

WORK ON LETTYS BOUGHT TO HALT ON THE SPRING

Weather Prevents Continued Progress on Columbia Project; More Than 600,000 Tons of Rock This Year.

With the paying off of the rock handlers and others engaged in that branch of the work at the Columbia river jetty, and the unloading of the last large load of rock today, active operations on that structure will cease for the winter, because weather conditions make further work impossible.

HOW TO DESTROY THE DANDRUFF GERM.

By a Specialist.

"That the dandruff germ is responsible for nearly all the diseases to which the scalp is heir, as well as for baldness and premature gray hair, is a well known fact, but when we realize that it is also indirectly responsible for many of the worst cases of catarrh and consumption, we appreciate the importance of any agent that will destroy its power.

"Afflicted men, why wait, be skeptical, diseased or weak, or continue to take treatment that is doing you no good. When you can get treatment from me that is certain, that does you good and soon effects a cure! Many men have to come to me sooner or later if they are cured. Why not let me cure you before losing your money, health and strength in treating with unskilled specialists?"

YOU CAN PAY AS ABLE, WHEN BENEFITED, OR WHEN CURED, MY PRICES WITHIN THE REACH OF EVERY MAN.

If you suffer from Blood Diseases, Urinary Obstruction, Enlarged Glands, Sores, Ulcers, Skin Diseases, Kidney, Bladder or Any Urinary Troubles, Nervous Debility, or Any Men's Disease or Weakness due to your own fault, you can surely cure yourself by my method. I will cure you quickly. Not one cent does it cost you if I don't. Don't delay a single day. Don't wait until your life is entirely ruined. Don't worry about payment. Come and talk to me privately about your trouble. I will convince you. I will cure you—or no cost to you.

COME TO ME AND I WILL CURE YOU.

My Motto: Best Treatment at Reasonable Prices. Don't Give Up Before "Curing" Me. Call at Once if in Trouble.

GUARANTEED CURES—Many patients have told me that I cured them, that they came to me on account of never having received relief elsewhere, and they had almost become so skeptical as to think there was no cure for them. I want an opportunity to test just such men, and I make no difference about the financial part, as I never accept pay for my services.
