CITY SUES POWER CO. FOR \$3000

Charge Made That Concerns Trying to Avoid Paying for Street Work.

Suit against the Portland Railway, Light & Power Co. was started yesterday morning by City Attorney Grant in behalf of the city of Portland, in which the company is charged with attempting to evade the payment of its share of street pavement. The city alleges that there is now due \$3000 on one short street and the company has refused to pay it.

The complaint recites that the city council authorized the improvement of Nineteenth street, from Thurman to Sherlock streets. The Portland Railway, Light & Power company has enjoyed a franchise from Thurman to Wil-

son street for several years. According to the franchise granted the company, the expense of improving that part of a street between the rails and one foot on each side is to be defrayed by the company.

It is alleged in the suit filed that the company removed the tracks from Nineteenth street between Thurman and Wilson streets, immediately before the street was improved. In this way it was hoped to escape the assessment. The company has since refused to pay this share. The city attorney contends that the company thereby owes the city \$3000 on the improvement. It is upon this suit that many other similar cases will be determined. The company has removed tracks on other streets, where improvement was anticipated, and shifted its tracks to another street, and the traffic fully handled.

NOTHING CHEAP, BUT THE PRICE ABOUT THE JEWELRY WE'RE SACRIFICING

When we first announced our removal sale prior to taking possession of our beautiful large store in the YEON BUILDING, we hardly expected such a hum in business, so soon after the holiday rush. But every day, scores of old customers, bringing new ones with them, return to us to pick out some long desired jewelry, table silver or to invest that nest egg in diamonds, where it will grow in value. We're not offering a depleted stock, but high-class goods—specially designed JEWELRY, GUARANTEED TIME-KEEPERS, CUT GLASS, LODGE EMBLEMS, TROPHIES and STERLING CONCETS to beautifully DESK, DRESSING or DINING TABLES.

We're glad we have never had fake sales, detailed shipments, or been overstocked by misguided buyers, or other calamities, that require such voluminous advertising space to bring before the public. When we announced a real removal sale for the purpose of enlarging our business, we've been taken at our word. For the new customers who have not grown apace with us, we again say our commercial honor is back of every BELOW-COST TAG in this store.

Present Address: Heitkemper's 286 Morrison Street
