

SOCIALIST LEADER PREDICTS SUCCESS

Russell of New York Says the
Democrats Will Win in '12;
Socialists in 1916.

(United Press Leased Wire)
Los Angeles, Dec. 20.—Charles Edward Russell, Socialist candidate for governor of New York at the recent election, predicts that Socialists will be successful in the national election of 1912 and that a Socialist president will occupy the White House after that year.

"We now have two great political parties," Russell said. "Both are putrid with corruption. One has been on trial for years and it has failed and betrayed the people. The Democratic party will have its chance in 1912, and, believe me, it will make a horrible mess of things. When the people realize that both the old parties have failed to provide a panacea for existing conditions, the Socialists will be given their in-

Russell took issue with Roosevelt's anti-race suicide idea, declaring that the bringing of children into a world run as this world is run, is nothing short of criminal.

"Under existing circumstances," he said, "race suicide is the only thing standing between the working classes and starvation."

GOLDEN JUBILEE OF SISTERS OF ST. FRANCIS

Lafayette, Ind., Dec. 20.—A notable three days' celebration of the golden jubilee of the Sisters of St. Francis began today at St. Elizabeth hospital in this city, which is the mother home of the order in America. The ceremonies opened this morning with pontifical high mass, at which Bishop Alerding of Fort Wayne officiated. Noted priests and prelates of the Roman Catholic church and many members of the order from various parts of the country were in attendance.

The Sisters of St. Francis were organized in Westphalia, Germany, December 20, 1860. During the Franco-Prussian war the sisters were of great service to the wounded soldiers and received gold medals for bravery from the German government. Later they were persecuted on account of religious differences in Germany, and the late Bishop Joseph Dwenger of Fort Wayne, who was passing through Germany on his way home from Rome, called at Olpe, Westphalia, and invited the mother superior to send sisters to America.

Six young women arrived in Lafayette in 1875, and founded the St. Elizabeth hospital, which became the headquarters of the order in America. Since then the order has grown to a membership of about 1000, and has 25 schools and 20 hospitals scattered over the United States and Canada.

ADMIRAL BARRY NEEDS HINT TO TURN GUNS; WINDOW GLASS SAVED

(United Press Leased Wire)
San Diego, Cal., Dec. 20.—It has become known that the gallantry of Admiral Barry of the cruiser fleet, which has just finished target practice off San Diego harbor, saved most of the windows in the Point Loma, Theosophical Homestead from destruction.

Every time the guns boomed a window cracked, and the situation became alarming. Katherine Tingley, head of the homestead, at last asked the wireless operator to wire Admiral Barry a protest.

Word soon came back from the cruisers that the guns had been turned in the other direction and the remaining windows of the homestead were saved.
