### FIREPROOF SCHOOL **BUILDINGS NOT COSTLY**

At a meeting of the Mount Tabor Improvement association last night, G. H. Haak, president, who is also president of he Civic council, stated that he had already collected data showing that wooden school buildings in Portland cost as much as fire proof structures The statistics, said Mr. Haak, have

been placed in the hands of the joint committee of the Civic council and the local architecis' club, for investigation. The association went on record last night as favoring the strict enforcement of the penalty provided for delays on the Madison street bridge contract. The members decided that the best way to obtain properly constructed sewers for Mount Tabor district is for property owners to act as their own inspectors.

Heretofore it has been the custom or funeral directors to make charges for all incidentsis connected with a funeral. The Edward Holman Undertaking company, the leading funeral directors of Portland, have departed from that custom. When casket is furnished by us we make no extra charges for embolming, hearse to cemetery, outside box or any services that may be required of us, except clothing, cemetery and carriages thus effecting a saving of 125 to 175 on each funeral.
