The Bush & Lane Player Piano Is recognized as one of the finest made. It is a strictly up-to-date 88-Note Player. The Piano is built especially adaptable for the Inside Player. The Plate is very heavy and is reinforced, giving the additional strength required for the strain on the back. Our Player and Piano is built to stand the wear and tear of the player mechanism, and you will find its construction far different from any other Player on the market.

Light & Power company. The companies are not engaged in a race down the street, although this is the belief of many who have been watching the two crews make the chips fly in tearing up the asphalt pavement.

tracks, and the United Railways is extending its tracks from Second and Stark to First to form a "Y" in connection with the track of the street car company. The "Y" will permit the United Railways line to turn its cars so that the trains need not be backed out of the city as under existing conditions.

M. by Webber's String Quartette.

THE J. K. GILL CO., THIRD & ALDER Doctor: —we extend a cordial invitation to you to inspect a twentieth century invention of interest to all medical men—an Anti-septic Filing Cabinet. —this Cabinet is something entirely different, and it will be well worth your while to see it. It has been manufactured to meet the requirements of modern Physicians and Surgeons and Dentists, being constructed entirely of Steel and finished in a beautiful White Enamel. —it is of the famous Globe-Wernicke "Sectional" construction, with drawers for valuable instruments; card drawers for records of visits, charges and history, storage, etc. —as this is an invitation, we shall not enter into details here, but will be glad to show you the Cabinet and explain why it was constructed for your fraternity exclusively when you call. —the Cabinet will remain in the display window today and Thursday of this week only, after which you may see it in our Office Furniture Department. —make it a point to call while the matter is fresh in your mind—it is as much to your interest as ours.

Mendota Coal Is a brand name. It is a certain coal. It all comes from the same mine. The ton you buy next time will be the same as the ton you bought last time. That's the reason folks like Mendota. Call A-3887, Marshall 2635, or Order from your dealer to-day
