RING FIELD SHAVEN PUTS OLD RIVAL IN DISCARD

Ralph Colvin Really Responsible for Score That Eliminates Shattuck.

Shaver school last night eliminated Shattuck from the running in the Grammar School football league by defeating them 6 to 0.

It was really Ralph Colvin instead of the Shaver school that won from Shattuck. This player is nearly the whole Shaver team.

In the third quarter of yesterday's game Ginst, the Shattuck quarter, recovered a punt and ran 30 yards for a touchdown, but was called back as the punt had not gone 30 yards.

The lineup follows: Shattuck: Johnson, C. G. Weinstein; McNamara, R. G. Francis; Froehle, L. B. Taylor; Webber, R. T. Graham; Quill, T. T. Royal; Alverly, R. E. Morgan; Sears, E. E. Hiebert; Lairs, Q. G. Ginst; Hopfer, H. H. Derbyshire; Robert Colvin, J. J. Hottel; Ralph Colvin, F. F. Mitchell.

GUY LEE STANDS UP BEFORE WILL RITCHIE

San Francisco, Dec. 10.—Guy Lee, the Portland fighter who made a sensational debut here two weeks ago, will do, is the verdict of fight fans here today, but he tried to advance too rapidly in essaying to beat Willie Ritchie, with whom he clashed last night for the four round lightweight championship of the coast.

Ritchie was given the decision after he had fished Lee pretty hard in the final round. For two rounds Lee had a shade. In the third things were fairly even, but Ritchie completely outclassed the northern boy in the fourth. Ritchie appeared to be the heavier of the two, although the men were supposed to meet at 133 pounds.

The McParland-AtteLL fight is set for December 14, but the club before which it will be held has not yet been selected.

BATTILING NELSON REFUSES TO QUIT

Dilapidated Dane Believes He Is Still Same Old Fighting Machine.

Kansas City, Dec. 10.—Battling Nelson announced emphatically today that he had not the least intention of quitting the fighting game. He does not consider his recent defeat in San Francisco the "final decision."

Nelson was asked point blank why he didn't accede to the demands of the fight-loving public and retire while he retained the friendship and respect of the sporting public.

"Why should I quit?" was his reply. "I'm as good as I ever was. I can get a good rest and get my mind free from worry. I will be all right."

Nelson said he was out of shape when he fought Moran. He attributed his lack of steam to being muscle bound. The Battler is here looking after his interests in the motion pictures of the Nelson-Moran fight. He will attend their exhibition tonight and will act as "lecturer."

Dr. Roller Challenges Hack. (Called From Lesson Wks.) Pittsburg, Dec. 9.—Dr. B. F. Roller, of Seattle, today issued a challenge to George Hackenschmidt, the "Russian Lion" for a finish wrestling match.

CHICAGO COMING; BECKETT CAPTAIN

Washington High School Prepared to Meet Eastern Football Champions.

Coincident with the election of John Beckett as captain of the champion Washington High school eleven for next year, is the announcement that Coach Earl's winners are ready to play the Oak Park high school of Chicago here the last week of December provided the directors of the interscholastic league sanction the game.

There is a general desire on the part of the scholastic players to see Washington meet the easterners and many have volunteered to buck up against the east sides in practice games. In anticipation of the scheduling of the game there has been no letup in practice since Washington defeated Lincoln and clinched the high school title of champion.

Coach Earl Crafty. Coach Virgil Earl has had tremendous success since he began coaching the Washington athletic teams. His football and baseball teams have been winners since he has coached and it is that in no small factor that has contributed to the success of the Washington high. Earl never drives his men, but always talks them into doing their best.

A victory by the Washington high school over the champions of Chicago will be quite a thing in an advertising way for Portland besides establishing the place of Oregon football in the country-wide game. A brief canvass of the records of the athletic department of the city shows that there is a general desire to see a game between Portland and Chicago. It is believed, however, that no financial assistance will be needed beyond a good turnout on the part of the fans.

KELLAHER CAPTAIN OF COLUMBIA TEAM

Members of the Columbia university football squad last night elected William Kellaher, the All-Interscholastic star, to the captaincy of the team for 1911.

Kellaher's work during the season was one of brilliancy. He played quarterback for his team, but made most of the back field yardage by running with the ball from that position.

With Kellaher as captain the Columbia squad next year should make a grand fight for the championship of the interscholastic league. He is well liked by his teammates and other players in the school league.

