A full attendance of Ad Men is requested. For reservations at the table communicate with Acting Secretary Hard, Main 921 or A-2199.

Memorial Meeting.—Woodmen of the World hall at 128 Eleventh street has been decorated with Irish flags and shamrocks for the memorial meeting to be held there tonight by Hibernians of Portland in honor of the "Manchester martyrs," Allen, Larkin and O'Brien. The three noted Irishmen were hanged in 1867 for the killing of an English soldier in a successful attempt to rescue two Fenian prisoners. Father Conway will deliver the memorial oration. A program of Irish vocal solos and quartettes will be given.

The lecture is free to all, with a special invitation to the public and high school students.

Take Examinations — Examinations for city fire fighters are being conducted today by the civil service secretary in the city hall. There are 89 applicants. The chief of the fire department has asked for 20 new men. The written tests and physical examinations will be completed this afternoon. The athletic tests will be held Friday. These tests consist of climbing ladders, carrying dummies up ladders, and jumping from a second story window into a net. The latter tests will likely be held at an east side fire station.

Boost for Portland—Commercial organizations in communities outside of Portland all along the Pacific coast, are all boosting for the National Wool Growers' convention to be held here January 4-7. Walla Walla, Seattle, San Francisco, Tacoma and other cities have seconded Portland's invitation to Honorable James Wilson, secretary of agriculture, and Honorable R. A. Ballinger, secretary of the interior, to attend the convention and with all this pressure to bear, it is believed that these two officials will attend.

Blake at the Taylor Street Methodist church this morning. Rev. Mr. Blake told of the lack of thoughtfulness shown by churches who received help from the non-effective ministers and of what he thought should be done for them. Matters of minor detail were also taken up.

Outsiders Make Bid—The first bid on municipal improvement bonds from outside buyers has been received. This is from Koehler & Cummins of Toledo, Ohio. City Auditor Barbur received their bid this morning on the $475,000 issue that is to be offered this afternoon at 2 o'clock for sale. All improvement bonds have been taken up by local buyers heretofore. With the entrance of foreign bidders, it is expected local buyers will be forced to bid higher.

Dramatic Club to Give Play.—The Sacred Heart Dramatic club will stage its first play of this season next Tuesday evening at 8:15 sharp in their hall at Milwaukie and Boise streets. The play will be a three-act drama entitled "The Old New Hampshire Home." The cast is most carefully selected and is being directed by Mr. William Schaefer, formerly with the St. Joseph Dramatic club.

Carriers' Benefit Skate—The Journal carriers will give their benefit skate tonight in the newly renovated rink at the Oaks. This rink is one of the finest in the country, and the carriers expect a record breaking crowd to see the comic and fancy skating and to enjoy the sport on their own account. FORT GEORGE COMMERCIAL CLUB

An organization of Fort George citizens and business men will give authentic information free regarding openings for business and investment in what will be one of the largest Canadian cities.

The registered legal townsite of Fort George adjoins the Indian reservation on the west and faces on the Nechaco river. There is no other logical location for a city in the vicinity; and every railroad chartered to build through Central British Columbia will run through our town because they can't help themselves.

We will have all railroads. Other townsites starting in the vicinity will have none at all because of the topography of the country.

Fort George is the geographical and strategic commercial center of British Columbia and has now 1000 miles of navigable waterways and will have 2000 miles.

Fort George is growing rapidly and by the time the first railroad reaches the place in 1912 will have 5000 population, and in five years 20,000.

Let us send you first hand facts about Fort George.

You can get quick reply by addressing:

Fort George Publicity Bureau, Room 613, 543 Granville St., Vancouver, B. C.

Or if you prefer, address Secretary Commercial Club, Fort George, B. C.

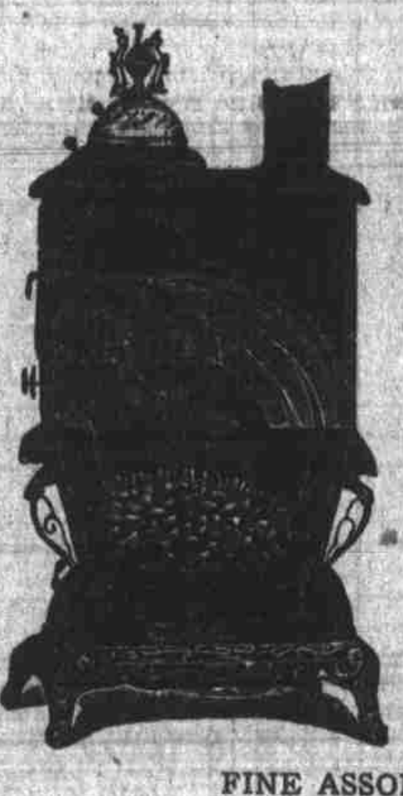
WHAT'S THE USE

Of buying a cheap heater that will burn more fuel than you can buy? Why not buy a heater that has made good in hundreds of homes by cutting down the fuel bill?



Howard

Heaters do all that, and more, too. They hold the heat, burn less fuel, give more heat, burn warm the floor all over. Sit where you please, whether it is near the stove or at the opposite side of the room, your feet will be warm—just as warm as if you were sitting alongside the stove. Burn anything—wood, coal, coke, sawdust or corncobs. Come in and see this wonderful stove. We are always glad to show you.

We will know in a few days just what the population of Portland is to be, the official count—and we will have to base our figures on it for the coming decade. Aside from Mr. Beach, no one in Portland knows just what the figures are to be—perhaps he does not, for the authorities at Washington may have changed their minds—and figures—since he left them a week ago. Well, we all know one thing—Portland is more of a city than many "burgs" counted above the 300,000 mark, and we are growing faster than any of them, with a healthier growth. We have fewer "to let" signs displayed than any city over 100,000 in the country—and the town is getting better every day. Now is the time—there never was so good a time—to buy real estate as now, right now. Come in and let us tell you about the best buy on the market—Irvington Park.

It is not exactly the same thing, but when a man talks hundreds of miles in opposite directions from the same Bell Telephone, it is about as good.
