Tanoms, Dec. 17.--Overwhelmed by the loss of their department store at Fifteenth and Pacific avenue, which was wiped out by fire about midnight, just as the store was beginning to feel the heavy Christmas rush. Thomas and James McCormack of McCormack broth-ors, are mable to state definitely plans for the future. The loss is practically pemplete, and except for a few thousand dollars' worth of stock in the ware house, the business of the firm was completely wiped out. ma, Dec. 17 .-- Overwhelmed by

the manager J, B Burke said today it was impossible to estimate the loss either on stock or in Christmas business. The stock was partially insured. The loss will be above \$100,000 on stock and \$10,060 on the building. The cause of the fire is not known. It started in the ceiling, among some cedar decorations, and within a minute floor space of the one story brick build ing. After half an hours work the firemen succeeded in quenching the blaze, but within a few minutes they were astounded to see the entire build-ing again burst into flames, and it took the building and contents.

to provide for tariff revision schedul by schedule, declaring he favored the purpose of the Cummins measure, but differed with the Iowa senator as to the method of execution. Lodge added that he thought a senate resolution would be

sufficient and that it was unnecessary portiand for upwards of 20 years, and before he can begoine a citizen of the united States he will be required to use in the course of his remarks Lodge said he favored the establishment of a permanent tariff commission, and that wholesale revisions of the tariff were unmitigated evils, "not only ruinous to the commercial and business interests, and to the commercial and business interests, and to the matter. He said he had before he can begoine a citizen of the United States he will be required to United States he will be required to before he can begoine a citizen of the United States he will be required to before he can begoine a citizen of the United States he will be required to be used to be the second papers for 26 years.
