and to try and secure some action from the board. The South Portland people fear that property values will be some action from the board. fear that property values will get so high out their way that the city will be unable to purchase with the funds now available and that the tracts donated to the city will revert through the delay to their original owners.

Back From Printers' Congress.—Frank W. Baltes has returned from attendance upon the second interpational cost con-gress of employing printers, which met for three days in convention assembled in St. Louis on the sixth, seventh and eighth of this month. Mr. Baltes was one of the notable delegates in the conven-tion making an address which attracted much attention, and was the only one featured by the St. Louis newspapers. The St. Louis Globe-Democrat said of Mr. Baltes' offhand talk: "F. W. Baltes was the principal speaker, and so interquiring about cost data."

"Caloric" Fireless Cookstove

You will be amazed at the seemingly impossible, almost unbelievable, things it does. It actually bakes cake, pie, bread, biscuits, etc., and actually roasts meats, chicken, game, etc., without any fire whatever except that supplied by the radiators (heated a few moments over a flame the same as an ordinary flat iron), as well as steams, stews, boils, etc.

You can cook practically everything for the family table, better and more wholesomely, more nutritiously, richer in flavor and at less cost than is possible any other way. You can do so the year round, summer and winter.
