### Weather Conditions.

Portland, Or., Dec. 13.—The pressure has decreased slightly along the Pacific coast and considerably over the upper Mississippi valley. A large high pressure field of relatively cold air overlies the central portion of the country, freezing temperatures being experienced east of the Rocky mountains and north of a line drawn from southern Colorado to North Carolina. East of the Mississippi river temperatures are 6 degrees to 20 degrees below the normal. Precipitation in the last 24 hours has been light and local in character, very little having occurred on the North Pacific coast, while that in the northeastern part of the country occurred in the form of snow. Conditions are favorable for generally fair weather tonight and Wednesday throughout this district, except occasional rain along the coast. Winds will be southeasterly becoming brisk along the coast.

THEODORE F. DRAKE, Observer.

**Talk on Birds**—William L. Finley, Portland's bird expert, will give an address in the Young Men's Christian Association, Thursday night at 8 o'clock, under the auspices of the Mount Hood Hikers' club. His subject will be "Our Local Birds." The Mount Hood Hikers' club is made up of members of the Y. M. C. A. who last summer climbed Oregon's great snow peak. Since making that trip the club has been organized and several addresses delivered under its auspices. The lecture Thursday night will be open to the public and no admission will be charged.

**Y. M. C. A. Meeting**—"Members' night" will be observed at the Portland Young Men's Christian Association tonight. An elaborate program has been prepared for the benefit of members and accompanying ladies. Josa Madelon Quinn, a juvenile reader, will be one of the attractions, while Mrs. Frances King Headlee will give an address on Yosemite Park. There will also be vocal solos and music by the Y. M. C. A. orchestra. Water polo and other sports will be featured in the swimming tank, while there will be games and exhibitions in the gymnasium.

**Mission at St. Mark's**—The mission being held by the Fathers of the Holy Cross at St. Mark's church, Twenty-first and Marshall streets, is growing steadily in interest and will be continued over next Sunday. Mission service is held daily at 8 p. m. and on Sunday at 7:30 p. m.; children's mission daily at 4:15 p. m. and Sunday at 3 p. m. The children's mission is so interesting that it attracts many adults every day.

**Christian Science Lecture**—The semi-annual lecture on Christian Science, provided by the local churches of the denomination, will be delivered by Clarence C. Eaton, C. S. B., of Tacoma, next Sunday at 3 and 8 p. m., at Masonic Temple, West Park and Yamhill streets. Mr. Eaton is a member of the board of lectureship of the First Church of Christ, Scientists of Boston. The lecture is free, and no collection will be taken.

**Sellwood Club to Meet**—A special meeting of the Sellwood Improvement club will be held this evening for the purpose of discussing a number of important matters. Among them will be the widening of Thirteenth street, and the enlargement of the playgrounds around Sellwood school.

**Dog Tears Child's Ear**—A fine of $50 was imposed upon C. W. Demler, 1031 East Caruthers street, this morning in the municipal court for keeping a vicious dog. Mrs. E. Burdick, 536 East Thirty-sixth street, made the complaint. She said her 4-year-old son went into the rear yard of the Demlar family, and the dog made a savage attack upon him. The right ear was partly torn from the boy's head. The owner of the dog testified that the animal was not allowed to run at large, and had never given any trouble. An appeal was taken to the circuit court in the case.

**To Extend Street**—The extension of Larrabee street south to the east approach of the new railroad bridge and the building of a viaduct in order to give Holladay avenue traffic access to the bridge is to be taken up by the Steel Bridge Push club. The city will be asked to make this improvement as a matter of simple justice to the property holders on Holladay avenue and adjacent thoroughfares. Owners of property in the immediate vicinity of the east approach to the old Steel bridge feel that since they have invested a large amount of money in improving their properties they are entitled to direct access to the new bridge. This subject will come before the push club at an early meeting and it is expected that the matter will be brought to the attention of the city council early in January.

**Sues National Bank**—Because the United States National bank stopped payment on the wrong check and paid a much larger one, M. Goldblatt has begun suit in the circuit court for the return of $630.65, by which amount his deposit was decreased. He says he notified the bank to stop payment of a check to C. M. Glimes, giving the amount and the name of the payee. He was not certain about the number, he says, and was told to put down one of the numbers, which he did. He wrote in the wrong number, but says he impressed upon the bank officials that he was uncertain about it. The bank stopped payment on the check designated by number, for $35, and paid the one he really wanted stopped, amounting to $630.65.

**Caught in Gambling Raid.**—Eleven Chinese gamblers were caught last evening in a raid on a notorious gambling den at 92 Second street. They pleaded guilty this morning in the municipal court. The fines aggregated $185. Games are still running day and night in Chinatown, as well as Chinese lotteries. Patrolmen Martine and Shaffer have been assigned to the task of handling them. In the raid last night gambling paraphernalia and $165 were found on the table. Jew Bow, one of the old-time professional gamblers, was in charge of the game. He was fined $35. Others charged with visiting a gambling house were each fined $15.

