Please help the wagon drivers if you will, by taking the small bundles with you when you can conveniently do so, for our employes have their hands very full these days—both they and ourselves will fully appreciate the thoughtfulness. Come and make your selections now. COME EARLY!

Give something this year that will keep memory green in the time to come. Our Christmas stocks were carefully selected with that vital end in view. While the spirit of Christmas shows wherever you go in this helpful holiday store, it is especially strong in the display of substantial and practical gift things which will be treasured for their intrinsic value.