Walter Barnes of Boston, has gotten up a football score card which may help to keep spectators in closer touch with the game. It contains parallel columns at the top of which are such headings as "whose ball," "player," "gain," "loss," "tackled by," "ball on and," "marks." In the last named of which can be put the nature of the play. Each play can be recorded across the page. To make this scheme practicable one must be able to know each player and the general run of spectators cannot recognize players when they are arrayed in football armor.

MURPHY DENIES PLOT AGAINST TOM LYNCH

Chicago, Dec. 10.—Denials and counter denials are coming thick and fast in the campaign of President Lynch for reelection as head of the National league. Charles W. Murphy of Chicago is the latest magnate to brand as false the statement that Lynch will meet with opposition when the National league directors convene to elect officers and trustees, other annual business. Murphy denied today that he had said he would oppose Lynch's reelection, and predicted that Lynch would be the unanimous choice of the directors.

DALLAS OPENS SEASON BY BEATING PHILOMATH. Dallas, Or., Dec. 10.—Dallas college basketball team opened the season in the local gymnasium last night by defeating the fast team from Philomath by the score of 44 to 14. Dallas took the lead at the start, and the result was not in doubt at any time of the game. The score in the first half was 22 to 6. Dallas was much the lighter team, but their fast passing and accurate basket shooting was too much for Philomath. Gates and Rice did the scoring for Dallas, Gates making 19 points and Rice 17 points. Thornton and Longseth showed up best for Philomath. Regan of Newberg officiated. The lineup: Dallas—Gates, forward; Rice, forward; Smith, center; Shaw, guard; Boydston, guard; Philomath—Wallace, forward; Longseth, forward; Thornton, center; Claybaugh, guard; Berre, guard.

Stop Taking Drugs Nature's Remedy Cures While You Sleep. Bald Heads Not Wanted Baldness Is Too Generally Considered a Sign of Advanced Age. A bald-headed person does not have an equal chance with one blessed with a healthy head of hair, because baldness is too generally accepted as an indication of age. Many large corporations have established an age limit, and refuse to take men over thirty-five years of age as new employees. Almost 65 per cent of bald-headed people may retain a good head of healthy hair if they will follow our advice and accept our offer. We have a remedy that we positively guarantee to grow hair on any head, unless the roots of the hair are entirely dead, their follicles closed and the scalp has become glazed and shiny. We want people to try this remedy at our risk, with the distinct understanding that unless it does exactly what we claim it will and gives satisfaction in every respect, we shall make no charge for the remedy used during the trial. We know exactly what we are talking about, and with this offer back of our statements, no one should scoff, doubt our word or hesitate to put our remedy to an actual test. We want every one suffering from any scalp or hair trouble, dandruff, falling hair or baldness, to try our Rexall Hair Tonic. We want them to use it regularly until three bottles have been used. And if it does not eradicate dandruff, cleanse and refresh the scalp, tighten the hair in its roots, and grow new hair, we will return every cent paid us for the remedy for the mere asking. There is no formally expected and we exact no obligation from the user whatever. We are established right here where you live, and make this offer with a full understanding that our business success entirely depends upon the good of treatment we accord our customers, and we would not dare make the above offer except that we are certain that we can substantiate it in every particular. Rexall Hair Tonic comes in two sizes, 50 cents and \$1.00. Remember you can obtain Rexall Remedies only at The Owl Drug Co., Inc. corner Seventh and Washington streets.

What Others Say "Your Electra-Vita has cured me of a very bad stomach trouble. My wife used the appliance and was cured of rheumatism and female weakness. I must say that the present good health of myself and wife is due to the use of Electra-Vita." "J. P. SILVA, Hayward, Cal." "One week's application of Electra-Vita did more for me than all the drugs I took in 15 years. I used the appliance for stomach trouble and general debility, and have derived the greatest amount of benefit from it." "JAS. DONOHUE, "1618A Howard St., San Francisco."

Drugs Don't Cure "In their zeal to do good, physicians have done much harm; they have hurried to the grave many who would have recovered if left to nature. All our drug medicines are poisons, and as a consequence every dose diminishes the patient's vitality." "DR. ALONZO CLARK," Professor in the New York College of Physicians and Surgeons. "Of all the errors of our blundering world, the most far-reaching has been the blind faith in the curative power of drugs. Drugs do not cure, cannot cure. They can at best merely relieve, and that usually at great cost and injury to the body." "W. R. C. LATSON, M. D."
