

TURKEY MARKETS

All Sorts of Prices in Effect but Trade is Not Brisk; Retailers Hold Off.

Table with 2 columns: Turkey type and Price. Includes Christmas Turkey Market, Following prices ruled along Front street today for dressed birds, and a list of prices for select, fancy, ordinary, and culls.

Turkey prices are rather badly mixed along Front street. In fact, they are more mixed than they were prior to the Thanksgiving slump. Following prices ruled along Front street today for dressed birds and on this day a year ago: Select... 25c, Fancy... 30c, Ordinary... 25c, Culls... 17 1/2c.

Smelt Run Starts. Male smelts of the smelt run that annually comes to the Columbia river and runs south during the past few days and a small number have been caught.

Ducks Are Scarce. There is a scarcity of ducks in the local market and dressed stock would be quoted as high as 25c a pound.

Canflower to Be Higher. An advance of 20c a crate is being quoted in the price of canflower in the south and this will be reflected in the local trade after the present lot is sold.

Dressed Meats Very High. Owing to the very liberal demand and small arrivals along Front street, all lines of dressed meats are showing excellent prices with top prices maintained for quality.

Hitting the Egg Market. While most dealers are nominally quoting fresh Oregon eggs at 43 1/2c a dozen, the price of the local egg along the street has been advanced to 45c this morning in order to clean up better.

Butter Market to Drop. There is every indication that the price of fresh butter will drop in this city soon. The make is quite liberal and the pressure of storage stock is causing the demand for fresh goods.

Potatoes Dull in South. Extreme drought is shown in potato raising in the south and it is stated that last Friday there were 40,000 sacks of potatoes on the Jackson street wharf there.

Warning to Shippers. United States weather bureau has sent out the following notice to shippers: "Protect shipments as far north as possible against temperature of about 24 degrees; northeast to Spokane, 23 degrees; southeast to Boise, 23 degrees; south to Sitkyon, 23 degrees; minimum temperature at Portland to night about 33 degrees."
