Great Sale of Toys Continues

It's the Most Attractive Event to Portland Toy Buyers

One-Fourth Reduction on All Toys

The response to last week's announcement was sufficient to demonstrate the interest taken in this event by buyers of toy gifts; and although the selling was remarkable, still the assortment which has surprised all who have visited Toyland this season, is still intact. Anticipating greater selling during the next six days prompts us to advise early buying—while the assortment is best. It would be impossible to list here one-tenth of the wonderful variety here. So these few as reminders.
