

LICENSES TAKEN FROM NORTH END AUCTION HOUSES

City Council Acts on Recommendation of Police That Business of S. Mazurovsky and A. J. Cranwall Be Closed

The license of two notorious north end fake auction houses were revoked yesterday afternoon by the city council. These places were conducted by Samuel Mazurovsky, 342 Burnside street, and A. J. Cranwall, 74 North

WHY SALVES FAIL TO CURE ECZEMA

Scientists are now agreed that the eczema germs are lodged not in the outer skin or epidermis, but in the inner skin. Hence, a penetrating liquid is required, not an outward salve that clogs the pores.

We recommend to all eczema patients the standard prescription Oil of Wintergreen as compounded in liquid form known as D. D. D. Prescription. A trial bottle of this D. D. D. Prescription, at only 25 cents, will instantly relieve the itch. We have sold and recommended this remedy for years, and know of wonderful cures from its use. We recommend it to our patrons. Skidmore Drug Co.

Sixth street. Several complaints have been made to the police by tourists and laboring men about being bunked in these places.

Councilman Driscoll has succeeded in blocking any attempt to revoke them until yesterday. Chief of Police Cox and Captain George H. Bailey, of the first night police relief, appeared before the council and asked that the licenses be withdrawn from the houses. Both police officials stated that they had numerous complaints from men who had lost their money in the places. Captain Bailey said he had received as many as seven complaints in one day from men who had bought fake jewelry at auction in these shops.

Councilman Driscoll sought to argue the matter with the police. When the vote to revoke the licenses was taken Driscoll cast his ballot against such action. Councilman Menefee called from the table an ordinance prepared by Assistant City Attorney Sullivan. It is against "cappers" in auction houses. This ordinance was unanimously passed.

NONPARTISAN JUDICIARY ADVOCATES MUST FIGHT

(Special Dispatch to The Journal.) Olympia, Wash., Oct. 13.—The five nonpartisan judiciary nominees have asked the supreme court for a writ of review of the decision of Judge Gilliam in the King county case refusing the Nonpartisan league a place on the election ticket. Chief Justice Rudkin has set Friday, October 14, as the date of hearing arguments. The nominees are: Burgess, Bellingham; William Hickman Moore, Charles E. Shepard, Seattle; Warren W. Tolman, Spokane; P. M. Troy, Olympia.

TWO NAMES OFF OFFICIAL BALLOT

D. V. S. Reed, Democrat, for State Engineer, and S. S. Spencer, Water Com.

(Salem Bureau of The Journal.)

Salem, Or., Oct. 13.—D. V. S. Reed, Democratic nominee for state engineer, accepted the nomination yesterday, but it arrived too late, as the secretary of state had mailed out the sample ballots to the county clerks. Chief Clerk Corey endeavored to get into communication with Mr. Reed for three days, but failed; also with S. S. Spencer, Democratic nominee for water superintendent of division No. 1, who has not been heard from yet and whose name has also been left off the ballot.

STUDENTS GET OUT BRIGHT SCHOOL PAPER

The gentle art of story telling is flourishing at Jefferson High school. Fortunately it is being directed into the safe channels of the school paper. The Spectrum, the first number of which is just out. There are two stories in the little magazine, both of them anonymous, that are quite good enough to attract the attention from the first and hold it until the last paragraph. "Wreck of a Romance" and "That Fateful Sixteen" are clever, original and entertaining. They not only are better than the ordinary school paper story, but more original than many magazine stories.

However, the stories aren't all there is to The Spectrum. It is a well printed, well gotten up and attractive little magazine that reflects much credit on the students and teachers of the Jefferson High. The jokes are funny—school jokes are always funnier and fresher than the steady jokes of the comics—and the advertising is of a volume and quality that bespeaks success for the publication.

The excellence of the publication is all the more noteworthy when it is remembered that no senior nor junior classes at Jefferson, the school including but the two first year classes. It was a bright member of one of these, according to The Spectrum, who, when his Latin teacher asked him for an English word derived from the classical era, aptly responded "Ego-gee."

They not only are better than the ordinary school paper story, but more original than many magazine stories.

OBJECTS TO DONKEY ENGINE ON HIS LAND

L. F. Floss has filed a suit in the circuit court to restrain Valentine Gebhart's trespassing on land owned by the plaintiff, who charges that Gebhart has installed a donkey engine and is engaged in hauling logs across Floss' land. Floss asks for \$100 damages.

A reorganization of anti-labor elements in Australian politics has been made under the name of the Country party, by the Farmers' and Settlers' association, which is reported to be dominated by big landlords and squatters.

Upset Stomach Causes Dizziness, Biliousness, Nervousness

All Are Quickly and Easily Cured by MI-O-NA Stomach Tablets.

Indigestion causes nervousness, dizziness and biliousness. A disordered stomach causes indigestion, and upset stomach is caused by food only partly digested.

Your run-down, overworked stomach passes the food along without extracting from it enough nourishment to supply the blood and nerves.

If your nerves do not get enough nourishment they usually rebel. They kick up a disturbance, they make you irritable and cranky, you get dizzy on your feet, you worry easily, pass restless and sleepless nights and get up in the morning feeling as tired as when you went to bed.

MI-O-NA cures nervousness, dizziness and headache by removing the cause, by cleaning and renovating the out-of-

order stomach and making it strong enough to properly digest food.

One 50 cent box of MI-O-NA stomach tablets will surely put your stomach in shape.

MI-O-NA is a combination of well known remedies that tone up and put new life and elasticity into the flabby stomach and make it able to perfectly perform its digestive functions.

The first two MI-O-NA tablets you take will make your stomach feel comfortable, two days' treatment will make you feel that your misery is coming to an end; a week's treatment and everything in life looks bright; two weeks' treatment and your old natural energy, hopefulness and ambition will return.

MI-O-NA stomach tablets cost 50 cents a large box at Woodard, Clarke & Co. and druggists everywhere. They are guaranteed to cure and surely will cure indigestion and all diseases arising from out-of-order stomach, or money back. Mail orders filled by Booth's MI-O-NA, Buffalo, N. Y., who will gladly send free trial treatment on request.