**Milk Is Very Dirty.**—A warrant was issued this morning for the arrest of the proprietor of the Elgin creamery on East Burnside street. E. D. Smith, city milk chemist, signed the complaint against the creameryman. Several complaints have been made the past week about the milk from this creamery being dirty. Smith made an inspection of the place and took two samples. He found the milk to be very dirty, and further instructed the proprietor to be more careful in handling the product. The case will be heard Wednesday morning in the municipal court.

**No Money to Settle Bill**—A man giving the name of Fred E. Boxer was arrested yesterday afternoon for failing to pay his taxicab bill. The machine was engaged for two hours. When it came time to settle the bill Boxer could only find 25 cents in his pocket. He readily wrote a check on the First National bank. Officials of the bank stated they had nothing to his credit. Patrolman Humphreys took Boxer to the police station. He was charged in the municipal court with being drunk and disorderly.

**Roomer Starts Fire.**—A man dressed like a logger rented a room last evening at the New Philadelphia hotel, First and Madison streets, and attempted to set fire to the place shortly after midnight. He piled the bed clothes in a bundle on the bed and applied a match. The proprietor saw smoke pouring from the door, but was able to put out the fire before it gained headway. The logger was seen to leave the room a short time before the fire was discovered. A quilt stolen from another room a few evenings before was found in the room.

**Administrators Start Suit.**—Charles H. Lohkamp and Theodore Lohkamp, administrators of the estate of Caroline Lohkamp, have begun suit in the circuit court against W. H. Lohkamp for $700 alleged to have been loaned by the deceased to the defendants in 1908 and 1909. The loan was to be repaid in a reasonable time, it is alleged, with interest.

**New Yorkers to Meet**—The New York State Society of Oregon will hold their regular monthly meeting this evening in the parlors of the Glendora hotel, Nineteenth street, between Washington and Couch. A short entertaining program will be rendered and light refreshments served. A cordial welcome is extended to all New York people, either visitors or residents of the city or state.

**Sunnyside Club to Meet**—A regular meeting of the Sunnyside Push club will be held at the office of Dr. J. A. Pettit, corner East Thirty-fourth and Belmont streets, tomorrow evening at 8 o'clock. The question of purchase by the school board of the balance of the Sunnyside school block and other matters of general interest will be discussed.

**Multnomah Bar Meeting**—At the court house tomorrow night the Multnomah Bar association will discuss the question of increasing the number of circuit judges from five to seven. If the opinion of the bar is strongly in favor of the increase, it is expected a committee will be named to prepare a bill for passage by the next legislature.

**Special Meeting**—There will be a special meeting at the Christian and Missionary tabernacle, East Ninth and Clay streets, tonight. Mrs. Marie Patch and daughter, evangelists from Washington, who are on their way to California, will speak and sing.

**Will Discuss Labor**—Central W. C. T. U. will consider the labor question at its regular meeting on Wednesday afternoon at W. C. T. U. headquarters. Miss Caroline Burns will be leader.

**Tried to Whip Policeman**—Fred Loth, a bookkeeper, was fined $50 this morning in the municipal court for attempting to whip a policeman. Late Saturday night, Sergeant Kienlen saw Loth arguing with a stranger at Park and Morrison streets. The officer asked him to desist, the fight followed. Loth said he did not know Sergeant Kienlen was an officer.

## OFFER SUGGESTIONS FOR SHIPPING GIFTS

Prompt delivery of Christmas gifts by express will be greatly assisted by compliance with the following suggestions made by the companies to shippers:

First—Ship your package early—by the 15th of December if possible. The express company will give you a small label to paste on the package reading "Do not open until Christmas." This will give opportunity for the package to reach its destination before Christmas and give the additional pleasure to the recipient of the gift of having it on Christmas morning.

Second—Use wooden boxes for packing, especially for glass and other fragile articles, which should be well protected. It may cost a few cents more, but the danger of damage will be very much reduced, and you should do your part to make the transportation of your gift safe.

Third—Write the address in full—state, county, city, street and number—on the box or package, with ink or crayon. Tags are frequently torn off and lost.

Fourth—If you want to prepay the charges, write the word "Paid" in large, plain letters on the package.

Fifth—Insist upon a receipt and see that the amount paid and the value is marked on the receipt and on the package.

Sixth—Write your own address in full somewhere on the package, following the prefix "From..............."

Seventh—Enclose a card in each box or package reading:

From ...........................................
...........................................
(Your address.)
To ...........................................
...........................................
(Consignee's address.)

This in order that, should the outer markings be destroyed, the inner mark will insure prompt forwarding and delivery.

Eighth—If not convenient to ship in wooden boxes, use strong wrapping paper (not newspapers) and tie with strong cord.

Ninth—If package contains anything of perishable nature, write the word "Perishable" in large plain letters on the box or package, which will call for special attention and delivery.

## CAPITALIST BUYS LOT FOR $55,000

Several important real estate and new construction announcements made yesterday emphasized the existence of an active and healthy demand in these lines in spite of the nearness of the holiday season.

