCredie asking if it would be a violation of the rules to allow Pitcher Zackert, recently bought by Portland from Seattle, to play. Graham wired at once that it would not be advisable to permit Zackert to pitch, until he had made a thorough investigation.

Graham's ruling, following so closely upon the interpretation of the rule covering the Hettling case, makes it appear that McCredie is in the wrong and that Wolverton's protest will receive favorable action.

While President Graham will not say that McCredie is in the wrong and that Wolverton's protest will be upheld, guarded statements lead to the belief that he holds with James Farrell, secretary of the National Association of Professional Leagues, that Portland had no right to play Hettling. Farrell's ruling is contained in the following dispatch:

"Hettling has contract with Spokane dated September 2, recorded September 14. Article 26 forbids player helping to win more than one championship for one club in any one season. This section adopted in the interest of sportsmanship."

National Association Rule. Section 3 of article 26 of the agreement of the National Association of Professional Baseball Leagues reads, as follows:

"Players are prohibited from joining any other club for the purpose of participating in championship games after the close of the season of the league to which they are under reservation, under such penalties as the national board of arbitration may inflict."

"Clubs are also prohibited from employing such players in any championship contest under forfeiture of games in which such players participated."

"ONE ROUND" HOGAN FOR CHAMP WOLGAST

San Francisco, Sept. 30.—Promoter James Griffin is trying to arrange a match between Champion Al Wolgast and "One Round" Hogan, of the local whirlwind, for next month. Griffin has received a favorable reply from Wolgast, and Hogan is expected to jump at the chance. Griffin says he will stage the bout in Dreamland Rink for 15 rounds, and possibly for 20.

GOVERNOR TO OPEN THOUSANDS TO SEE VANDERBILT RACE

Famous Auto Event Expected to Be Greatest in Motor History.

(United Press Leased Wire.) Motor Parkway, N. Y., Sept. 30.—The Vanderbilt cup race, the American automobile classic, will be run tomorrow over the parkway and roads of Nassau county with 20 entrants.

The work on the parkway has been finished, and when machines are sent away tomorrow on their speed eating contest, nearly 25 miles of road will have been added to the 20 miles, which was thrown open to the public last June.

The Vanderbilt cup course is 278.5 miles. Each lap is 12.64 miles, and the racers will circle the course 22 times. It is expected that 200,000 spectators will watch the contest.

In addition to the Vanderbilt cup race, there will be the Wheatley Hills sweepstakes over a course of 139.66 miles, and the Massachusetts trophy over 120.64 miles. The entrants for the three events number 21, and the drivers include Livingstone in a Locomotor, Matson, Grant, Harroun, Dingley, Dawson, Chevrolet, Burnham, Diebrow, Roberts and Endicott.

Varsity Is Tight. The varsity team though very light this year, will probably be about the same strength as last. The squad has been out for several days going through signal practice under Coach Sweetland, but no bucking will be done until the game with the alumni.

For several days a crowd of students and carpenters has been at work remodeling the dressing rooms in the gymnasium, repairing the field fence and getting things in readiness for the reception to the alumni team.

The probable line-up for the alumni team will be: Center, Turner; right guards, Boyer and Massey; left guards, Marker and McCain; right tackle, Nelson and Winslow; left tackle, Pollard and Simpson; right end, Hinkle and Fisher; left end, Coleman; quarter back, Bishop (Capt.); right half back, Long and Evans; left half back, Ford and Savage; fullback, Saunders.

In the evening after the game a reception will be tendered by the student body to the alumni in the old Administration building, and to all old students who chance to be in the city.

Bescher Badly Injured.

(United Press Leased Wire.) New York, Sept. 30.—Bob Bescher, Cincinnati's crack outfielder, may be out of the game for the rest of the season. In yesterday's game with the Giants Bescher crushed into the bleachers while chasing a fly and severely injured his wrist. Physicians expressed the belief that it was broken.

Bescher, by his timely hitting and work on the bags, was one of the Red's mainstays this season.