The largest of the sales reported involved the purchase by W. B. Walker, a Washington county capitalist living at Beaverton, of a 50 foot lot located at the northeast corner of Taylor and Park streets. The property was purchased from Iver Johnson, who received $55,000 cash for the lot. Mr. Walker will build at once a modern class "A" building on the site, the upper floors to be used for a hotel and the ground floor arranged for business purposes. The sale to Mr. Walker was negotiated by F. R. Levee.

The Seven Oaks Investment company took out a permit yesterday for a one story brick commercial building to be erected on the quarter block at the northeast corner of Seventh and Oak streets. Plans of the building, which were drawn by Architects McNaughton & Raymond, provide for nine store-rooms, six facing Seventh street and three on Oak street. The projected improvement will cost about $20,000.

Broker L. R. Moore has just concluded the sale of a large tract of Mosier apple land for Frank A. Sweeney of this city. The property was purchased by Chicago investors who paid $30,000 for the holding. Mr. Moore also reports the sale of a section of Klickitat county land to a South Dakota buyer for $9600.

## CHANGE OF STATION

**Astoria & Columbia River Railroad.**

On and after Thursday, December 15, all trains of the A. & C. R. R. R. will use the North Bank station, Eleventh and Hoyt streets. Take "S" car on Third street. Other cars transfer to it on Third and Glisan streets. •

## JUST OUT OF PEN; HE AGAIN BECOMES THIEF

Leaving the Washington state prison November 17, at which place he had spent three years for burglary, John Hardigan, 62 years old, came to Portland and began his old life of crime. Three houses were burglarized before he was caught. Yesterday afternoon Hardigan admitted to Detectives Coleman and Snow that he could not keep from stealing, and said a plea of guilty would be entered before the circuit court.

The partner of Hardigan, Lyle Agnew, is in jail in Tacoma, and has admitted to the authorities there that he committed burglaries here with Hardigan. The two men admit they entered the homes of J. J. Dunning, deputy coroner, 837 Vancouver avenue; Dr. Holt, 440 Williams avenue; A. E. Tribleman, 567 Williams avenue, and J. Mueller, 144 Russell street. Very little loot was secured at any of these places.

Three years ago Hardigan was arrested for prying off the locks of three saloons. He was given 60 days on the rockpile. This morning he waived preliminary hearing.

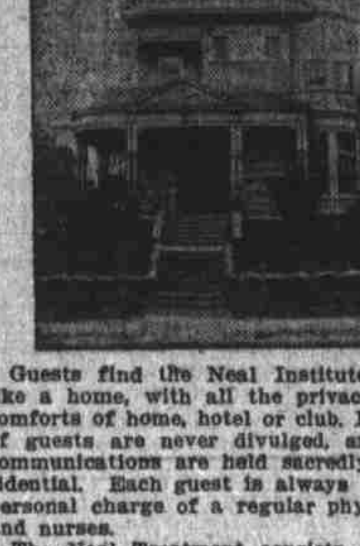
## A TREATMENT FOR LIQUOR HABIT THAT ALWAYS CURES

### This Fact Proven by Thousands of Letters of Praise for the Neal Liquor-Habit Cure, From All Classes.

The Neal treatment is heartily and publicly indorsed by hundreds of prominent physicians, well known mayors and other public men, as a CURE FOR ALCOHOLISM, which CANNOT BE SAID OF ANY OTHER TREATMENT. Anyone who is interested in this matter can see these indorsements by either calling for them or writing for them, without obligating themselves in any way. These indorsements are not mythical, but are from well known men, with NAMES and ADDRESSES of WRITERS, who—having investigated the Neal Treatment by seeing relatives or acquaintances CURED—of their own free will, are glad to aid us in the good work of CURING the liquor habit.



Guests find the Neal Institute just like a home, with all the privacy and comforts of home, hotel or club. Names of guests are never divulged, and all communications are held sacredly confidential. Each guest is always in the personal charge of a regular physician and nurses.

The Neal Treatment consists of the administration of a perfectly harmless and purely vegetable medicine taken internally only and without any hypodermic injections.

The treatment and the method of its administration are pronounced and conceded by all who have investigated to be not only ethical and professional, but entirely satisfactory, and its sureness and success in all cases have been demonstrated and proved to the satisfaction of all concerned.

The Neal Institute always treats all communications and its patients in the strictest confidence.

If you will write them they will give you unquestionable references as to their ability to do as they promise and as to their responsibility.

If you have a friend who would like to rid himself of the drink habit, write or wire the Neal Institute, 354 Hall street, corner Park. Phone Marshall 2400, Portland, Or.

Neal Institute is open day and night.

## New Departure

The cost of interments have been greatly reduced by the Holman Undertaking company.

Heretofore it has been the custom of funeral directors to make charges for all incidentals connected with a funeral. The Edward Holman Undertaking company, the leading funeral directors of Portland, have departed from that custom. When casket is furnished by us we make no extra charges for embolming, hearse to cemetery, outside box or any services that may be required of us, except clothing, cemetery and carriages, thus effecting a saving of $25 to $75 on each funeral.
